To the Shareholders

Dear Sir or Madam,

**PROPOSED GRANT OF GENERAL MANDATES
TO ALLOT AND ISSUE NEW SHARES;
REPURCHASE BY THE COMPANY OF ITS OWN SHARES;
AND PROPOSED RE-ELECTION OF DIRECTORS**

INTRODUCTION

The purpose of this circular is to give you information regarding the ordinary resolutions to repurchase Shares, to allot and issue new Shares, the re-election of Directors and to seek your approval of the resolutions in relation thereto to be proposed at the Annual General Meeting.

* For identification purpose only

LETTER FROM THE BOARD

Three respective ordinary resolutions will be proposed at the Annual General Meeting to enable the Directors to exercise the powers of the Company (i) to make repurchases on the Stock Exchange of the Company's fully paid up Shares representing up to a maximum of 10% of the existing issued share capital of the Company (ii) to allot and issue new Shares up to 20% of the issued share capital of the Company, and (iii) to increase the number of Shares which the Directors may issue under the general mandate by the number of Shares repurchased under the repurchase mandate. Ordinary resolutions will be proposed at the Annual General Meeting to re-elect the retired directors.

Under the Listing Rules, the Company is required to provide you with information reasonably necessary to enable you to make an informed decision as to whether to vote for or against the resolutions to be proposed at the Annual General Meeting. This circular is prepared for such purpose.

EXPLANATORY STATEMENT ON REPURCHASE MANDATE

The explanatory statement as required under the Listing Rules to provide the requisite information to you for consideration of the proposed grant of the repurchase mandate is set out below:

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summaries below. The Company is empowered by its memorandum of association of the Company and Articles and the Companies Ordinance to repurchase its own Shares.

(a) Shareholders' approval

The Listing Rules provide that all on-market shares repurchases by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval with reference to a specific transaction.

(b) Source of funds

Repurchases must be funded out of funds which are legally available for the purpose in accordance with the Company's memorandum of association of the Company and Articles and the Companies Ordinance. Any repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of the repurchase or, if authorised by the Articles and subject to the Companies Ordinance, out of capital and, in the case of any premium payable on the repurchase, out of the profits of the Company or out of the share premium account of the Company, if authorised by the Articles and subject to the Companies Ordinance.

(c) Maximum number of shares to be purchased and subsequent issues

A maximum of 10% of fully-paid issued share capital of the Company at the date of passing the relevant resolution at the Annual General Meeting may be repurchased by the Company on the Stock Exchange.

LETTER FROM THE BOARD

GENERAL MANDATES TO BE GRANTED TO DIRECTORS TO MAKE ON-MARKET REPURCHASES OF SHARES AND TO ALLOT AND ISSUE NEW SHARES

At the 2007 annual general meeting of the Company held on 3rd June, 2008, the Directors were granted a general mandate to allot, issue and deal with Shares in the capital of the Company and a general mandate to repurchase Shares on the Stock Exchange. These mandates will expire at the conclusion of the forthcoming Annual General Meeting. To facilitate future allotment and issue of Shares by the Directors on behalf of the Company, the Directors will seek the approval of the Shareholders for the grant of the general mandate and the repurchase mandate as provided under resolutions 5(A) to 5(C) in the notice of the Annual General Meeting.

Ordinary resolution 5(A) contained in the notice of the Annual General Meeting relates to the granting of a general mandate to the Directors to allot and issue new Shares up to a maximum of 20% of the issued share capital of the Company at the date of passing of the resolution. The authority conferred on the Directors by this mandate will continue in force until the conclusion of the next annual general meeting of the Company, or any earlier date as referred to in paragraph (d) of the ordinary resolution 5(A). In addition, subject to the approval by the Shareholders of the ordinary resolution 5(C) contained in the notice of the Annual General Meeting, the number of Shares purchased by the Company under the repurchase mandate will also be added to the 20% general mandate as mentioned above. The Directors have no immediate plan to allot and issue any new Shares other than such Shares which may fall to be issued upon the exercise of any options granted under the Share Option Scheme.

Ordinary resolution 5(B) contained in the notice of the Annual General Meeting relates to the granting of a buy back mandate to the Directors to repurchase, on the Stock Exchange, Shares of the company up to a maximum of 10% of the issued share capital of the Company as at the date of the passing of the resolution. The authority conferred on the Directors by this mandate will continue in force until the conclusion of the next annual general meeting of the Company, or any earlier date as referred to in paragraph (c) of ordinary resolution 5(B).

Ordinary resolution 5(C) contained in the notice of the Annual General Meeting relates to the extension of the general mandate to be granted to the Directors to allot and issue new Shares during the relevant period by adding to it the aggregate nominal amount of Shares (if any) purchased under the repurchase mandate. The authority conferred on the Directors by this mandate will continue in force until the conclusion of the next annual general meeting of the Company, or any earlier date as referred to in paragraph (d) of ordinary resolution 5(A).

REASONS FOR SHARE REPURCHASES

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the repurchase mandate would be in the best interests of the Company and its Shareholders. At any time in the future when Shares are trading at a discount to their underlying value, the ability of the Company to repurchase Shares will be beneficial to those Shareholders who retain their investment in the Company since their attributable percentage interest in the Shares of the company would increase in proportion to the number of Shares repurchased by the Company. The Directors will only make such repurchases in circumstances where they consider to be beneficial to the Company and its Shareholders.

LETTER FROM THE BOARD

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,989,800,000 Shares.

Subject to the passing of ordinary resolution 5(B), the Company would be allowed under the repurchase mandate to repurchase a maximum of 398,980,000 Shares, i.e. 10% of the total issued shares as at the date of passing of the resolutions, on the basis that no Shares would be issued or repurchased prior to the date of the Annual General Meeting.

Subject to the passing of ordinary resolution 5(A), the Company would be allowed under the mandate to issue a maximum of 797,960,000 Shares, i.e. 20% of the total issued shares as at the date of passing of the resolutions, on the basis that no Shares would be issued or repurchased prior to the date of the Annual General Meeting.

FUNDING OF REPURCHASES

The Directors propose that repurchases of Shares under the repurchase mandate in these circumstances would be financed from the Company's internal resources or working capital facilities.

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association of the Company, Articles and the applicable laws of the Cayman Islands.

Taking into account the current working capital position of the Company, there may be a material adverse impact on the working capital or gearing position of the Company in the event that the repurchase mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the repurchase mandate to such extent that would have a material adverse impact on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases under the repurchase mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

If as a result of a share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer for Shares under Rule 26 of the Takeovers Code.

LETTER FROM THE BOARD

Save as disclose above, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as a result of any purchase made under the repurchase mandate.

The Directors do not propose or intend to repurchase shares which could result in mandatory offer under the Takeovers Code and less than the prescribed minimum percentage of shares held in public hands (i.e. 25%). The Stock Exchange has stated that if less than 25% of the issued share capital of the Company are held in the public hands, or if the Stock Exchange believes that a false market exists or may exist in the trading of the shares or that there are insufficient shares held in the public hands to maintain an orderly market, it will consider exercising its discretion to suspend the dealing in the shares.

None of the Directors, to the best of their knowledge having made all reasonable enquiries, or any of their respective associates, presently intends to sell Shares to the Company in the event that the repurchase mandate is approved by the Shareholders.

The Company has not been notified by any connected persons of the Company that they have a present intention to sell any Shares, nor they have undertaken not to sell any Shares held by them to the Company in the event that the repurchase mandate is approved by the Shareholders.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors have presently no intention to issue new Shares for the Company. The Directors believe that an exercise of the general mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The repurchase mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases of Shares will benefit the Company and the Shareholders.

An exercise of the repurchase mandate in full could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31st December, 2008, being the date of its latest audited consolidated accounts. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

The Directors believe that the general mandate to issue Shares and the repurchase mandate are beneficial to the Company and the Shareholders as a whole and accordingly recommend that all Shareholders should vote in favour of ordinary resolutions 5(A), 5(B) and 5(C) to be proposed at the Annual General Meeting.

The ordinary resolution in relation to the re-election of directors is proposed for the purpose of complying with the Articles. Accordingly, the Directors recommend Shareholders to vote in favor of the ordinary resolutions.

DOCUMENTS AVAILABLE FOR INSPECTION

Copies of the memorandum of the Company and the Articles will be available for inspection at the head office and principal place of business in Hong Kong of the Company at Room 1201-03, 12/F, Shui On Centre, 6-8 Harbour Road, Wanchai, Hong Kong during normal business hours on any business day from the date hereof up to and including the date of the Annual General Meeting.

GENERAL INFORMATION

All the resolutions proposed to be approved at the Annual General Meeting will be taken by poll and an announcement will be made by the Company after the Annual General Meeting on the results of the Annual General Meeting.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,
By order of the Board
