This announcement is made by Universe International Holdings Limited (the “**Company**”) pursuant to Rule 13.09 (1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that based on the unaudited financial statements of the Company and its subsidiaries (collectively the “**Group**”), the Group is expected to record a significant decrease in the turnover for the six months ending 31st December 2011 as compared to the corresponding period in 2010 due to the facts that (i) certain television series and films were being produced in the first half of the financial year 2011/2012 and distribution would occur later; (ii) a film was not able to be released as scheduled; and (iii) the continued contraction of the local video distribution market. As such, the Group is expected to continue to record the unaudited loss for the six months ending 31st December 2011.

As the Company is still in the process of finalising the unaudited interim results of the Group for the six months ending 31st December 2011, the Company is presently unable to quantify precisely the extent of the losses for the period, this announcement is only a preliminary estimate performed by the management of the Company and is not based on any figures or information which has been audited or reviewed by the Company's auditors. The unaudited interim results announcement of the Group is expected to be released in February 2012 in accordance with the requirements of the Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
