7. Repurchase by the Company of its own securities

Introduction

This section contains information required by the Stock Exchange to be included in this prospectus concerning the repurchase by the Company of any of its own securities.

Listing Rules

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions. The most important restrictions contained in the Listing Rules are summarised below:

(a) *Shareholders' approval*

The Listing Rules provide that all proposed securities repurchases (which must be fully paid up in case of shares) on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, which may be by way of general mandate or by special approval in relation to a specific transaction.

Note: Pursuant to the written resolutions of all Shareholders of the Company passed on 22 June 2012, a general unconditional mandate (the "Repurchase Mandate") was granted to the Directors authorising them to exercise all powers for and on behalf of the Company to repurchase its Shares listed on the Stock Exchange or any other recognised stock exchange on which the securities of the Company may be listed and recognised by the SFC and by the Stock Exchange for this purpose, up to an aggregate nominal value not exceeding ten per cent (10%) of the aggregate nominal amount of the share capital of the Company in issue immediately following completion of the Listing and such share capital being exclusive of any Shares which may be issued and allotted under the exercise of the Over-allotment Option but without taking into account any Shares which may be allotted and issued under the exercise of the options which may be granted under the Share Option Scheme. The Repurchase Mandate shall remain in effect until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting is required by the Articles or the Companies Law or any other applicable laws to be held, or when revoked or varied by ordinary resolution of the Shareholders, whichever shall first occur.

(b) *Source of funds*

Repurchases must be funded out of funds legally available for the purpose in accordance with the Memorandum and the Articles and the applicable laws of the Cayman Islands and the Listing Rules. The Company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the Cayman Islands law, any repurchases by the Company may be made out of profits of the Company, out of the share premium account of the Company or out of proceeds of a fresh issue of shares made for the purpose of the repurchase or, if authorised by the Articles and subject to the Companies Law, out of capital and, in case of any premium payable on the repurchase, out of either of both of the profits of the Company or the Company's share premium account before or at the time the Shares are repurchased or, if authorised by the Articles and subject to the Companies Law, out of capital.

(c) *Trading restrictions*

A listed company may not issue or announce an issue of new shares of the type that has been repurchased for a period of thirty (30) days immediately following a repurchase (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. In addition, all repurchases of securities on the Stock Exchange in any calendar month are limited to a maximum of twenty-five per cent (25%) of the trading volume of such securities on the Stock Exchange in the immediately preceding calendar month. A company shall not repurchase shares on the Stock Exchange if the purchase price is higher by five per cent (5%) or more than the average closing market price for the five preceding trading days. The Listing Rules also prohibit a listed company from repurchasing its securities on the Stock Exchange if the repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange.

(d) *Status of repurchased shares*

The Listing Rules provide that all repurchased securities shall be automatically delisted upon repurchase irrespective of whether or not such repurchase takes place on the Stock Exchange, and that the relevant share certificates must be cancelled and destroyed.

Note: Under the Cayman Islands law, unless prior to the repurchase, the directors of a company resolve to hold the shares repurchased by the company as treasury shares, the company's repurchased shares will be treated as cancelled.

(e) *Suspension of repurchases*

The Listing Rules require any share repurchase programme to be suspended after the Directors have made any decision in respect of a price sensitive development until the price sensitive information has been made publicly available. In addition, the Stock Exchange reserves the right to suspend share repurchases on the Stock Exchange if a company has breached the Listing Rules. A company may not repurchase securities on the Stock Exchange, unless the circumstances are exceptional, during the period of one (1) month immediately preceding the earlier of (i) the date of the board meeting for the approval of the company's results for any year, half-year, quarterly or any other interim period and (ii) the deadline for the company to publish an announcement of its results for any year or half-year or quarterly or any other interim period, and ending on the date of the result announcements.

(f) *Reporting requirements*

Under the Listing Rules, share repurchases on the Stock Exchange or otherwise must be submitted for publication to the Stock Exchange not later than thirty (30) minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the business day following any day on which the company makes a purchase of shares. In

addition, the company is required to disclose details regarding share repurchases made during the year, including the number of shares repurchased and the aggregate prices paid, in its annual report.

(g) *Connected parties*

The Listing Rules prohibit a company from knowingly repurchasing securities on the Stock Exchange from a connected person, which includes a director, chief executive or substantial shareholders of the Company and its subsidiaries or an associate of any of them and a connected person shall not knowingly sell his securities to the Company.

Exercise of the Repurchase Mandate

Exercise in full of the Repurchase Mandate, on the basis of 800,000,000 Shares in issue immediately after completion of the Global Offering and Capitalisation Issue but without taking into account any Shares which may be issued and allotted under the exercise of the Over-allotment Option and options which may be granted under the Share Option Scheme, the Directors would be authorised under the Repurchase mandate to repurchase up to 80,000,000 Shares during the course of the period in which the Repurchase Mandate remains in force.

Reasons for repurchases

The Directors believe that it is in the best interests of the Company and the Shareholders for the directors to have a general authority from Shareholders to enable the Directors act on behalf of the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share of the Company and/or its earnings per Share and such repurchases will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

Funding of repurchases

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the applicable laws of Hong Kong (including the Listing Rules) and the Cayman Islands.

On the basis of the combined net tangible assets of the Group as at 31 December 2011, and taking into account the estimated net proceeds of the Global Offering and the current working capital position of the Group, the Directors consider that there may be material adverse effect on the working capital requirements and gearing position of the Group in the event that the Repurchase Mandate was to be exercised in full during the period before the Repurchase Mandate expires. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

General

None of the Directors and their associates (as defined in the Listing Rules), or to the best of their knowledge having made all reasonable enquires, has any present intention to sell any Shares to the Company or its subsidiaries if the Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles, the Listing Rules and the applicable laws and regulations from time to time in force in of the Cayman Islands.

If, as the result of a share repurchase, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert (as defined in the Takeovers Code), could, depending on the level of increase of its/his/her or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase.

If the Over-allotment Option is exercised in full, the shareholding of Zhan Rui in the Company will decrease from 51% to 49.16%, thus the decrease of issued Shares on exercise in full of the Repurchase Mandate will cause the percentage shareholding of Zhan Rui to increase by more than 2% from 49.16% to 54.40%. Accordingly, Zhan Rui will become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of a repurchase of Shares if the Repurchase Mandate is exercised in full.

Save as disclosed above, the Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any repurchase of Shares if such repurchase is made immediately after the listing of the Shares pursuant to the Repurchase Mandate.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of shares which are in the hands of the public falling below twenty-five per cent (25%) of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

No connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

The Company, by resolution in general meetings, or the Board may at any time terminate the operation of the Share Option Scheme and in such event no further option will be offered but the provisions of the Share Option Scheme shall remain in full force and effect in all other respects. Subject to the aforesaid, the Share Option Scheme shall be valid and effective for a period of ten (10) years commencing from the adoption of the Share Option Scheme, after which no further options will be granted but the provisions of the Share Option Scheme shall remain in full force and effect in all other respects.

4. Subscription Price

The subscription price for the Shares under the Share Option Scheme will be a price determined by the Board in its absolute discretion at the time of the grant of the relevant option and notified to each grantee but in any case will not be less than the higher of (a) the closing price of the Shares as stated in the Stock Exchange’s daily quotations sheet on the date of grant, which must be a trading day; (b) the average closing price of the Shares as stated in the Stock Exchange’s daily quotations sheets for the five (5) trading days immediately preceding the date of grant; or (c) the nominal value of a Share, provided that for the purpose of calculating the subscription price, where the Company has been listed for less than five (5) trading days, the issue price under the Global Offering shall be used as the closing price for any trading day falling within the period before listing. In the event of fractional prices, the subscription price per Share shall be rounded upwards to the nearest whole cent. Options lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of the Company under which such options are granted, as the case may be, shall not be counted for the purpose of calculating whether the Scheme Mandate Limit has been exceeded.
- (b) The Company may seek approval of the Shareholders in general meetings to renew the Scheme Mandate Limit provided that the Scheme Mandate Limit so renewed must not exceed ten per cent (10%) of the issued share capital of the Company at the date of the approval of the renewal by the Shareholders. Upon any such renewal, all options granted under the Share Option Scheme and any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with the Share Option Scheme and any other share option schemes of the Company and exercised options) prior to the approval of such renewal shall not be counted for the purpose of calculating whether the renewed Scheme Mandate Limit has been exceeded. In seeking the approval, the Company shall send a circular to the Shareholders.
- (c) The Company may grant options to Participant(s) beyond the Scheme Mandate Limit if the grant of such options is specifically approved by the Shareholders in general meeting. No options may be granted under any scheme of the Company if this will result in the limit being exceeded.

7. Option Shares Entitled by Each Grantee

No Participant shall be granted an option if the total number of the Shares issued and to be issued upon exercise of the options granted and to be granted (including both exercised, cancelled and outstanding options) in any twelve-month period up to and including the date of grant to such Participant would exceed one per cent (1%) of the Shares for the time being in issue unless the proposed grant has been approved by the Shareholders in general meeting with the proposed grantee and his associates abstaining from voting. A circular must be sent to the Shareholders disclosing the identity of the proposed grantee, the number and terms of the options granted and to be granted and other information required by the Listing Rules. The number and terms (including the exercise price) of options to be granted to such proposed grantee must be fixed before the Shareholders' approval and the date of meeting of the Board for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

8. Requirements on Granting Options to Connected Persons

- (a) Any grant of option to a director, chief executive, substantial shareholder or connected person of the Company, or any of their respective associates under the Scheme must be approved by the independent non-executive directors of the Company (excluding any independent non-executive director who is the grantee of the option).
- (b) Where a grant of option is to a substantial shareholder of the Company or an independent non-executive director of the Company or any of their respective associates and the proposed grant of option, when aggregated with the options already granted and to be granted (including both exercised, cancelled and outstanding options) to such person(s) in the past twelve (12) months period, would entitle such person(s) to subscribe for in aggregate over 0.1% of the total issued share capital of the Company for the time being and having an aggregate value in excess of HK\$5,000,000 based on the closing price of the Shares as stated in the Stock Exchange's daily quotation sheet at the date of grant, then the proposed grant of option must be subject to approval by the Shareholders on a poll in a general meeting where all connected persons of the Company must abstain from voting in favour (except where such connected person(s) intends to vote against the proposed grant of option and his intention to do so has been stated in the circular). A shareholders' circular must be prepared by the Company explaining the proposed grant of option, disclosing the number and terms of the option proposed to be granted and the recommendation from the independent non-executive directors of the Company (excluding any independent non-executive director of the Company who is the grantee of the option) as to voting and all information required under the Listing Rules. The shareholders' approval as described above will also be required for any change in the terms of any options granted to a substantial shareholder of the Company or an independent non-executive director of the Company or any of their respective associates. The requirements for the granting of options to a director of the Company set out in these sub-paragraphs 8(a) and 8(b) in this part D shall not apply where the Participant is only a proposed executive or non-executive director of the Company.

- (c) Disclosures will be made in the annual and interim reports of the Company including details of the options granted to the following persons: (i) a director, chief executive, substantial shareholder or connected person of the Company, or any of their respective associates; (ii) each Participant with options granted in excess of the individual limit referred to in paragraph above in this part D or in the Listing Rules; (iii) aggregate figures for the Employees; (iv) aggregate figures for suppliers of goods or services; and (v) other Participants in aggregate.
