The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company and potential investors that the results of the Company and its subsidiaries (the “Group”) for the six months ended 30 September 2010 are expected to record a loss as compared with a profit for the corresponding period in 2009. The information contained in this announcement is only based on a preliminary assessment by the management of the Company according to the consolidated management accounts of the Group which have not yet been reviewed by the auditor of the Company.
