In an announcement made by the Company on 23 January 2009 (the “**January Announcement**”), the Company said that the Group would probably result in a loss for the year ended 31 December 2008. The purpose of this announcement is to provide further update on the financial position of the Group.

The board of directors (the “**Board**”) of the Company wishes to further inform the shareholders of the Company and potential investors that the Group is expected to record substantial loss for the year ended 31 December 2008 as compared with that for the corresponding financial year in 2007. Such expected loss is mainly due to unrealised revaluation loss on the Group’s properties as a result of the downturn of the property market in Macau, together with the realised loss on disposal of listed investments held for trading and unrealised loss on revaluation of its listed investments held for trading disclosed in the January Announcement.

* *for identification purposes only*

The unrealised revaluation loss is non-cash in nature and does not affect the Group's cash flow position. Based on the financial information currently available to the Board, it is expected that the Group would have a net cash inflow from operating activities during the year ended 31 December 2008.

The Company is in the process of finalizing the Group's audited results for the year ended 31 December 2008.
