**POSITIVE PROFIT ALERT ANNOUNCEMENT**

In the Announcement, the Company has disclosed that the Group expected to record a significant increase in profit for the financial year ended 31 December 2014 as compared to 2013, where such increase was mainly attributed to the realised and unrealised gain from financial assets at fair value through profit or loss contributing no less than approximately HK\$70 million to the Group's profit for the year. The Board wishes to further inform its shareholders and potential investors that the Group is expected to record an over 60% decrease in profit generated from the existing restaurant business as compared to 2013. This is mainly due to (i) the increase in food, rental and staff costs which is also faced by other retailers; (ii) the negative effect of the Occupy Central movement, especially to the Group's Hong Kong Island restaurants; (iii) impairment loss on property, plant and equipment from certain loss-making restaurants; and (iv) one-time write-down arising from renovation of the Olympian City restaurant. However, the Board expects the overall profit will remain positive and increase significantly after including the abovementioned realised and unrealised gain from financial assets at fair value.

This announcement is made pursuant to Part XIVA of the Securities and Futures Ordinance (Cap. 571) of the Laws of Hong Kong and Rule 17.10 of the GEM Listing Rules.
