6. Buy-Back by our Company of its own securities

This paragraph includes information relating to the buy-back of the shares, including information required by the Stock Exchange to be included in this [Redacted] concerning such buy-back.

(a) *Relevant legal and regulatory requirements*

The GEM Listing Rules permit our Shareholders to grant our Directors a general mandate to buy back the shares that are listed on the Stock Exchange.

(b) *Shareholders’ approval*

All proposed buy-backs of shares (which must be fully paid up) must be approved in advance by an ordinary resolution of our Shareholders in a general meeting, either by way of general mandate or by specific approval of a particular transaction.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

The Buy-Back Mandate was granted to our Directors by our Shareholders pursuant to a written resolution dated 21 September 2015 authorising them to exercise all powers of our Company to buy back shares with an aggregate nominal amount of not exceeding 10% of the aggregate nominal amount of the share capital of our Company in issue immediately following the completion of [Redacted] and the Capitalisation Issue (excluding shares which may fall to be issued pursuant to the exercise of the [Redacted] and the exercise of any options which may be granted under the Share Option Scheme) until the conclusion of the next annual general meeting of our Company, or the date by which the next annual general meeting of our Company is required by the Articles of Association or any applicable law to be held, or the passing of an ordinary resolution by our Shareholders in general meeting revoking or varying the authority given to our Directors, whichever is the earliest.

(c) Source of funds

Buy-Backs must be funded out of funds legally available for the purpose in accordance with the Memorandum and Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands. A listed company may not buy back its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the GEM Listing Rules. Under the Cayman Islands law, any buy-backs of shares by our Company may be made out of profits or share premium of our Company or out of the proceeds of a fresh issue of shares made for the purpose of the buy-backs or, subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be bought back must be provided for out of the profits of our Company or from sums standing to the credit of the share premium account of our Company or, subject to the provisions of the Companies Law, out of capital.

(d) Trading restrictions

Our Company may buy back up to 10% of the aggregate nominal amount of the share capital of our Company in issue immediately following the completion of [Redacted] and the Capitalisation Issue (excluding shares which may fall to be issued pursuant to the exercise of the [Redacted] and the exercise of any options which may be granted under the Share Option Scheme). Our Company may not issue or announce a proposed issue of the shares for a period of 30 days immediately following a buy-back of shares without the prior approval of the Stock Exchange. Our Company is also prohibited from buying back the shares on the Stock Exchange if the buy-back would result in the number of listed shares which are in the hands of the public falling below the minimum percentage required by the Stock Exchange. The broker appointed by our Company to effect a buy-back of the shares is required to disclose to the Stock Exchange any information with respect to a share buy-back as the Stock Exchange may require.

(e) Status of bought back shares

All shares bought back (whether on the Stock Exchange or otherwise) will be cancelled and the certificates for those shares must be cancelled and destroyed. Under the Cayman Islands law, a company's shares bought back may be treated as cancelled and the amount of the company's issued share capital shall be reduced by the aggregate nominal value of the shares bought back accordingly although the authorised share capital of the company will not be reduced.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(f) *Suspension of buy-back*

Buy-backs of shares are prohibited after a price-sensitive development has occurred or has been the subject of a decision until such time as the price-sensitive information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of (aa) the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of the results of our Company for any year, half-year or quarter-year period or any other interim period (whether or not reported under the GEM Listing Rules); and (bb) the deadline for our Company to announce its results for any year, half-year or quarter-year period under the GEM Listing Rules or any other interim period (whether or not required under the GEM Listing Rules), our Company may not buy back its securities on GEM unless the circumstances are exceptional. In addition, the Stock Exchange reserves the right to prohibit buy-backs of shares on the Stock Exchange if our Company has breached the GEM Listing Rules.

(g) *Reporting requirements*

Certain information relating to buy-back of securities on GEM or otherwise must be reported to the Stock Exchange no later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following business day. In addition, our Company’s annual report and accounts are required to disclose details regarding buy-backs of shares made during the financial year under review, including the number of shares bought back each month (whether on the Stock Exchange or otherwise) and the purchase price per share or the highest and lowest prices paid for all such buy-backs, where relevant, and the aggregate prices paid. The directors’ report is also required to contain reference to the buy-backs made during the year and the directors’ reasons for making such buy-backs.

(h) *Connected persons*

According to the GEM Listing Rules, a company is prohibited from knowingly buying back securities on the Stock Exchange from a “core connected person”, that is, a Director, chief executive or substantial shareholder of our Company or any of its subsidiaries or any of their close associates and a core connected person shall not knowingly sell his/her/its securities to our Company on the Stock Exchange.

(i) *Reasons for buy-backs*

Our Directors believe that it is in the best interests of our Company and our Shareholders for our Directors to have a general authority from our Shareholders to enable our Company to buy back shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of our Company and/or earnings per share and will only be made when our Directors believe that such buy-backs will benefit our Company and our Shareholders.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(j) *Funding of buy-backs*

In buying back shares, our Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

On the basis of the current financial position of our Group as disclosed in this [Redacted] and taking into account the current working capital position of our Group, our Directors consider that, if the Buy-Back Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of our Group as compared with the position disclosed in this [Redacted]. Our Directors do not propose to exercise the Buy-Back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Group or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Group.

(k) *General*

The exercise in full of the Buy-Back Mandate, on the basis of [Redacted] Shares in issue immediately after completion of [Redacted] and the Capitalisation Issue (not taking into account (i) any shares which may be allotted and issued by our Company pursuant to the exercise of the [Redacted]; (ii) any shares which may be allotted and issued by our Company pursuant to the exercise of any options which may be granted under the Share Option Scheme; and (iii) any shares which may be allotted and issued or bought back by our Company under the Issue Mandate and the Buy-Back Mandate), would result in up to [Redacted] Shares being bought back by our Company during the period in which the Buy-Back Mandate remains in force.

None of our Directors nor, to the best of their knowledge having made all reasonable inquiries, any of their associates currently intends to sell any shares to our Company or our subsidiaries.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Buy-Back Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

If, as a result of a buy-back of shares, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code. Save as aforesaid, our Directors are not presently aware of any consequences which would arise under the Takeovers Code as a consequence of any buy-backs pursuant to the Buy-Back Mandate immediately after [Redacted] of the shares on the Stock Exchange.

No core connected person (as defined in the GEM Listing Rules) has notified our Company that he/she/it has a present intention to sell shares to our Company, or has undertaken not to do so if the Buy-Back Mandate is exercised.

For the avoidance of doubt, such period of extension (if any) shall be granted within and in any event ended before the expiration of the period of one month following the date of his cessation to be an employee of our Group.

(xiii) Rights on death

Where the grantee of an outstanding option dies before exercising the option in full or at all, and none of the events specified in (xxi)(f) which would be a ground for termination of his employment or engagement arises, the option may be exercised in full or in part (to the extent not already exercised) by his personal representative(s) within 18 months following the date of his death or such longer period as our Board may at its absolute discretion determine from the date of death to exercise the option up to the entitlement of such grantee as at the date of death (to the extent which has become exercisable and not already exercised).

Our Company may require the grantee (or his personal representative(s)) to transfer or otherwise deal with the shares issued as a result of the exercise of options in these circumstances so as to place the grantee in the same position as nearly as would have been the case had such shares been subject to such compromise or arrangement.

APPENDIX IV

- (bb) the obligations of the Underwriters under the Underwriting Agreement becoming unconditional and not being terminated in accordance with the terms of the Underwriting Agreement or otherwise; and
- (cc) the commencement of dealings in the shares on the Stock Exchange.

2. Present status of the Share Option Scheme

(i) *Approval and adoption of the rules of the Share Option Scheme*

The rules of the Share Option Scheme were approved and adopted by our Shareholder on 21 September 2015.

(ii) *Approval of the Stock Exchange required*

The Share Option Scheme is conditional, among other matters, on the Stock Exchange granting [Redacted] of, and permission to deal in, such number of shares to be issued pursuant to the exercise of the options under the Share Option Scheme up to the 10% of the shares in issue as at [Redacted].

(iii) *Application for [Redacted]*

Application has been made to the Stock Exchange for [Redacted] of, and permission to deal in, the shares to be issued pursuant to the exercise of options which may be granted under the Share Option Scheme. The total number of shares in respect of which options may be granted under the Share Option Scheme and any other share option schemes of our Company shall not exceed [Redacted] shares, being 10% of the total number of Shares in issue (assuming the [Redacted] is not exercised) as at [Redacted] unless our Company obtains the approval of our Shareholders in general meeting for renewing the said 10% limit under the Share Option Scheme provided that options lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of our Company will not be counted for the purpose of calculating the 10% limit mentioned above.

(iv) *Grant of option*

As at the Latest Practicable Date, no options have been granted or agreed to be granted under the Share Option Scheme.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(v) Value of options

Our Directors consider it inappropriate to disclose the value of options which may be granted under the Share Option Scheme as if they had been granted as at the Latest Practicable Date. Any such valuation will have to be made on the basis of certain option pricing model or other methodology, which depends on various assumptions including the exercise price, the exercise period, interest rate, expected volatility and other variables. As no options have been granted, certain variables are not available for calculating the value of options. Our Directors believe that any calculation of the value of options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to investors.
