LETTER OF ADVICE FROM ASIAVEST

ASIA VEST PARTNERS

AsiaVest Partners Limited

8th March, 2010

*To the Upbest Independent Board Committee and
the Upbest Independent Shareholders*

Dear Sirs,

CONTINUING CONNECTED TRANSACTIONS

INTRODUCTION

We refer to our appointment as the independent financial adviser to advise the Upbest Independent Board Committee and the Upbest Independent Shareholders in respect of the terms of the Continuing Connected Transactions, details of which are contained in the Letter from the Board (the “Letter”) in the circular dated 8th March, 2010 (the “Circular”), of which this letter forms part. Terms used in this letter shall have the same respective meanings as defined in the Circular unless the context requires otherwise.

On 11th February 2010, the Upbest Board announced that various members of the Upbest Group and the UBA Group have entered into the Supplemental Agreements to extend the engagement of the Upbest Group to provide, among others, (i) assets management services, and (ii) securities and precious metals margin financing service.

As at the date of the Announcement, CCAA holds approximately 73.65% interest in Upbest. Fung Fai holds approximately 32.08% of UBA. The ultimate beneficial owner of CCAA and Fung Fai is Cheng’s Family Trust. Interested beneficiaries of the Cheng’s Family Trust include Mr. Cheng, a former director, Ms. Cheng and Mr. Andrew Cheng and each of Ms. Cheng and Mr. Andrew Cheng is a director of Upbest. Mr. Andrew Cheng is also a director of UBA. Moreover, UAML, the investment manager of UBA, is regarded as a connected person of UBA under Rule 21.13 of the Listing Rules. Therefore, the entering into of the Supplemental Agreements constitutes continuing connected transactions on the part of both the Upbest Group and the UBA Group under Chapter 14A of the Listing Rules. Since the annual caps of the (i) Financial Assistance provided by Upbest Group to UBA Group and (ii) Management Fee plus Performance Fee payable by UBA Group to Upbest Group will exceed HK\$10 million in respect of each of the proposed annual caps, according to Rules 14A.35 of the Listing Rules, such transactions are subject to the approval by the Upbest Independent Shareholders and UBA Independent Shareholders at Upbest EGM and UBA EGM respectively. CCAA and its associates will abstain from voting in Upbest EGM to be convened for the approval of, inter alia, the Continuing Connected Transaction and the relevant cap amounts.

We have been retained by the Company to advise the Upbest Independent Board Committee and the Upbest Independent Shareholders as to the terms of the Supplemental Agreements and the relevant cap amounts in respect of the Continuing Connected Transactions and how the Upbest Independent Shareholders should vote in respect of the relevant resolutions to approve the Supplemental Agreements and the relevant cap amounts at the Upbest EGM.

LETTER OF ADVICE FROM ASIAVEST

The Upbest Independent Board Committee comprising two independent non-executive Directors having no material interest in these transactions, namely Mr. PANG Cheung Hing, Alex and Mr. FUK Ho Kai, has been established for the purpose of advising the Upbest Independent Shareholders on the terms of the Continuing Connected Transactions and the relevant cap amounts.

BASIS OF OPINION

In formulating our advice and recommendation to the Upbest Independent Board Committee and the Upbest Independent Shareholders, we have relied on the statements, information, opinions and representations contained or referred to in the Circular and the information and representations as provided to us by the Directors and senior management of the Company. We have assumed that all information and representations that have been provided by the Directors and senior management of the Company, for which they are solely and wholly responsible, are true, complete and accurate in all material respects at the time when they were made and continue to be so as at the date of the despatch of the Circular. We have also assumed that all statements of belief, opinion, expectation and intention made by the Directors in the Circular are reasonably made after due enquiries and careful considerations.

We have no reason to suspect that any material facts or information have been withheld or to doubt the truth, accuracy and completeness of the information and facts contained in the Circular, or the reasonableness of the opinions expressed by the Company, its advisers and/or Directors, which have been provided to us.

The Directors have jointly and severally accepted full responsibility for the accuracy of the information contained in the Circular and have confirmed, having made all reasonable enquires, which to the best of their knowledge and belief, there are no other facts the omission of which would make any statement in the Circular misleading. We consider that we have been provided sufficient information to reach an informed view and to provide a reasonable basis for our recommendation. We have not, however, conducted any independent in-depth investigation into the business and affairs of the Company, or their respective subsidiaries or associates, nor have we considered the taxation implication on the Upbest Group or the Upbest Shareholders as a result of the Continuing Connected Transactions.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In formulating our opinion and recommendation to the Upbest Independent Board Committee and the Upbest Independent Shareholders, we have taken into consideration, inter alia, the following principal factors and reasons. Our conclusions are based on the results of all analysis taken as a whole.

1. Background and reasons for the Continuing Connected Transactions

The principal activity of the Upbest Group are securities broking, futures broking, securities margin financing, money lending, corporate finance advisory, asset management, and precious metal trading and property investment.

LETTER OF ADVICE FROM ASIAVEST

As set out in the Letter, Upbest Group has been providing assets management services to UBA Group since December 2000. Upbest Group also provides securities margin financing services since the commencement of business of UBA Group in year 2000. Upbest Group also provides the securities brokerage services since the commencement of business of UBA Group and precious metal dealing service since year 2007. The Directors consider UBA as a client of good credit standing.

In view of the long term business relationship and the good performance of UBA during the past financial years, the Upbest Board considers the entering into of the supplemental agreement in relation to securities and precious margin financing services and the Investment Management Agreements will benefit Upbest and its Shareholders as a whole.

We are of the opinion that the Continuing Connected Transactions are conducted in the ordinary and usual course of business of the Upbest Group and considering the long term relationship with and good credit standing of UBA, we concur with the Upbest Board that the entering into of the supplemental agreement in relation to securities and precious margin financing services and the Investment Management Agreements will benefit Upbest and its Shareholders as a whole.

2. Principal terms of the Financial Assistance

(a) Provision of securities margin financing service

Each of UBA, UBA Financial and Super Idea first entered into an agreement separately with UICL respectively on 15th November, 2002, 13th March, 2003 and 22nd June, 1999 (as supplemented by the supplemental agreements dated 2nd May, 2008 as disclosed in the announcement dated 2nd May, 2008) in respect of the provision of (i) securities margin financing services by UICL to the UBA Group at an interest rate of 4.25% above prime rate per annum, and (ii) IPO financing at an interest rate with a spread over the borrowing costs of UICL.

On 11th February, 2010, each of UBA, UBA Financial and Super Idea had separately entered into the Financial Assistance Supplemental Agreements with UICL in relation to the provision of securities margin financing services by UICL to UBA Group. According to the supplemental agreements, UICL and each of UBA, UBA Financial and Super Idea agreed that the respective relevant original agreement will be extended for a period commencing from 1st April, 2010 to 31st March, 2013 and is subject to renewal by written supplemental agreements between the contract parties. Save as disclosed above, the relevant original agreements regarding the securities margin financing services shall in all respects remain and continue in full force and effect.

(b) Provision of precious metal margin financing service

UBA Gold first entered into an agreement with UGL on 22nd February, 2007 (as supplemented by the supplemental agreement dated 2nd May, 2008 as disclosed in the announcement dated 2nd May, 2008) in respect of the provision of precious metal margin financing services by UGL to the UBA Gold.

LETTER OF ADVICE FROM ASIAVEST

On 11th February, 2010, UGL had entered into a Financial Assistance Supplemental Agreement with UBA Gold in relation to the provision of precious metal margin financing service by UGL to UBA Gold. According to the Financial Assistance Supplemental Agreement, UGL and UBA Gold agreed that the relevant original agreement will be extended for a period commencing from 1st April, 2010 to 31st March, 2013 and is subject to renewal by written supplemental agreement between the contract parties. The supplemental agreement also provided that the interest rate for the precious metal margin financing service will be from the range of 0.5% to 1% per annum above the borrowing costs of UGL. Save as disclosed above, the relevant original agreement regarding the precious metal margin financing service shall in all respects remain and continue in full force and effect.

(c) Our works and analysis

To assess whether the terms of the Financial Assistance Supplemental Agreements are fair and reasonable, we have discussed with the management of the Upbest Group, reviewed the Financial Assistance Supplemental Agreements (together with the original financial assistance agreements and relevant supplemental agreements) and reviewed other margin financing agreements with independent clients of the Company. We note that the terms and conditions of the Financial Assistance Supplemental Agreements are no more favourable than that of other independent clients of the Upbest Group. We have also reviewed some of the documents in relation to the margin financing agreements entered into between the Upbest Group and other independent clients and note that the facilities provided under the Financial Assistance Supplemental Agreements are on normal commercial terms and at commercial rates which are similar to that offered to other independent clients. We have also reviewed the existing internal policies and procedures of the Company in relation to granting of facilities to its clients (including UBA). We understand that the grant of facilities to all clients (including UBA) is based on internal credit assessment of the clients with reference to their repayment records, volume of the trading activities, underlying securities and availability of collateral. The Directors have confirmed that there is no preferential treatment towards UBA in relation to granting of facilities as compared with other independent clients of the Upbest Group.

Taking into account the aforesaid factors, we are of the view that the terms of the Financial Assistance Supplemental Agreements are fair and reasonable so far as the Upbest Independent Shareholders are concerned and in the interests of the Company and the Shareholders as a whole.

LETTER OF ADVICE FROM ASIAVEST

3. Proposed annual cap amount for the securities and precious metal margin financing services

(a) *Proposed annual cap amount*

The maximum amounts of financing assistance by Upbest Group to UBA Group during each of the three years ended 31st March, 2007, 31st March, 2008, 31st March, 2009 and the ten months ended 31st January, 2010 are shown below:

Max. amount	Year ended 31st March,		Period ended 31st January	
	2007	2008	2009	2010
	HK\$	HK\$	HK\$	HK\$
Securities and precious metal margin financing	17,906,303	18,101,230	5,198,061	6,011,467
Initial public offer financing	143,726,306	119,453,643	0	54,935,965
Total	<u>161,632,609</u>	<u>137,554,873</u>	<u>5,198,061</u>	<u>60,947,432</u>

It is stated in the Letter that based on the above maximum amounts of margin loans during the period from 1st April, 2007 to 31st January, 2010, the Upbest Board proposed that the annual cap for the Financial Assistance for each of the Financial Year up to 31st March, 2013 should be set at HK\$150,000,000 per annum.

(b) *Our Analysis*

The transaction volume of margin loan and IPO financing depends very much on the overall stock market sentiment and the volume of the stock trading in the market. Based on the performance and volume of stock market and IPO activities in recent years, we understand that the maximum amounts of margin loans and IPO financing as stated above is largely in line with the trend of the capital market. We also consider that although the proposed annual cap of HK\$150,000,000 is well above the latest maximum amount of margin loans and IPO financing, it actually provides a reasonable buffer to cater for the market upturn, allowing the Upbest Group to benefit from any potential opportunities to strengthen its performance. Based on the above, we concur with the Directors that the proposed annual cap of HK\$150,000,000 for Financial Assistance for the year ending 31st March, 2011, 2012 and 2013 is fair and reasonable.

LETTER OF ADVICE FROM ASIAVEST

4. The Third Supplemental Investment Management Agreement

(a) *The original Investment Management Agreement and the Third Supplemental Investment Management Agreement*

On 6th November, 2000 UAML and UBA first entered into the First Investment Management Agreement pursuant to which UAML provided assets management services to UBA for a term of three years up to 30th November, 2003.

Prior to the expiration of the First Investment Management Agreement, the same parties entered into the Second Investment Management Agreement dated 31st March, 2003 for a term of three years up to 31st March, 2006.

Upon the expiration of the Second Investment Management Agreement, the same parties again on 31st March, 2006 entered into the First Supplemental Investment Agreement for further extending the term of the Second Investment Management Agreement for another 3 years to 31st March, 2009.

UAML and UBA have on 2nd May, 2008 entered the Second Supplemental Investment Management Agreement whereby (i) the term of the Second Investment Management Agreement will be extended to 31st March, 2010; and (ii) in addition to the Management Fee, the Performance Fee payable in Hong Kong dollars equivalent to 20% of net profit of UBA Group before taxation and before deduction of the Management Fee payable under the Investment Management Agreements shall be paid to UAML for each Financial Year.

As consideration for UAML's provisions of assets management services to UBA pursuant to the Investment Management Agreements, UAML is entitled to the Management Fee, which amounts to 1.5 per cent per annum of the net asset value of UBA Group as at the immediately preceding Valuation Date on the basis of the actual number of days in the relevant calendar month over a year of 365 days.

UAML and UBA have on 11th February, 2010 entered the Third Supplemental Investment Management Agreement whereby the term of the Second Investment Management Agreement will be extended for a period commencing from 1st April, 2010 to 31st March, 2013. Save and except as amended by the Third Supplemental Investment Management Agreement dated 11th February, 2010, the Second Investment Management Agreement, as extended by the Second Supplemental Investment Management Agreement, will remain in full force and effect.

(b) *Our works and analysis*

To assess the fairness and reasonableness of the fee structures under the Investment Management Agreements and the Third Supplemental Investment Management Agreement and we have reviewed the fee structures of other investment companies listed under Chapter 21 of the Listing Rules whose principal activities include investments in both listed and unlisted shares, being similar to the UBA Group.

LETTER OF ADVICE FROM ASIAVEST

To the best of our knowledge, we have identified 18 investment companies (including the UBA) listed on the Stock Exchange under Chapter 21 of the Listing Rules. All of aforesaid investment companies have engaged investment managers to advise them, among others, on investment related matters and/or to identify and manage investments for them. Therefore, it can be seen that it is common industry practice for investment companies listed on the Stock Exchange under Chapter 21 of the Listing Rules to appoint professional investment managers to assist them in managing and monitoring their investments and to advise them on related matters. A summary is as follows:

Company name (Stock Code)	Management fee	Performance fee
Harmony Asset Limited (428)	1.5% per annum (based on a 360-day year) of the net asset value of the Company	10% of the audited net profit of the Company in the financial year before the accrual of the incentive fee

LETTER OF ADVICE FROM ASIAVEST

Company name (Stock Code)	Management fee	Performance fee
Opes Asia Development Limited (810)	Fixed fee at HK\$360,000 per annum	Nil
Radford Capital Investment Limited (901)	Fixed fee at HK\$40,000 per month	Nil
UBA Investments Limited (768)	1.5% per annum of the net asset value of UBA Group as at the immediately preceding Valuation Date	20% of net profit of UBA Group before taxation and before deduction of the Management Fee for each Financial Year

(a) The Management Fee

The management fee represents the remuneration to UAML in providing investment advice to UBA. The Management Fee is calculated at 1.5% per annum on the net asset value of UBA Group as at the immediately preceding Valuation Date on the basis of the actual number of days in the relevant calendar month over a year of 365 days.

From the table above, we note that the determination of the management fee is largely based on the net asset value of the investment companies except for a few of the investment companies whose management fee is based on a fixed fee per annum. The basis of Management Fee by reference to the net asset value is in line with the market comparables. In addition, management fee is normally calculated by reference to the size of the assets portfolio managed by an investment manager, as the larger the investment portfolio is, the more the management work will be. Given the nature of the management fee, we consider the determination of the Management Fee as a percentage of the net asset value of the UBA Group, which is in line with the market comparables, is fair and reasonable.

We also note that, in respect of the market comparables with the same basis of determination for the management fees, the fees range between 1.0% and 2.0% per annum of the net asset value of the investment companies. The Management Fee, which amounts to 1.5% per annum of the net asset value of the UBA Group, is within the range of the market comparables and therefore in line with the market. Based on the above, we are of the view that, in addition to the fee structure, the rate of the Management Fee is also fair and reasonable.

LETTER OF ADVICE FROM ASIAVEST

(b) The Performance Fee

The Performance Fee represents an incentive bonus to the investment manager for its contribution to the financial performance of its client.

From the table above, we note that the basis of determination of incentive fee/performance fee of the market comparables varies, with calculations either by reference to profit or net asset value. We are of the view that whether the performance fee measuring against an improvement in net asset value or against audited profit is in either way acceptable because both calculations are able to reflect the growth in shareholders' value and accordingly the contribution of the investment manager. Thus, we consider that the Performance Fee under the Second Supplemental Investment Management Agreement, which is based on audited profit of UBA Group, is in line with the market. Based on the above, we concur with the Directors that the fee structure of the Performance Fee is fair and reasonable.

We also note that, in respect of the market comparables with same basis of determination for the Performance Fee, the fees range between 10% and 20% of the audited profit before tax of the investment companies. The Performance Fee, which is equivalent to 20% of net profit of the UBA Group, is within the range and therefore in line with the market. Based on the above, we are of the view that, in addition to the fee structure, the rate of the Performance Fee itself is also fair and reasonable.

5. Proposed annual cap amount for Management and Performance Fee

(a) *Proposed annual cap amount*

Annual cap amount	Year ended 31st March,		
	2011	2012	2013
	HK\$	HK\$	HK\$
Management and Performance Fee	11,148,000	13,378,000	16,054,000

The proposed annual caps for Management Fee and Performance Fee are determined by reference to an annualized Management Fee and Performance Fee based on the interim result of 2009 with an estimated annual growth rate of 20%, which both the Upbest Board and UBA Broad consider to be reasonable.

LETTER OF ADVICE FROM ASIAVEST

(b) *Our works and analysis*

In determining whether the proposed annual caps amount for the Management Fee and Performance Fee are fair or reasonable, we have obtained and reviewed the calculation of Management Fee and Performance Fee as prepared by the management of the Upbest Group which is prepared based on the interim result of UBA Group as follows:

	Interim result as at 30 September 2009	Annualized result for the year ending 31 March 2010
Profits before taxation and Management Fee	19,266,687	38,533,374
Performance Fee thereon	3,853,337	7,706,675
Management Fee	791,767	1,583,534
Annualized Performance and Management Fees		9,290,209

Based on an annual growth rate of 20%, the proposed cap amounts for Performance and Management Fees are calculated as follows:

2011	11,148,251
2012	13,377,901
2013	16,053,481

Observing the high volatility of the Hang Seng Index during the past two years, we believe that the estimated growth rate of 20% is a prudent and reasonable rate for the purpose of calculating the annual cap amounts.

In light of the fact that (i) the basis is made with reference to the latest net asset value and net profits figure of UBA Group and with a buffer to cater for any unanticipated growth of the UBA Group; and (ii) the basis is based on the agreed terms for the Management Fee and the Performance Fee as set out in the Third Supplemental Investment Management Agreement, we are of the view that the basis for determining the cap for the Management Fee and Performance Fee is fair and reasonable so far as the Upbest Independent Shareholders are concerned.

LETTER OF ADVICE FROM ASIAVEST

RECOMMENDATION

Taking into consideration of the above principal factors and reasons, we are of the view that the terms of the Financial Assistance Supplemental Agreements and the Third Supplemental Investment Management Agreement are on normal commercial terms and the transactions contemplated thereunder are conducted in the ordinary and usual course of business of the Upbest Group.

Further, we are of the view that the Financial Assistance Supplemental Agreements, the Third Supplemental Investment Management Agreement and the respective proposed annual caps are fair and reasonable so far as the Upbest Independent Shareholders are concerned and in the interests of the Company and its Shareholders as a whole.

Accordingly, we recommend the Upbest Independent Board Committee to advise the Upbest Independent Shareholders to vote in favour of the ordinary resolutions to be proposed at the Upbest EGM.

Yours faithfully,
