### **PROFIT WARNING**

This announcement is made by the Company pursuant to Rule 17.10 of the GEM Listing Rules.

Based on the information currently available, the Board wishes to inform the shareholders and potential investors that it is anticipated that the financial results of the Group for the three months ended 31 July 2012 may record a loss as compared to the profit for the three months ended 31 July 2011. The financial result of the Group for the nine months ended 31 July 2012 may experience a significant decrease in net profit as compared to the last corresponding period for the nine months ended 31 July 2011. The anticipated loss and decline in profits were mainly attributable to the significant decrease in sales volume of our industrial environmental products under the weakening momentum of growth for the domestic and global economies.

The information contained in this announcement is only based on the preliminary assessment by the Company's management according to the unaudited management accounts of the Group.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**

This announcement is made by Eco-Tek Holdings Limited (the "Company" and together with its subsidiaries, the "Group") pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the "GEM Listing Rules").

The board of directors of the Company (the "Board") wishes to inform the shareholders of the Company and potential investors that based on information available, it is anticipated that the financial results of the Group for the three months ended 31 July 2012 may record a loss as compared to the profit for the three months ended 31 July 2011. The financial result of the Group for the nine months ended 31 July 2012 may experience a significant decrease in net

profit as compared to the last corresponding period for the nine months ended 31 July 2011. The anticipated loss and decline in profits were mainly attributable to the significant decrease in sales volume of our industrial environmental products under the weakening momentum of growth for the domestic and global economies. As a result, the turnover and gross profit of the Group for the three months and nine months ended 31 July 2012 decreased significantly.

The information contained in this announcement is only based on the preliminary assessment by the Company's management according to the unaudited management accounts of the Group. The unaudited financial results of the Group for the three months and nine months ended 31 July 2011 are expected to be announced by the Company on 12 September 2012.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
