
STRUCTURE AND CONDITIONS OF THE SHARE OFFER

THE SHARE OFFER

This Prospectus is published in connection with the Public Offer as part of the Share Offer. The Share Offer comprises:

- the Public Offer of initially 25,000,000 Offer Shares (subject to reallocation as mentioned below) in Hong Kong as described below in the paragraph headed “The Public Offer” in this section below; and
- the Placing of initially 225,000,000 Offer Shares (subject to reallocation and the Offer Size Adjustment Option as described below) outside the United States (including to professional, institutional and corporate investors and other investors anticipated to have a sizeable demand for the Offer Shares in Hong Kong) in offshore transactions in reliance on Regulation S, as described in the paragraph headed “The Placing” in this section below.

Investors may either:

- apply for the Public Offer Shares under the Public Offer; or
- apply for or indicate an interest for the Placing Shares under the Placing,

but may not do both.

The 250,000,000 Offer Shares in the Share Offer will represent 25% of our enlarged share capital immediately after the completion of the Share Offer and the Capitalisation Issue, without taking into account the exercise of the Offer Size Adjustment Option. If the Offer Size Adjustment Option is exercised in full, the Offer Shares will represent approximately 27.7% of our enlarged share capital immediately following the completion of the Share Offer and the Capitalisation Issue.

References to applications, application forms, application monies or procedure for applications relate solely to the Public Offer.

THE PUBLIC OFFER

Number of Offer Shares initially offered

We are initially offering for subscription by the public in Hong Kong 25,000,000 Offer Shares, representing 10% of the total number of Offer Shares initially available under the Share Offer. Subject to the reallocation of Offer Shares between the Placing and the Public Offer, the number of Offer Shares offered under the Public Offer will represent approximately 2.5% of our enlarged issued share capital immediately after completion of the Share Offer and the Capitalisation Issue, assuming the Offer Size Adjustment Option is not exercised.

The Public Offer is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities.

Completion of the Public Offer is subject to the conditions as set forth below in the paragraph headed “Conditions of the Share Offer” in this section below.

Reallocation

The allocation of the Offer Shares between the Public Offer and the Placing is subject to reallocation. In accordance with the clawback mechanism, subject to any waiver or approval to be obtained from the Stock Exchange, if the number of Offer Shares validly applied for under the Public

STRUCTURE AND CONDITIONS OF THE SHARE OFFER

Offer represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more of the number of Offer Shares initially available under the Public Offer, the Offer Shares will be reallocated to the Public Offer from the Placing. As a result of such reallocation, the total number of Offer Shares will be increased to 75,000,000 Offer Shares (in the case of (i)), 100,000,000 Offer Shares (in the case of (ii)) and 125,000,000 Offer Shares (in the case of (iii)), representing approximately 30%, 40% and 50% of the Offer Shares initially available under the Share Offer (before any exercise of the Offer Size Adjustment Option), respectively.

In each case, the additional Offer Shares relocated to the Public Offer will be increased and the number of Offer Shares allocated to the Placing will be correspondingly reduced in such manner as the Joint Bookrunners deems appropriate. In addition, the Joint Bookrunners shall have the discretion to reallocate Offer Shares from the Placing to the Public Offer to satisfy valid applications under the Public Offer, regardless of whether any reallocation is triggered.

If the Public Offer is not fully subscribed for, the Joint Bookrunners have the authority to reallocate all or any unsubscribed Public Offer Shares to the Placing, in such proportions as the Joint Bookrunners deems appropriate. The Offer Shares to be offered in the Public Offer and the Placing may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Bookrunners.

Applications

Each applicant under the Public Offer will be required to give an undertaking and confirmation in the application submitted by him/her/it that he/she/it and any person(s) for whose benefit he/she/it is making the application has not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Placing Shares under the Placing, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or it has been or will be placed or allocated Placing Shares under the Placing. Multiple or suspected multiple applications and any application for more than 100% of the Public Offer Shares initially comprised in the Public Offer (i.e. 25,000,000 Public Offer Shares) are liable to be rejected.

Applicants under the Public Offer are required to pay, on application, maximum price of HK\$0.40 per Offer Share in addition to brokerage of 1.0%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005% on each Offer Share, amounting to a total of HK\$4,040.31 for one board lot of 10,000 Shares. If the Offer Price, as finally determined on the Price Determination Date in the manner as described below in the paragraph headed "Pricing and Allocation" in this section below, is less than the maximum price of HK\$0.40 per Offer Share, appropriate refund payments (including brokerage, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. For further details, please refer to the section headed "How to Apply for the Public Offer Shares" in this Prospectus.

Allocation of Shares to investors under the Public Offer will be based solely on the level of valid applications received under the Public Offer. The basis of allocation may vary, depending on the number of Public Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Public Offer Shares, and those applicants who are not successful in the ballot may not receive any Public Offer Shares.

STRUCTURE AND CONDITIONS OF THE SHARE OFFER

THE PLACING

Number of Offer Shares initially offered

We will be initially offering for subscription under the Placing 225,000,000 Offer Shares, representing 90% of the Offer Shares under the Share Offer. Subject to the reallocation of Offer Shares between the Placing and the Public Offer, the number of Offer Shares offered under the Placing will represent approximately 22.5% of our enlarged issued share capital immediately after completion of the Share Offer and the Capitalisation Issue, assuming the Offer Size Adjustment Option is not exercised.

Allocation

The Placing Shares will conditionally be offered to selected professional, institutional and corporate investors and other investors anticipated to have a sizeable demand for our Offer Shares in Hong Kong and other jurisdictions outside the United States in offshore transactions in reliance on Regulation S. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Prospective professional, institutional and other investors will be required to specify the number of the Placing Shares under the Placing they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building,” is expected to continue up to the Price Determination Date.

Allocation of the Placing Shares pursuant to the Placing will be determined by the Joint Bookrunners and will be based on a number of factors including the level and timing of demand, total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further, and/or hold or sell its Shares, after the Listing of the Shares on GEM. Such allocation is intended to result in a distribution of the Placing Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and our Shareholders as a whole.

The Joint Bookrunners (on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the Placing and who has made an application under the Public Offer to provide sufficient information to the Joint Bookrunners so as to allow them to identify the relevant applications under the Public Offer and to ensure that they are excluded from any applications of the Public Offer Shares under the Public Offer.

Reallocation

The total number of Offer Shares to be issued pursuant to the Placing may change as a result of the clawback arrangement as described above in the paragraph headed “The Public Offer — Reallocation” in this section above or the Offer Size Adjustment Option in whole or in part and/or any reallocation of unsubscribed Offer Shares originally included in the Public Offer.

OFFER SIZE ADJUSTMENT OPTION

Pursuant to the Offer Size Adjustment Option, the Joint Bookrunners (for themselves and on behalf of the Placing Underwriters) will have the right, exercisable at any time during the period from the date of this Prospectus to Wednesday, 24 January 2018, being the last Business Day prior to the Listing Date, at its discretion to require the Company to issue, at the Offer Price, up to an aggregate of 37,500,000 additional Shares, representing 15% of the total number of Shares initially available under the Share Offer to cover any excess demand or over-allocations in the Placing, subject to the terms of the Placing Underwriting Agreement. If the Offer Size Adjustment Option is exercised in full, the additional Shares

STRUCTURE AND CONDITIONS OF THE SHARE OFFER

will represent approximately 3.6% of the enlarged issued share capital of our Company immediately following the completion of the Share Offer, the Capitalisation Issue and the exercise of the Offer Size Adjustment Option.

For the avoidance of doubt, the purpose of the Offer Size Adjustment Option is to provide flexibility for the Joint Bookrunners to meet any excess demand in the Placing. The Offer Size Adjustment Option will not be associated with any price stabilisation activities of the Shares in the secondary market after the Listing and will not be subject to the Securities and Futures (Price Stabilizing) Rules of the SFO (Chapter 571W of the laws of Hong Kong). No purchase of the Shares in the secondary market will be effected to cover any excess demand in the Placing which will only be satisfied by the exercise of the Offer Size Adjustment Option in full or in part.

Our Company will disclose in its allotment results announcement whether and to what extent the Offer Size Adjustment Option has been exercised, and will confirm in the announcement that, if the Offer Size Adjustment Option is not exercised by then, the Offer Size Adjustment Option will lapse and cannot be exercised on any future date. The allotment results announcement will be published on the website of the Stock Exchange at www.hkexnews.hk and our Company's website at www.ims512.com.

PRICING AND ALLOCATION

Our Company and the Joint Bookrunners (for themselves and on behalf of the Underwriters) will determine the Offer Price and sign an agreement on the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or around Wednesday, 17 January 2018, or such other date as may be agreed between our Company and the Joint Bookrunners (for themselves and on behalf of the Underwriters).

The Offer Price will not be more than HK\$0.40 per Offer Share and is expected to be not less than HK\$0.20 per Offer Share, unless otherwise announced by no later than the morning of the last day for lodging applications under the Public Offer as further explained below. If you apply for the Offer Shares under the Public Offer, you must pay the maximum price of HK\$0.40 per Offer Share, plus brokerage of 1.0%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%.

If the Offer Price, as finally determined in the manner described below, is lower than HK\$0.40, we will refund the respective difference, including brokerage, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies. We will not pay interest on any refunded amounts. For more details, please refer to the section headed "How to Apply for the Public Offer Shares" in this Prospectus.

The Placing Underwriters will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the Placing. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the Placing they would be prepared to acquire either at different prices or at a particular price. This process, known as "book-building", is expected to continue up to, and to cease on or around, the last day for lodging applications under the Public Offer.

The Joint Bookrunners (for themselves and on behalf of the Underwriters) may, where considered appropriate based on the level of interest expressed by prospective professional, institutional and other investors during a book-building process, and with the consent of our Company, reduce the number of Offer Shares and/or the Offer Price range below that stated in this Prospectus prior to the morning of the last day for lodging applications under the Public Offer. In such a case, we will as soon as practicable following the decision to make such reduction and in any event not later than the morning of the last day for lodging applications under the Public Offer publish a notice on our website at www.ims512.com and

STRUCTURE AND CONDITIONS OF THE SHARE OFFER

the website of the Stock Exchange at *www.hkexnews.hk* (the contents of the website do not form a part of this Prospectus). Upon issue of such a notice, the revised number of Offer Shares and/or Offer Price range will be final and conclusive and the Offer Price, if agreed upon by us, will be fixed within such revised Offer Price range.

Before submitting applications for the Public Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares and/or the Offer Price range may not be made until the day which is the last day for lodging applications under the Public Offer. Such notice will also confirm or revise, as appropriate, the working capital statement, the Share Offer statistics as currently set out in “Summary” in this Prospectus, and any other financial information which may change as a result of such reduction. In the absence of any such notice so published, the Offer Price, if agreed upon with our Company and the Joint Bookrunners (on behalf of the Underwriters) will under no circumstances be set outside the Offer Price range as stated in this Prospectus.

If you have already submitted an application for the Public Offer Shares before the last day for lodging applications under the Public Offer, you will not be allowed to subsequently withdraw your application. However, if the number of Offer Shares and/or the Offer Price range is reduced, applicants will be notified that they are required to confirm their applications. If applicants have been so notified but have not confirmed their applications in accordance with the procedure to be notified, all unconfirmed applications will be deemed revoked.

In the event of a reduction in the number of Offer Shares, the Joint Bookrunners may, at its discretion, reallocate the number of Offer Shares to be offered in the Public Offer and the Placing, provided that the number of Offer Shares comprised in the Public Offer shall not be less than 10% of the total number of Offer Shares available under the Share Offer (assuming the Offer Size Adjustment Option is not exercised).

The final Offer Price, the level of indication of interest in the Placing, the level of applications and the basis of allotment of Offer Shares available under the Public Offer and the Hong Kong identity card/passport/Hong Kong business registration numbers of successful applicants under the Public Offer are expected to be made available in a variety of channels in the manner described in the paragraph headed “How to Apply for the Public Offer Shares — 10. Publication of Results” in this Prospectus.
