POSITIVE PROFIT ALERT

This announcement is made pursuant to Part XIVA of the Securities and Futures Ordinance (Cap. 571) of the Laws of Hong Kong and Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on the Growth Enterprise Market (“**GEM**”) of The Stock Exchange of Hong Kong Limited.

The board (the “**Board**”) of directors (the “**Directors**”) of Food Idea Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to inform its shareholders and potential investors that the Group expects to record a significant increase in the consolidated profit for the six months ended 30 June 2015, as compared to the corresponding period in 2014. The significant increase in profit for the Group was mainly due to the substantial increase in unrealised gain from financial assets at fair value through profit or loss, contributing no less than approximately HK\$110 million to the Group’s results for the six months ended 30 June 2015. Despite the above satisfactory performance in the securities investment business, the restaurant operation of the Group remains challenging in 2015 due to increase in costs of food, labour and rental, and so the restaurant operation would be unable to achieve business performance as expected. Shareholders of the Company and potential investors should note that the interim results of the Group for the six months ended 30 June 2015 will also include, amongst other things, the results from other business and other items of costs and expenses.

As at the date hereof, the Company is still in the process of finalising its interim results for the six months ended 30 June 2015. The information contained in this announcement represents only a preliminary assessment by the Board of the information currently available to the Company and the unaudited financial information of the Group for the six months ended 30 June 2015, which have not been finalised nor reviewed by the Company’s auditors or the audit committee. Shareholders and potential investors of the Company should read the interim results for the six months ended 30 June 2015 of the Company carefully, which are expected to be announced on or before 14 August 2015.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
