### **PROFIT ALERT**

This announcement is made pursuant to Rule 17.10 of the GEM Listing Rules.

The Board wishes to inform the Shareholders and potential investors that the Group's consolidated results attributable to owners of the parent for the four-month period ended 31 July 2011 are expected to record a profit as compared to the consolidated losses attributable to owners of the parent of approximately HK\$10,839,000 and HK\$43,887,000 for the three months ended 30 June 2011 and for the year ended 31 March 2011 respectively.

The expected profit is due to the recognition of a fair value gain on the forward contract in relation to the Second Completion Convertible Notes in compliance with the currently applicable accounting standards. The Board wishes to state that such fair value gain or loss on the forward contract is non-cash in nature, will not have any impact on the cashflow of the Group and may be fluctuated significantly according to the market conditions and the price of the Shares such that the Group may incur a gain or loss in the forthcoming financial periods.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**

### **PROFIT ALERT**

This announcement is made pursuant to Rule 17.10 of the GEM Listing Rules. References are made to the particulars of the Second Completion Convertible Notes set out in the circular and the announcement of the Company dated 21 April 2011 and 9 June 2011 respectively.

In compliance with the currently applicable accounting standards adopted by the Group, the forward contract on the Second Completion Convertible Notes is required to be recognised as derivative financial asset/liability and the related gain or loss due to changes in fair value

is required to be recognised in the consolidated income statement of the Group. The independent professional valuer retained by the Group has preliminarily assessed the fair value of the forward contract in relation to the Second Completion Convertible Notes as at 31 July 2011 and the change in the related fair value from the First Completion Date to 31 July 2011 with reference to the adjusted weighted average market price of the Shares. It is expected that there will be a fair value gain on the forward contract to be recognised by the Group in its consolidated results for the four-month period ended 31 July 2011. Taking into account the aforesaid fair value gain on the forward contract, it is expected that the Group would record a consolidated profit for the four-month period ended 31 July 2011 attributable to owners of the parent as compared to the consolidated losses attributable to owners of the parent of approximately HK\$10,839,000 and HK\$43,887,000 for the three months ended 30 June 2011 and for the year ended 31 March 2011 respectively.

However, the Board wishes to draw the attention of the Shareholders and potential investors to the fact that the aforesaid change in fair value on the forward contract in relation to the Second Completion Convertible Notes is non-cash in nature, will not have any impact on the cashflow of the Group and may be fluctuated significantly according to the market conditions and the price of the Shares such that the Group may incur a gain or loss in the forthcoming financial periods.
