**RESULTS ANNOUNCEMENT
FOR THE NINE MONTHS ENDED 31 DECEMBER 2008**

Characteristics of The Growth Enterprise Market (“GEM”) of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”)

NOTES TO THE UNAUDITED THIRD QUARTERLY FINANCIAL STATEMENTS

1. BASIS OF PREPARATION

The condensed consolidated financial statements for the nine months ended 31 December 2008 have been prepared in accordance with the Hong Kong Accounting Standard No.34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) and the applicable disclosure requirements of the GEM Listing Rules.

The condensed consolidated financial statements are unaudited but have been reviewed by the audit committee of the Company (the “Audit Committee”).

2. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and method of computation used in the preparation of the unaudited condensed consolidated financial statements are consistent with those applied in the Group’s audited financial statements for the year ended 31 March 2008.

3. ADOPTION OF NEW AND REVISED HKFRSs

In the current period, the Group has adopted a number of new Hong Kong Financial Reporting Standards (“HKFRSs”), amendments to Hong Kong Accounting Standards (“HKASs”) and Interpretations (“Ints”) (hereinafter collectively referred to as “new HKFRSs”) issued by the HKICPA that are relevant to the Group and effective for accounting periods beginning on or after 1 April 2008. The adoption of these new HKFRSs did not result in substantial changes to the Group’s accounting policies and amounts reported for the current year and prior years.

The Group has not early adopted the new HKFRSs, that have been issued but are not yet effective. The directors of the Company anticipate that the application of the new HKFRSs will have no material impact on the results and financial position of the Group.

4. REVENUE AND SEGMENT INFORMATION

The Group is organized into four major business segments: (i) sales of customized software and related computer equipment; (ii) provision of technical support and maintenance services; (iii) sharing of profits of a junket representative of a VIP lounge of a casino in Macau; and (iv) provision of money lending services. An analysis of the Group's turnover and segment profit/(loss) by business segments is as follows:

5. INCOME TAX EXPENSE

Hong Kong profits tax is calculated at 16.5% (2007: 17.5%) of the estimated assessable profit for the period. Taxation arising in other jurisdictions is calculated at the rates prevailing in the relevant jurisdictions.

6. (LOSS)/EARNINGS PER SHARE

The calculation of the basic loss per share attributable to ordinary equity holders of the parent is based on the Group's loss attributable to equity holders of the parent for the nine months ended 31 December 2008 of approximately HK\$14,405,000 (2007: HK\$2,931,000) and on the weighted average number of 2,728,548,939 (2007: 1,707,830,034) ordinary shares in issue during the period.

The weighted average number of ordinary shares for the period ended 31 December 2007 has been adjusted retrospectively for the effects due to the bonus element in the rights issue and the bonus issue completed in August 2007, and the bonus element in the open offer and the bonus issue completed in January 2008.

The basic and diluted loss per share are the same for the three months and nine months ended 31 December 2008, as the Company recorded a loss attributable to the equity holders of the parent and hence, the incremental shares from the assumed exercises of share options and warrants outstanding as at 31 December 2008 are not included in calculating the diluted basic loss per share.

The basic and diluted (loss)/earnings per share are the same for the three months and nine months ended 31 December 2007, as there was no potential dilutive ordinary share outstanding as at 31 December 2007.

7. INTERIM DIVIDEND

The directors do not recommend the payment of interim dividend for the period (2007: Nil).

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS AND FINANCIAL REVIEW

During the period under review, turnover of the Group was approximately HK\$13.66 million, recording a decline of 34.14% when compared to the corresponding period of previous year (2007: HK\$20.74 million). Loss attributable to shareholders was HK\$14.41 million (2007: HK\$2.93 million). The higher net loss attributable to the shareholders was mainly due to the non-cash cost associated with equity-settled share options. Disregarding this item, the Group recorded a net loss attributable to shareholders of HK\$593,000, representing a drop in loss of 80%.

The decrease in turnover was mainly due to the disappointing performance of the gaming and entertainment business in Macau generally. The growing number of new casinos and VIP gaming tables, the measures adopted by the Guangdong government to tighten the individual visits to Macau under the individual visit scheme and the meltdown of the worldwide financial markets drove down the net win for each of the VIP gaming tables. However, the contribution from the new stream of business of provision of money lending services has narrowed the decline in turnover for the period under review.

SIGNIFICANT INVESTMENTS AND MATERIAL ACQUISITIONS

Referring to the announcement and circular dated 8 April 2008 and 28 April 2008 respectively, the Board proposed to issue convertible notes (“Convertible Notes”) in an equivalent face value of HK\$10,700,000 as part payment of the consideration for the acquisition (“City Faith Acquisition”) of the entire issued share capital of City Faith Investments Limited (“City Faith”). The Company entered into the sale and purchase agreement on 28 March 2008 to acquire the entire issued share capital of City Faith at an aggregate consideration of HK\$24,700,000, which would be satisfied by HK\$14,000,000 in cash and HK\$10,700,000 by the issue of the Convertible Notes. City Faith is a company incorporated in Hong Kong with limited liability. The principal business of City Faith is investment holding. City Faith holds a flat in a low density residential building in Tai Po and two vehicles. The shareholders, at the special general meeting held on 30 May 2008, voted down the resolution regarding the issue of the Convertible Notes and the issue and allotment of the shares upon conversion thereof and the transactions contemplated thereunder. Given that one of the conditions precedent to the completion of the City Faith Acquisition, being the approval by the shareholders of the Company on the issue of the Convertible Notes and the issue and allotment of the shares upon conversion thereof, could not be satisfied, the City Faith Acquisition was terminated accordingly.

Referring to the announcement dated 11 August 2008, the Company entered into a non-legally binding letter of intent (“LOI”) proposing to acquire a controlling interest in a domestic company, principally engaged in paper manufacturing and package, incorporated in Shandong Province in the People’s Republic of China.

Referring to the announcement dated 23 January 2009, the Company has terminated the LOI and will pursue negotiation with the new shareholder of the said paper manufacturing company.

PROSPECTS

The unfavorable market conditions in the gaming and entertainment businesses in Macau have forced the management to seek diversification in the Group's business. The investment in money lending business represents the Group's first step in its business diversification. The Group will strive to maintain its market share in the current business operations and at the same time, explore new business opportunities, such as paper manufacturing and package as mentioned above, in order to expand the scope of our businesses and bring higher returns to shareholders.

SHARE OPTION SCHEME

A share option scheme (the "Scheme") was approved and adopted by the shareholders of the Company at an annual general meeting held on 21 August 2006. Under the Scheme, the directors of the Company are authorised to grant options to the participants of the Group including any employee, director, adviser, consultant, licensors, distributors, suppliers, agents, customers, joint venture partners, strategic partners and services providers to or of any member of the Group whom the Board considers in its sole discretion to subscribe for shares of the Company.
