

Corporate Profile

Computer And Technologies Holdings Limited is one of the leading Information Technology (“IT”) services providers in Asia involved in the design, delivery and operating of total IT solutions that meet customers’ business requirements.

The Group has built its business for more than a decade on a vision to deliver competitive advantages for enterprises and government organizations to progress by optimizing their information systems efficiency. Founded in 1991, the Group’s headquarters is based in Hong Kong with regional operations throughout Mainland China and Taiwan. Offices as well as support and software development centers have also been established in major commercial regions of Mainland China such as Beijing, Shanghai, Nanjing and Shenzhen.

C&T has a long-standing track record in delivering world-class innovative projects and implementing large-scale mission-critical IT solutions. Building on its successful track records, the Group has expanded into an all round IT services provider with a synergetic portfolio of subsidiaries.
