CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

2. THE NEW MANDATES

The Company's Existing Issue Mandate and Existing Repurchase Mandate were previously approved by the Shareholders at the 2012 AGM. The Existing Issue Mandate and the Existing Repurchase Mandate will lapse at the conclusion of the AGM. At the AGM, the following ordinary resolutions, among other matters, will be proposed:

- (i) to grant the New Issue Mandate to the Directors to enable them to allot, issue and otherwise deal with not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the proposed resolution approving the New Issue Mandate at the AGM;
- (ii) to grant the New Repurchase Mandate to the Directors to enable them to repurchase Shares not exceeding 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the proposed resolution approving the New Repurchase Mandate at the AGM; and
- (iii) to increase the number of Shares to be allotted, issued and dealt with under the New Issue Mandate by an additional number representing such number of Shares repurchased under the New Repurchase Mandate.

The New Mandates shall be effective until whichever is the earliest of:

- (a) the conclusion of the next annual general meeting of the Company;
- (b) the expiration of the period within which the next general meeting of the Company is required by the Bye-laws, the Companies Act 1981 of Bermuda or any other applicable law of Bermuda to be held; or
- (c) the passing of an ordinary resolution by the Shareholders in general meeting revoking or varying the authority given to the Directors.

The New Issue Mandate

As at the Latest Practicable Date, the issued share capital of the Company had an aggregate of 860,697,250 Shares. Subject to the passing of the proposed resolution for the approval of the New Issue Mandate and in accordance with the terms therein, the Company would be allowed to allot and issue up to a maximum of 172,139,450 Shares, representing 20% of the aggregate nominal amount of issued Shares at the passing of the resolution approving the New Issue Mandate on the basis that no further Shares will be issued or repurchased by the Company prior to the AGM.

In addition, it is further proposed, by way of a separate ordinary resolution that the New Issue Mandate be extended so that the Directors be given a general mandate to issue further Shares in the Company of an aggregate nominal value equal to the aggregate nominal value of the share capital of the Company repurchased under the New Repurchase Mandate.

LETTER FROM THE BOARD

The New Repurchase Mandate

An explanatory statement containing information relating to the New Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the requisite information required under the GEM Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution approving the New Repurchase Mandate.

3. RE-ELECTION OF DIRECTORS

5. GEM LISTING RULES REQUIREMENT

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands.

LETTER FROM THE BOARD

6. RECOMMENDATION

The Directors consider that the proposals for (i) the granting of the New Mandates; and (ii) the re-election of Directors are all in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the resolutions to be proposed at the AGM.

Yours faithfully,
For and on behalf of
Long Success International (Holdings) Limited
Siu Chi Keung
Director

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to you for your consideration of the New Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practical Date, the issued share capital of the Company comprised 860,697,250 Shares of HK\$0.01 each.

Subject to the passing of the resolution in relation to the New Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the New Repurchase Mandate to repurchase a maximum of 86,069,725 Shares on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, representing approximately 10% of the issued share capital of the Company as the date of passing the resolution.

The Shares repurchased by the Company shall, subject to applicable laws, be automatically cancelled upon such repurchase.

2. REASONS FOR REPURCHASES

The Directors believe that the New Repurchase Mandate is in the best interests and the Shareholders as a whole. The Directors have no present intention to repurchase any Shares but consider that the New Repurchase Mandate will provide the Company the flexibility to make such purchase when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earning per Share.

3. FUNDING OF REPURCHASES

Repurchase of Shares will be funded out of funds legally available for such purpose and in accordance with the memorandum of the Company and the Bye-Laws, the GEM Listing Rules and the applicable laws of Bermuda.

In the event that the proposed New Repurchase Mandate is exercised in full at any time during the proposed repurchase period, there might be a material adverse impact on the working capital or the gearing positions of the Company (as compared with the position disclosed in the audited financial statements for the year ended 31 March 2013). However, the Directors do not propose to exercise the New Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

4. SHARE PRICES

The highest and lowest prices at which Shares have been traded on GEM in each of the past twelve months were as follows:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2012		
July	0.196	0.086
August	0.159	0.103
September	0.168	0.093

April	0.860	0.570

June (up to the Latest Practicable Date)	0.900	0.730

5. CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, has any present intention to sell any Shares to the Company if the Repurchase Mandate is approved at the AGM.

No connected person (as defined in the GEM Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the New Repurchase Mandate is approved.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchase pursuant to the New Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum of the Company and the Bye-Laws and the applicable laws of Bermuda.

7. CODE ON TAKEOVERS AND MERGERS

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the powers of the Company to repurchase its Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for

the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best of the knowledge, information and belief of the Directors and on the basis of the shareholding of the Company as at the Latest Practicable Date, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as a result of any purchase of Shares made under the Repurchase Mandate.

Assuming that there is no issue of Shares between the date of this circular and the date of a repurchase and no disposal by any of the substantial Shareholders of their interests in the Shares, an exercise of the Repurchase Mandate whether in whole or in part will not result in less than 25% of the Shares being held by the public.

8. NO PURCHASES OF SHARES MADE BY THE COMPANY

No repurchases of shares have been made by the Company during the six months period prior to the date of the Latest Practicable date whether on the GEM or otherwise.
