**VOLUNTARY ANNOUNCEMENT
ACQUISITION OF INTEREST IN
AMIGO TECHNOLOGIES JOINT STOCK COMPANY**

This announcement is made by Credit China FinTech Holdings Limited (the “Company”) on a voluntary basis.

Reference is made to the voluntary announcement of the Company dated 18 May 2016 in relation to a possible strategic investment in Vietnam (the “Announcement”).

SHARE SUBSCRIPTION AGREEMENT

The board of directors of the Company is pleased to announce that on 30 November 2016, Champion Crest Enterprises Limited, a wholly-owned subsidiary of the Company (the “Subsidiary”), entered into a share subscription agreement (the “Share Subscription Agreement”) with Amigo Technologies Joint Stock Company (the “Target”), pursuant to which the Subsidiary has conditionally agreed to subscribe for, and the Target has conditionally agreed to allot and issue shares of the Target (the “Target Shares”), representing approximately 51% of the enlarged issued share capital of the Target to the Subsidiary at a cash consideration of VND286,588,125,000 (equivalent to approximately USD12,725,000) (the “Proposed Subscription”).

Completion of the Proposed Subscription is expected to take place on or before the long stop date, which is 28 February 2017 or such later date as may be agreed in writing by the Subsidiary and the Target. Upon completion of the Proposed Subscription, the Target will become a subsidiary of the Company and its financial results will be consolidated into the financial results of the Company and its subsidiaries.

SHAREHOLDERS' AGREEMENT

On 30 November 2016, the Subsidiary also entered into a shareholders' agreement ("Shareholders' Agreement") with the current shareholders of the Target (the "Target Shareholders") and the Target to govern their relationships as shareholders of the Target. The Shareholders' Agreement shall take effect on and from the closing date as defined under the Share Subscription Agreement.

Under the Shareholders' Agreement, the Subsidiary has granted a put option ("Put Option") to the Target Shareholders pursuant to which each Target Shareholder shall have the right (but not the obligation) to require the Subsidiary to purchase all or any of the Target Shares held by him/it (the "Option Shares"). The exercise of the Put Option is not at the Subsidiary's discretion.

Further details of the Put Option are as follows:

- (a) **Exercise Period:** The Put Option can only be exercised at any time from 1 January 2020 to 31 December 2020
- (b) **Exercise Condition:** The Put Option can only be exercised if (i) the audited consolidated net profit after tax attributable to equity holders of the Target for the financial year ended 2017 is not less than VND55,700,000,000 (equivalent to approximately USD2,473,174.71); or (ii) failing which, the audited consolidated net profit after tax attributable to equity holders of the Target for the financial years ended 2017 and 2018 ("Guaranteed Profit") is not less than VND89,120,000,000 (equivalent to approximately USD3,957,079.54). If the Guaranteed Profit is less than VND89,120,000,000 (equivalent to approximately USD3,957,079.54), the Put Option shall be terminated and shall have no further effect.
- (c) **Exercise Price:** The exercise price of the Put Option ("Exercise Price") shall be equivalent to 10 times of the earning per share of the Target ("Earning Per Share") calculated based on the formula below:

Earning Per Share = the average number of consolidated audited actual profit after tax for financial years ended 2017, 2018 and 2019/the number of outstanding and issued shares as of the date of the option notice on a fully diluted basis.

- (d) **Payment:** The payment of the aggregate Exercise Price for the Option Shares shall be settled by cash or shares of the Company (“**Consideration Shares**”) or a combination of both as determined by the Target Shareholders provided that at all times more than 50% of the Exercise Price must be settled by way of Consideration Shares. The issue price per Consideration Share shall be the average closing market price for the last five consecutive trading days on which the shares of the Company are traded on The Stock Exchange of Hong Kong Limited prior to the date of closing of the transfer of the Option Shares. The Target Shareholders shall not transfer the Option Shares within one year from the date of closing of the transfer of the Option Shares. After such one year, the Target Shareholders shall give at least two months prior written notice to the Subsidiary whenever the Target Shareholders wish to transfer the Consideration Shares.

The parties to the Shareholders’ Agreement agree that if the execution of any terms of the Share Subscription Agreement and the Shareholders’ Agreement will lead to the transactions contemplated thereunder being classified as “discloseable transactions” of the Company as defined in Chapter 19 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of the Stock Exchange of Hong Kong Limited, the parties shall adjust the scale of the Put Option downward by the minimum extent necessary so that the transactions contemplated under the Share Subscription Agreement and the Shareholders’ Agreement would not in aggregate be considered as “discloseable transactions” of the Company.

OTHER RELATED DOCUMENTS

In connection with the Proposed Subscription, other ancillary documents were also entered into on 30 November 2016, i.e. a letter of undertaking granted by the Company to the Target pursuant to which the Company undertakes, among others, to allot and issue the Consideration Shares in accordance with the terms of the Shareholders’ Agreement if the Put Option is exercised, and a letter of undertaking relating to representations and warranties of the Target from the Target Shareholders.

REASONS AND BENEFIT OF THE PROPOSED SUBSCRIPTION
