PROFIT ALERT

This announcement is made by Credit China Holdings Limited (the “**Company**”, and together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on information currently available, although the Company’s internet financing businesses (including third party payment services and P2P loan consultancy services) brought encouraging contributions to the Group, the Group expects to record a material decrease of approximately 56% in its profit attributable to owners of the Company for the year ended 31 December 2014 as compared with the corresponding period in 2013. Such expected decrease was mainly due to factors from non-operating items and discontinued business set out below:

- (1) A one-off significant appreciation of approximately RMB76 million in fair value for Shanghai property investment occurred for the year ended 31 December 2013. The Company expects to record only an increase of approximately RMB10 million in fair value for the same property investment for the year ended 31 December 2014;
- (2) The reversal of a contingent consideration receivable of approximately RMB8 million recognized for the acquisition of a third-party payment company (“**UCF Pay**”) in November 2013. In 2014, UCF Pay delivered profits beyond the guarantee level and therefore the contingent consideration receivable recognized in 2013 needs to be reversed; and

- (3) A technical provision for bad debts of approximately RMB26 million (2013: NIL) made for microloan business in Chongqing for the year ended 31 December 2014. The disposal of the microloan business in Chongqing was completed on 18 December 2014.

The Board would like to emphasize that the Company is still in the process of finalising the consolidated results of the Group for the year ended 31 December 2014, and at the date of this announcement, it cannot reasonably ascertain the total amount of the profit attributable to owners of the Company. The information contained in this announcement is only based on the Company's preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2014 and is not based on any figure or information which has been audited or reviewed by the Company's auditors and the audit committee of the Company. Further adjustments and finalization in the Group's 2014 financial results may be required. Details of the Group's financial information and performance for 2014 will be disclosed in the 2014 annual results announcement to be published in March 2015. The Company will announce the date of board meeting for approval the annual results in due course.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company, and in case of doubt, to seek independent advice from professional or financial advisers.
