The announcement is made by Ching Hing (Holdings) Limited (the “Company”) and its subsidiaries (the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“Listing Rules”).

After preliminary review by the Company’s management based on the information currently available, the board of directors of the Company (the “Board”) would like to inform the shareholders of the Company that it is expected that the unaudited consolidated loss of the Group for the six months ended 30 June 2008 may show a significant increase as compared with that of the corresponding period in 2007. Such increase was mainly due to (i) the decrease in revenue and gross margin of the businesses of sale of fabrics and fabric processing as a result of the continued surge in raw material prices, appreciation of Renminbi and increasing labour costs, (ii) impairment loss on the Group’s inventories and (iii) compensation paid to lay-off employee as a result of downsizing of the fabric processing operation.

The profit warning announcement is only based on preliminary unaudited management accounts of the Group for the six months ended 30 June 2008. The detailed financial information will be published in the forthcoming interim results announcement and interim report of the Company.

Investors and shareholders of the Company are urged to exercise caution when dealing in the shares of the Company.
