

STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering of 1,418,000,000 Shares comprises:

- (i) the Hong Kong Public Offering of 141,800,000 Shares (subject to reallocation) in Hong Kong, as described below in the paragraph headed “The Hong Kong Public Offering”; and
- (ii) the International Offering of an aggregate of 1,276,200,000 Shares (subject to reallocation and the Over-allotment Option) outside the United States (including to professional and institutional investors and other investors anticipated to have a sizeable demand for the International Offer Shares within Hong Kong) in offshore transactions in reliance on Regulation S, and to QIBs in the United States in reliance on Rule 144A or another exemption from the registration requirements under the U.S. Securities Act,

to be offered by us.

The 1,418,000,000 Shares being offered by our Company under the Global Offering will represent about 25.02% of our Company’s enlarged share capital immediately after completion of the Global Offering (without taking into account any Shares which may be issued pursuant to the exercise of the Over-allotment Option, the Pre-IPO Share Award Scheme or the Share Option Scheme).

Investors may apply for Offer Shares under the Hong Kong Public Offering or apply for or indicate an interest in Offer Shares under the International Offering, but may not apply in both the Hong Kong Public Offering and the International Offering.

References in this prospectus to “applications”, “Application Forms”, “application monies” or the “procedure for application” relate solely to the Hong Kong Public Offering.

THE HONG KONG PUBLIC OFFERING

Number of Offer Shares Initially Offered

Our Company is initially offering 141,800,000 Shares for subscription by the public in Hong Kong at the Offer Price, representing 10% of the total number of Shares initially available under the Global Offering. Subject to the reallocation of Offer Shares between (i) the International Offering and (ii) the Hong Kong Public Offering, the Hong Kong Offer Shares will represent approximately 2.50% of our Company’s enlarged issued share capital immediately after completion of the Global Offering.

The Hong Kong Public Offering is open to the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers), whose ordinary business involves dealing in shares and other securities, and corporate entities that regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions as set out in the paragraph headed “Conditions of the Hong Kong Public Offering” below.

STRUCTURE OF THE GLOBAL OFFERING

Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares and those applicants who are not successful in such a ballot may not receive any Hong Kong Offer Shares.

The total number of Offer Shares available for subscription under the Hong Kong Public Offering (after taking into account any reallocation referred to below) is to be divided into two pools for allocation purposes: pool A and pool B. The Hong Kong Offer Shares in pool A will consist of 70,900,000 Offer Shares (being 50% of the total number of Offer Shares initially available under the Hong Kong Public Offering) and will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate subscription price of HK\$5 million or less (excluding the brokerage, SFC transaction levy and the Stock Exchange trading fee payable). The Hong Kong Offer Shares in pool B will consist of 70,900,000 Offer Shares (being 50% of the total number of Offer Shares initially available under the Hong Kong Public Offering) and will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate subscription price of more than HK\$5 million and up to the total value of pool B (excluding the brokerage, SFC transaction levy and Stock Exchange trading fee payable). Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If Hong Kong Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of this paragraph only, the “subscription price” for Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Hong Kong Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications within either pool or between pools and any application for more than 70,900,000 Hong Kong Offer Shares, being the number of Hong Kong Offer Shares initially allocated to each pool, are liable to be rejected.

Reallocation

The allocation of Offer Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times or (iii) 100 times or more than the number of Offer Shares initially available under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering. As a result of such reallocation, the total number of Offer Shares available under the Hong Kong Public Offering will be increased to 425,400,000 Offer Shares (in the case of (i)), 567,200,000 Offer Shares (in the case of (ii)) and 709,000,000 Offer Shares (in the case of (iii)), representing approximately 30%, 40% and 50% of the Offer Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option). In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Bookrunners deem appropriate. In addition, the Joint Bookrunners may, at their discretion, reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. If the Hong Kong Public Offering is not fully subscribed, the Joint Bookrunners have the authority to reallocate all or any unsubscribed Offer Shares from the Hong Kong Public Offering to the International Offering in such proportions as the Joint Bookrunners deem appropriate.

STRUCTURE OF THE GLOBAL OFFERING

Applications

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he, or any person(s) for whose benefit he is making the application, has not applied for, taken up or indicated an interest in, and will not apply for, take up or indicate an interest in, any Offer Shares under the International Offering. Such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or it has been, or will be, placed or allocated Offer Shares under the International Offering.

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$1.79 per Offer Share in addition to the brokerage, SFC transaction levy and Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in the paragraph headed "Pricing and Allocation" below, is less than the maximum Offer Price of HK\$1.79 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out below in the section headed "How to Apply for Hong Kong Offer Shares" in this prospectus.

THE INTERNATIONAL OFFERING

Number of Offer Shares Initially Offered

The International Offering will consist of an initial offering of 1,276,200,000 Shares, representing 90% of the total number of Offer Shares initially available under the Global Offering. Subject to the reallocation of Offer Shares between (i) the International Offering and (ii) the Hong Kong Public Offering, the International Offer Shares will represent approximately 22.52% of our Company's enlarged issued share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised.

Allocation

The International Offering will include selective marketing of Offer Shares to QIBs in the United States as defined in Rule 144A, as well as institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. Professional investors generally include brokers, dealers, companies (including fund managers), whose ordinary business involves dealing in shares and other securities, and corporate entities which regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the "book-building" process described in the paragraph headed "Pricing and Allocation" in this section and based on a number of factors, including the level and timing of demand, the total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares and/or hold or sell his/its Shares after the listing of our Offer Shares on the Stock Exchange. Such allocation is intended to result in a distribution of our Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to our Company's and our Shareholders' benefit as a whole.

STRUCTURE OF THE GLOBAL OFFERING

The Joint Bookrunners (on behalf of the Underwriters) may require investors who have been offered Offer Shares under the International Offering and who have made applications under the Hong Kong Public Offering to provide sufficient information to the Joint Bookrunners so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that such applications are excluded from any allotment of Offer Shares under the Hong Kong Public Offering.

Reallocation

The total number of Offer Shares to be sold and issued pursuant to the International Offering may change as a result of the clawback arrangement described in the paragraph headed “The Hong Kong Public Offering – Reallocation” in this section, any exercise of the Over-allotment Option and/or any reallocation of unsold Offer Shares originally included in the Hong Kong Public Offering.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, it is expected that our Company will grant the Over-allotment Option to the International Purchasers, exercisable by the Joint Bookrunners on behalf of the International Purchasers.

Pursuant to the Over-allotment Option, the International Purchasers have the right, exercisable by the Joint Bookrunners (on behalf of the International Purchasers) at any time from the Listing Date until Saturday, December 22, 2012, being the 30th day from the last day for lodging applications under the Hong Kong Public Offering, to require our Company to issue and allot up to an aggregate of 212,700,000 Shares, representing approximately 15% of the initial Offer Shares, at the same price per Share under the International Offering, to cover, among other things, over-allocations in the International Offering (if any). In the event that the Over-allotment Option is exercised, a press announcement will be made.

STABILISATION

Stabilisation is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilise, underwriters may bid for or purchase securities in the secondary market during a specified period of time to retard and, if possible, prevent a decline in the initial public market price of the securities below the offer price. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements of the relevant jurisdictions. In Hong Kong, the price at which stabilisation is effected is not permitted to exceed the offer price.

In connection with the Global Offering, Haitong International, as stabilising manager (the “**Stabilising Manager**”), its affiliates or any persons acting for it (on behalf of the Underwriters) may, to the extent permitted by applicable laws of Hong Kong or elsewhere, over-allocate or effect transactions with a view to stabilising or supporting the market price of our Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the Listing Date. Any market purchases of our Shares will be effected in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilising Manager, its affiliates or any persons acting for it to conduct any such stabilising action. Such stabilising action, if taken, will be required to be brought to an end within 30 days of the last day for lodging applications under the Hong Kong Public Offering and conducted at the absolute discretion of the Stabilising Manager, its affiliates or any persons acting for it, and may be discontinued at any time. The number of Shares that may be over-allocated will not be greater than the number of Shares

STRUCTURE OF THE GLOBAL OFFERING

that may be sold upon exercise of the Over-allotment Option, being an aggregate of 212,700,000 additional Shares, which is 15% of the Shares initially available under the Global Offering. If the Over-allotment Option is exercised in full, the Offer Shares will represent about 27.73% of our Company's enlarged issued share capital on completion of the Global Offering.

Stabilisation action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilising) Rules of the SFO includes (i) over-allocating for the purpose of preventing or minimising any reduction in the market price of our Shares; (ii) selling or agreeing to sell our Shares so as to establish a short position in them for the purpose of preventing or minimising any reduction in the market price of our Shares; (iii) purchasing or agreeing to purchase our Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing or agreeing to purchase our Shares for the sole purpose of preventing or minimising any reduction in the market price of our Shares; (v) selling or agreeing to sell our Shares in order to liquidate any position established as a result of the abovementioned purchases; and (vi) offering or attempting to do anything as described in (ii), (iii), (iv) or (v) above.

Specifically, prospective applicants for the Offer Shares should note that:

- the Stabilising Manager, its affiliates or any person acting for it may, in connection with the stabilising action, maintain a long position in our Shares;
- there is no certainty as to the extent to which, and the time or period for which, the Stabilising Manager, its affiliates or any person acting for it will maintain such a long position;
- liquidation and selling of any such long position in the open market by the Stabilising Manager, its affiliates or any person acting for it may have an adverse impact on the market price of our Shares;
- no stabilising action can be taken to support the price of our Shares for longer than the stabilisation period which will begin on the Listing Date and is expected to expire on Saturday, December 22, 2012, being the 30th day after the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilising action may be taken, demand for our Shares, and therefore the price of our Shares, could fall;
- the price of our Shares cannot be assured to stay at or above the Offer Price by the taking of any stabilising action; and
- stabilising bids or transactions effected in the course of the stabilising action may be made at any price at or below the Offer Price and can, therefore, be done at a price below the price paid by applicants for the Offer Shares.

Our Company will ensure or procure that an announcement in compliance with the Securities and Futures (Price Stabilising) Rules of the SFO will be made within seven days of the expiration of the stabilisation period.

STRUCTURE OF THE GLOBAL OFFERING

OVER-ALLOCATION

Following any over-allocation of Shares in connection with the Global Offering, the Stabilising Manager, its affiliates or any person acting for it may cover such over-allocation by (among other methods) using Shares purchased by the Stabilising Manager, its affiliates or any person acting for it in the secondary market or exercising the Over-allotment Option in full or in part. Any such purchases will be made in accordance with the laws, rules and regulations in place in Hong Kong, including those in relation to stabilisation and the Securities and Futures (Price Stabilising) Rules, as amended, made under the SFO. The number of Shares which can be over-allocated will not exceed 212,700,000 Shares, being the number of Shares which may be issued and allotted by our Company upon full exercise of the Over-allotment Option and representing 15% of the Offer Shares initially available under the Global Offering.

PRICING AND ALLOCATION

The International Purchasers will be soliciting from prospective professional and institutional investors indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering that they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around Thursday, November 22, 2012 and in any event no later than Tuesday, November 27, 2012, by agreement between the Joint Bookrunners (on behalf of the Underwriters) and our Company. The number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

The Offer Price per Offer Share under the Hong Kong Public Offering will be identical to the Offer Price per Offer Share under the International Offering based on the Hong Kong dollar price per Offer Share under the International Offering, as determined by the Joint Bookrunners (on behalf of the Underwriters) and our Company. The Offer Price per Offer Share under the Hong Kong Public Offering will be fixed at the Hong Kong dollar amount which, when including the 1% brokerage, 0.003% SFC transaction levy and 0.005% Stock Exchange trading fee payable thereon, is (subject to any necessary rounding) effectively equivalent to the Hong Kong dollar price per Offer Share under the International Offering. The SFC transaction levy and the Stock Exchange trading fee otherwise payable by investors on Offer Shares purchased by them in the International Offering will be paid by us.

The Offer Price will not be more than HK\$1.79 per Offer Share and is expected to be not less than HK\$1.45 per Offer Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.

The Joint Bookrunners (on behalf of the Underwriters) may, where considered appropriate and with the consent of our Company, based on the level of interest expressed by prospective professional and institutional investors during the book-building process, reduce the number of Offer Shares and/or the indicative Offer Price range below that stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such

STRUCTURE OF THE GLOBAL OFFERING

reduction and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause there to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) notices of the reduction. Upon issue of such notices, the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Joint Bookrunners (on behalf of the Underwriters) and our Company, will be fixed within such revised Offer Price range. Applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares and/or the indicative Offer Price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Such announcement(s) will also include confirmation or revision, as appropriate, of the working capital statement, the Global Offering statistics and any other financial information in this prospectus which may change as a result of any such reduction. In the absence of any such announcement, the number of Offer Shares will not be reduced and the Offer Price, if agreed upon by our Company and the Joint Bookrunners (on behalf of the Underwriters), will under no circumstances be set outside the Offer Price range as stated in this prospectus.

In the event of a reduction in the number of Offer Shares, the Joint Bookrunners may, at their discretion, reallocate the number of Offer Shares to be offered in the Hong Kong Public Offering and the International Offering, provided that the number of Offer Shares comprised in the Hong Kong Public Offering shall not be less than 10% of the total number of Offer Shares available under the Global Offering (assuming the Over-allotment Option is not exercised). The Offer Shares to be offered in the Hong Kong Public Offering and the Offer Shares to be offered in the International Offering may, in certain circumstances, be reallocated between these offerings at the discretion of the Joint Bookrunners.

The net proceeds from the Global Offering accruing to us (after deduction of underwriting fees and estimated expenses payable by us in relation to the Global Offering) are estimated to be approximately HK\$2,127.2 million, assuming an Offer Price of HK\$1.62 per Offer Share, being the approximate mid-point of the proposed Offer Price range of HK\$1.45 to HK\$1.79.

The final Offer Price, the level of indications of interest in the Global Offering and the basis of allotment of Offer Shares available under the Hong Kong Public Offering are expected to be announced on Wednesday, November 28, 2012 in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese).

HONG KONG UNDERWRITING AGREEMENT AND INTERNATIONAL PURCHASE AGREEMENT

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement and is subject to our Company and the Joint Bookrunners (on behalf of the Underwriters) agreeing on the Offer Price.

We expect to enter into the International Purchase Agreement relating to the International Offering on the Price Determination Date.

The Hong Kong Underwriting Agreement and the International Purchase Agreement are summarised in the section headed “Underwriting” in this prospectus.

STRUCTURE OF THE GLOBAL OFFERING

CONDITIONS OF THE HONG KONG PUBLIC OFFERING

Acceptance of all applications for Offer Shares pursuant to the Hong Kong Public Offering will be conditional on:

- (i) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, our Shares in issue (including the Shares that may be sold pursuant to any exercise of the Over-allotment Option) and our Shares being offered pursuant to the Global Offering (subject only to allotment);
- (ii) the Offer Price having been duly determined and the execution and delivery of the International Purchase Agreement on the Price Determination Date; and
- (iii) the obligations of the Hong Kong Underwriters under the Hong Kong Underwriting Agreement and the obligations of the International Purchasers under the International Purchase Agreement becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the Hong Kong Underwriting Agreement or the International Purchase Agreement (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than the date that is 30 days after the date of this prospectus.

If, for any reason, the Offer Price is not agreed between our Company and the Joint Bookrunners (on behalf of the Underwriters) on or before Tuesday, November 27, 2012, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with its respective terms.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will not proceed and will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published by our Company in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such event, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Offer Shares – 10. Despatch/Collection of Share Certificates and Refund Monies”. In the meantime, all application monies will be held in separate bank accounts with the receiving bankers of our Company or any other banks in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

Share certificates for the Offer Shares will only become valid certificates of title at 8:00 a.m. in Hong Kong on Thursday, November 29, 2012 provided that (i) the Global Offering has become unconditional in all respects and (ii) the right of termination as described in the section headed “Underwriting – Underwriting Arrangements and Expenses – Hong Kong Public Offering – Grounds for Termination” has not been exercised.

DEALING

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Thursday, November 29, 2012, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on Thursday, November 29, 2012.
