POSITIVE PROFIT ALERT

This announcement is made pursuant to Rule 17.10 of the Rules Governing the Listing of the Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of Wine's Link International Holdings Limited (the “**Company**”, together with its subsidiaries as the “**Group**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on preliminary review of the unaudited financial information of the Group for the year ended 31 March 2018 (the “**Year**”), the Group expects to record, as compared with its financial results of last year, a substantial increase in its net profit for the Year by approximately 200%. The Board considers that the aforesaid substantial increase in profit was mainly due to the increase in the sales of certain highly sought-after premium collectible red wine which amounted to a relatively higher profit margin, such as Château Mouton Rothschild and Château Lafite Rothschild, during the first quarter of 2018.

As the Group is still in the course of finalising its audited financial results for the Year, the information contained in this announcement is only based on the preliminary assessment by the Board of the information currently available to it including but not limited to the unaudited draft consolidated management accounts of the Group for the Year, which has not been audited by the auditors of the Company nor reviewed by the audit committee of the Board as at the date of this announcement and is subject to possible adjustments upon further review.

Shareholders and potential investors are advised to read carefully the results announcement of the Group for the Year which is expected to be published on or around 22 June 2018.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
