International Offering

Underwriting Arrangement with Haitong International

On November 15, 2012, Haitong International entered into an agreement (the “**Haitong Agreement**”) with us, pursuant to which, subject to the conditions specified therein, Haitong International has agreed to assume in the Global Offering, on a fully underwritten basis, an underwriting commitment equivalent to the lower of: (i) HK\$200 million or (ii) 10% of the total offer size under the Global Offering (before exercise of the Over-Allotment Option) (the “**Haitong Underwriting Commitment**”) which shall be satisfied by procuring such number of Shares equivalent to the Haitong Underwriting Commitment divided by the final Offer Price, rounded up to the nearest whole board lot of 2,000 Shares (excluding the related brokerage fees, the SFC transaction levies and the Stock Exchange trading fees payable in respect of such Shares) (the “**Haitong Underwriting Shares**”) to be subscribed for by subscribers in compliance with the requirements of the Listing Rules, or failing which, it shall subscribe such Shares itself. Haitong International’s obligation under the Haitong Agreement is conditional upon (i) the final Offer Price being fixed at the low end of the indicative Offer Price range as disclosed in this prospectus or, if the final Offer Price is reduced below the low end of the indicative Offer Price range pursuant to the procedures described in the section headed “Structure of the Global Offering—Pricing and Allocation” in this prospectus, then at such reduced Offer Price; (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Offer Shares (and such listing and permission not subsequently revoked prior to the Listing); (iii) the Underwriting Agreements having become unconditional and have not been terminated in accordance with their respective terms; and (iv) the Global Offering being consummated before 31 December of 2012.

Upon the consummation of the Global Offering and the Listing and Haitong International performing its obligations under the Haitong Agreement, we shall pay to Haitong International a commission of 6% of the Haitong Underwriting Commitment, plus a commission of 2% of the aggregate amount of the Offer Shares which Haitong International has procured investors to purchase in addition to the Haitong Underwriting Shares (the “**Haitong Additional Underwriting Shares**”) (calculated based on the final Offer Price). In the Haitong Agreement, Haitong International has irrevocably agreed to perform its hard underwriting commitment by entering into the International Purchase Agreement.

International Purchase Agreement

In connection with the International Offering, it is expected that we will enter into the International Purchase Agreement with the Sole Global Coordinator, the Joint Bookrunners and the International Purchasers. Under the International Purchase Agreement, the International Purchasers would, subject to certain conditions set forth therein, severally agree to purchase the International Offer Shares being offered pursuant to the International Offering, or procure purchasers for such International Offer Shares.

It is expected that our Company will grant to the International Purchasers the Over-allotment Option, exercisable by the Joint Bookrunners (on behalf of the International Purchasers) at any time from the date of the International Purchase Agreement until Saturday, December 22, 2012, being the 30th day from the last day for lodging applications under the Hong Kong Public Offering, to require our Company to issue and allot up to an aggregate of 212,700,000 additional Shares, representing 15% of the initial Offer Shares, at the Offer Price, among other things, to cover over-allocations in the International Offering, if any.

Potential investors should note that if the International Purchase Agreement is not entered into, or is terminated, the Global Offering will not proceed.

UNDERWRITING

Indemnity

We have agreed to indemnify the Hong Kong Underwriters for certain losses which they may suffer, including losses arising from their performance of their obligations under the Hong Kong Underwriting Agreement and any breach of the Hong Kong Underwriting Agreement by us. It is expected that we will also indemnify the International Purchasers for certain losses which they may suffer.

Commission and Expenses

Under the terms and conditions of the Underwriting Agreements, the Underwriters (other than Haitong International) will receive a gross underwriting commission of 1% of the aggregate Offer Price payable for the Offer Shares (net of the Offer Shares covered by the Haitong Underwriting Commitment). In addition, our Company may, in its sole discretion, pay the Underwriters (including Haitong International) an additional incentive fee up to 2% of the aggregate amount of the gross proceeds of the Global Offering (including any proceeds pursuant to the exercise of the Over-allotment Option and net of the proceeds from the Offer Shares covered by the Haitong Underwriting Commitment and the Haitong Additional Underwriting Shares (if any)). For details of the commission payable to Haitong International, please refer to the section headed “Underwriting – International Offering – Underwriting Agreement with Haitong International” in this prospectus. The Sole Global Coordinator will receive a global coordinator incentive fee of 1% of the aggregate Offer Price payable for the Offer Shares (net of the Offer Shares covered by the Haitong Underwriting Commitment).

Assuming the Over-allotment Option is not exercised at all and based on an Offer Price of HK\$1.62, being the mid-point of the Offer Price range of HK\$1.45 to HK\$1.79 per Share, the fees and commissions in connection with the Hong Kong Public Offering and the International Offering, together with the Stock Exchange trading fee, the SFC transaction levy, legal and other professional fees, printing and other expenses relating to the Global Offering, are estimated to amount to approximately HK\$170.0 million in aggregate. Such commissions, the Stock Exchange trading fee and the SFC transaction levy are payable and borne by us. The fees and expenses of our professional advisers and service providers engaged by us in relation to the Global Offering will be borne by us. We will reimburse the Joint Bookrunners (on behalf of the Underwriters) and the Sole Sponsor for expenses they incurred in relation to the Global Offering.

Underwriters’ Interests in our Company

Save for their respective obligations under the Underwriting Agreements and save as otherwise disclosed in this prospectus, none of the Underwriters is interested legally or beneficially in any shares of any members of our Group or has any right or option (whether legally enforceable or not) to subscribe for or purchase or to nominate persons to subscribe for or purchase securities in any members of our Group in the Global Offering.

Sponsor’s Independence

The Sole Sponsor satisfies the independence criteria applicable to sponsors set out in Rule 3.07 of the Listing Rules.
