The Warrant Placing is conditional upon several conditions as set out in the paragraph headed "Conditions of the Warrant Placing" in the section headed "The Warrant Placing Agreement" in this announcement.

The Warrant Shares will be issued under the General Mandate. The Warrant Placing is conditional upon (i) (if required) the Listing Committee of the Stock Exchange shall have approved the issue of the Warrants (I), Warrants (II) and Warrants (III) either unconditionally or subject to conditions to which neither the Company nor the Warrant Placees shall reasonably object and the satisfaction of such conditions; (ii) the Listing Committee of the Stock Exchange granting approval for the listing of, and permission to deal in, the Warrant Shares; and (iii) all necessary consents and approvals to be obtained on the part of Placing Agent and the Company in respect of the Warrant Placing Agreement and the transactions contemplated thereunder having been obtained.

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Warrant Shares which may fall to be allotted and issued upon exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and the Warrants (III). No listing of the Warrants (I), Warrants (II) or the Warrants (III) will be sought on the Stock Exchange or any other stock exchanges.

The net proceeds of approximately HK\$84.5 million (with an average net subscription price of approximately HK\$1.69 per Warrant Share) will be used for general working capital of the Group.

## **Voting rights for the holders of the Warrants**

The holder of the Warrants (I), Warrants (II) or Warrants (III) will not have any right to attend or vote at any meeting of the Company by virtue of them being holders of the Warrants (I), Warrants (II) or Warrants (III). The holder of the Warrants (I), Warrants (II) or Warrants (III) shall not have the right to participate in any distributions and/or offers of further securities made by the Company.

## **Rights of the holders of the Warrants (I), Warrants (II) and Warrants (III) on the liquidation of the Company**

If the Company is wound up during the subscription period of the Warrants (I), Warrants (II) or Warrants (III), all subscription rights attaching to the Warrants (I), Warrants (II) or Warrants (III) which have not been exercised shall lapse, save for in the event of a voluntary winding-up, the holders of the Warrants (I), Warrants (II) or Warrants (III) shall be entitled within six weeks after the passing of such a resolution approving the winding-up to exercise the subscription rights attaching to the Warrants (I), Warrants (II) or Warrants (III) in accordance with the terms and conditions of the Warrants (I), Warrants (II) and Warrants (III) respectively.

## **General Mandate to issue the Warrant Shares**

The issue of the Warrant Shares upon exercise of the subscription rights attaching to the Warrants (I), Warrants (II) or Warrants (III) is not subject to Shareholder's approval.

The Warrant Shares will be allotted and issued under the General Mandate granted to the Directors pursuant to the written resolution of the sole Shareholder passed on 23 June 2010 subject to the limit of 80,000,000 Shares (representing approximately 20% of the issued share capital of the Company as at 13 July 2010, which being the day on which the Shares first began trading on the Stock Exchange). Immediately before the date of the Warrant Placing Agreement, the General Mandate has not been utilized. The 50,000,000 Warrant Shares, to be allotted and issued upon full exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and Warrants (III), will utilise about 62.50% of the General Mandate.

## **Application for listing**

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Warrant Shares which may fall to be allotted and issued upon exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and Warrants (III). No listing of the Warrants (I), Warrants (II) or Warrants (III) will be sought on the Stock Exchange or any other stock exchanges.

## **REASONS FOR THE WARRANT PLACING**

The Group is principally engaged in the insurance and Mandatory Provident Fund schemes brokerage business.

The Board considers that the Warrant Placing represents good opportunities to raise additional funds for the Company while broadening the Shareholder and capital base of the

Company. In addition, the Warrants (I), Warrants (II) and the Warrants (III) are not interest bearing and the Warrant Placing will not be resulted in any immediate dilution effect on the shareholding of the existing Shareholders. In addition to the net proceeds that will be raised upon completion of the Warrant Placing, further capital will be raised upon the exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and the Warrants (III) by the holder thereof during the subscription period.

In view of the immediate inflow of approximately HK\$0.70 million upon completion of the Warrant Placing, coupled with the potential inflow of further capital upon the exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and the Warrants (III), the Directors are of the view that the Warrant Placing provides a good opportunity to strengthen the Company's financial position. And in the event the Warrant Placees fully exercise their subscription rights attaching to the Warrants (I), Warrants (II) and the Warrants (III), further funds of HK\$85 million will be received to cater for future needs for its general working capital.

In view of the above, the Board considers that the terms of the Warrant Placing are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **USE OF PROCEEDS**

It is expected the aggregated net proceeds of approximately HK\$0.70 million (with a net issue price of approximately HK\$0.014 per Warrant (I), Warrant (II) or Warrant (III)) will be raised by the Warrant Placing and the same will be utilised by the Group as general working capital of the Group.

Assuming the full exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and Warrants (III), it is expected approximately HK\$85 million will be raised. The net proceeds of approximately HK\$84.5 million (with an average net subscription price of approximately HK\$1.69 per Warrant Share) will be used for general working capital of the Group.

Other than the Warrant Shares to be issued upon the exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and Warrants (III), there are no options, warrants or other subscription rights convertible or exercisable into the issued Shares as at the date of this announcement.

## **FUND RAISING EXERCISE BY THE COMPANY IN THE PAST TWELVE MONTHS**

Save for the net proceeds of about HK\$103 million raised by the initial public offering of the Shares on the Stock Exchange as disclosed in the prospectus of the Company dated 29 June 2010 (which is intended to be used and has been partly applied to finance the Group's capital expenditure and business expansion, strengthen the capital base and improve the overall financial position of the Group in accordances with the disclosure in the prospectus), the Company has not conducted any equity fund raising activities in the past twelve months immediately preceding the date of this announcement.

## Changes in shareholding structure of the Company

Assuming there being no other changes in the share capital of the Company, the changes of the shareholding structure of the Company (i) as at the date of this announcement; and (ii) immediately upon exercise of the subscription rights attaching to the Warrants (I), Warrants (II) and Warrants (III) in full are as follows:
