This announcement is made by Asia Coal Limited (the "Company", and together with its subsidiaries, the "Group") pursuant to the Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules").

Based on preliminary review by the Company's management on the management accounts of the Group, the board of directors of the Company (the "Board") wishes to inform the shareholders of the Company and potential investors that it is expected that the net loss of the Group for its six-month period ended 30 September 2009 is expected to increase significantly as compared with the loss recorded by the Group for the corresponding period in 2008. The Board considers that such expected increase in the net loss of the Group for its six-month period ended 30 September 2009 was mainly due to (i) the increase of the Group's administrative expenses for its businesses; (ii) the interest expenses incurred on the convertible bond issued by the Company in 2008; and (iii) the record of the gain on disposal of subsidiaries of approximately HK\$10.5 million in the interim results of the Group for its six-month period ended 30 September 2008.

This profit warning announcement is only based on the preliminary review on the management accounts of the Group, which has not been confirmed nor audited by the Company's auditors.

The Company is in the process of finalizing the interim results of the Group for its six-month period ended 30 September 2009. The interim results announcement of the Group for its six-month period ended 30 September 2009 is expected to be announced before the end of December 2009.

Shareholders of the Company and public investors are advised to exercise caution when dealing in the shares in the Company.
