

## Company Profile

### **ICG Asia Limited (HKSE: 0715)**

**ICG Asia Limited** (the “Company”) is Internet Capital Group, Inc.’s (“ICGE”) exclusive platform in Asia Pacific. It is a leading builder of Asia-focused Business-to-Business (“B2B”) technology businesses. The Company and its subsidiaries (the “Group”) focus encompasses business e-commerce, enterprise software, information technology (“IT”) services, and wireless broadband technologies. It combines the knowledge base, technology, best practices and experience of ICGE with the local experience, capabilities, and strategic relationships across the Asia Pacific.

The Company’s core focus is to serve the B2B technology needs of leading Asian corporations, by providing the most appropriate technology and service offerings. The Company is uniquely positioned among Asian IT companies, in operating its businesses across the entire region, from Japan, through Greater China, to Southeast Asia.

The Company is a publicly traded company on The Stock Exchange of Hong Kong Limited (“SEHK”) in which ICGE has majority interest. It comprises a team of professionals from the leading technology, consulting and financial service firms, with experience that spans the Asia Pacific region.
