### **PROFIT WARNING**

This announcement is made by CT Holdings (International) Limited (the “Company” and together with its subsidiaries, the “Group”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that there was an increase in turnover of the Group for the six months ended 30 June 2010. However, the Company is expected to record a significant decrease in net profit for the six months ended 30 June 2010 as compared to the results for the same period of 2009. Based on the information currently available, such decrease in profit was mainly attributable to the upsurge in cost of raw materials and direct manufacturing costs resulting in a fall in gross profit, and an increase in freight and transportation cost.

The information contained in this announcement is based on the preliminary review on the management accounts of the Group, which are subject to finalization and review by the Company’s auditors. The full interim results of the Group for the six months ended 30 June 2010 are expected to be released by the end of August 2010.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
