**PROFIT WARNING
FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2010**

The Board wishes to inform the shareholders of the Company and potential investors that the unaudited net profit of the Group for the nine months ended 30 September 2010 is expected to be lower than that of the corresponding period of last year.

Shareholders of the Company and potential investors are advised to exercise caution in dealing in shares of the Company.

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The Board of Directors (“**the Board**”) of China Kangda Food Company Limited (the “**Company**” or together with its subsidiaries as the “**Group**”) would like to announce that following a preliminary assessment of the unaudited financial results for the nine months ended 30 September 2010, it is expected that the Group will report a lower unaudited net profit for the nine months ended 30 September 2010 compared to the corresponding period of last year.

The expected decline in the unaudited net profit of the Group is mainly attributable to:

1. the increase in the operating cost, including labour costs in the People’s Republic of China (“PRC”) and raw materials; and
2. excess supply of chicken meat products to the PRC domestic market resulting from keen competition.

The Company is still in the process of finalizing the unaudited results of the Group for the nine months ended 30 September 2010. The information contained in this announcement is only a preliminary assessment made by the Company based on information currently

available to the Company. The Company will provide details of its financial performance when it announces the financial results for the nine months ended 30 September 2010.

Shareholders of the Company and potential investors are advised to exercise caution in dealing in shares of the Company.

By order of the Board
