Form and shape of water varies,
Nurturing every being in nature,
As rain to tree,
And dew to leaf.
The formation of CITIC International Financial Holdings,
With businesses covering a wide spectrum of financial services,
Optimizes the sharing of resources and 'Best of Breeds' capabilities.
Together, synergies and harmony are formed.
As a holding company, resources are best allocated and efficiently managed,
To allow room for each organization to grow and flourish,
With the aim of becoming a one-stop financial supermarket,
And a cross-strait financial bridge in Greater China.
