THIRD QUARTERLY REPORT 2009

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of Info Communication Holdings Limited collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited for the purpose of giving information with regard to Info Communication Holdings Limited. The directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: 1. The information contained in this report is accurate and complete in all material respects and not misleading; 2. There are no other matters the omission of which would make any statement in this report misleading; and 3. NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL RESULTS

1. Basis of preparation and significant accounting policies

These unaudited condensed consolidated financial statements are prepared in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Chapter 18 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the "GEM Listing Rules").

These unaudited condensed consolidated financial statements should be read in conjunction with the Company's 2009 annual financial statements. The accounting policies and methods of computation used in the preparation of these unaudited condensed consolidated financial statements are consistent with those used in the Company's annual financial statements for the year ended 31 March 2009, except in relation to the following new or revised Hong Kong Financial Reporting Standards ("HKFRS"; which also include HKASs and Interpretations) that affect the Group and are adopted for the first time for the current period's financial statements.

HKAS 1	Presentation of Financial Statements
HKAS 23	Borrowing Costs
HKFRS 1 and HKAS 27 (Amendments)	Cost of an investment in a Subsidiary, Jointly controlled Entity or Associate
HKAS 27 (Revised)	Consolidated and Separate Financial Statements
HKAS 28	Investments in Associates – Consequential Amendments Arising from Amendments to HKFRS 3
HKAS 31	Interests in Joint Ventures – Consequential Amendments Arising from Amendments to HKFRS 3
HKAS 39 (Amendment)	Financial Statements: Recognition and Measurement – Eligible Hedged Items
HKFRS 1 (Revised)	First-time adoption of HKFRSs
HKFRS 2 (Amendment)	Share-based Payment – Vesting Conditions and Cancellations
HKFRS 3 (Revised)	Business Combinations
HKFRS 5 (Amendments)	Non-current Assets Held for Sale and Discontinued Operations
HKFRS 7 (Amendment)	Improving Disclosures about Financial Instruments
HKFRS 8	Operating Segments
HK (IFRIC) – Int 9 and HKAS 39 (Amendments)	Reassessment of Embedded Derivatives
HK(IFRIC) – Int 17	Distribution of Non-cash Assets to Owners
HK(IFRIC) – Int 18	Transfers of Assets from Customers
HKFRSs (Amendments)	Annual Improvements to HKFRSs 2008
HKFRSs (Amendments)	Annual Improvements to HKFRS 2009

Except as described below, the same accounting policies, presentation and methods of computation have been followed in these unaudited condensed consolidated financial statements as were applied in the financial statements of the Group for the year ended 31 March 2009.

HKAS 1 Presentation of Financial Statements

HKAS 1 has introduced a number of terminology changes (including revised titles for the condensed consolidated financial statements) and has resulted in a number of changes in presentation and disclosure. However, HKAS 1 has had no impact on the reported results or financial position of the Group.

HKFRS 8 Operating Segments

HKFRS 8 “Operating Segments” replaces HKAS 14 “Segment Reporting” and adopts a full management approach to identifying, measuring and disclosing the results of its operating segments. HKFRS 8 requires operating segments to be identified on the basis of internal reports about components of the Group that are regularly reviewed by the chief operating decision maker in order to allocate resources to the segments and to assess their performance. Since the Group’s operating segments reported to the chief operating decision-maker as required by HKFRS 8 are the same as the business segments reported in accordance with the predecessor standard (HKAS 14 “Segment Reporting”), the adoption of HKFRS 8 has not resulted in a redesignation of the Group’s reportable segments.

Impact of New and Revised HKFRSs which are Issued but Not Effective

The Group had not early adopted the following new and revised HKFRSs that have been issued but are not yet effective in the Period.

HKFRS 1 (Amendments)	First-time adoption of HKFRSs – Additional Exemptions for First-time Adopters*
HKFRS 2 (Amendments)	Share-based Payment – Group Cash-settled Share-based Payment Transactions*

* Effective for annual periods beginning on or after 1 January 2010

The Group is in the process of assessing the impact of these new and revised HKFRSs upon initial application but is not yet in a position to state whether these new and revised HKFRSs would have a significant impact on its results of operations and financial position.

Basis of presentation

In preparing the consolidated financial statements, the Directors have considered the future liquidity of the Group in view of its consolidated net loss of approximately HK\$5,425,000 for the period ended 31 December 2009. The Directors are of the opinion that the Group will be able to finance its future working capital and financial requirements on the basis that the financial results for the period ended 31 December 2009 was improving and TLX, a shareholder of the Company, has executed its financial support commitment to the Group.

Accordingly, the Directors are of the opinion that it is appropriate to prepare the consolidated financial statements for the period ended 31 December 2009 on a going concern basis.

During the nine months period ended under review, the group recorded a turnover of approximately HK\$42,456,000 (2008: HK\$61,363,000), representing a decrease of approximately 31% as compared with the corresponding nine months period in 2008. This was mainly attributable to the direct challenges in the exhibition service sector in terms of quick development of exhibition industries in nearby countries. However, the revenue for the three months ended 31 December 2009 has significantly improved as compared with that of the previous two quarters. There is also a profit of approximately HK\$12.9 million recorded.

Prospects

The Group will continue its exhibition business and implement controls over its costs so that reasonable return could be achieved. The Management is also optimistic on the performance of this business sector in the second half of the year following the gradual recovery of the economy in the region. Moreover, in order to explore business growth and further broaden the Group's revenue base, the Group will continue to identify profitable yet sustainable business opportunities in China and elsewhere. During the period under review, the Group has been working on a project allowing an online exhibition which provides a communication platform for its clients and their potential trade buyers.
