
STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This Prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering consists of (subject to adjustment and the Over-allotment Option):

- (a) the Hong Kong Public Offering of 71,800,000 H Shares (subject to adjustment as mentioned below) in Hong Kong as described below under “The Hong Kong Public Offering”; and
- (b) the International Offering of an aggregate of 646,200,000 H Shares (subject to adjustment and the Over-allotment Option as mentioned below) outside the United States (including to professional and institutional investors within Hong Kong) in offshore transactions in reliance on Regulation S.

Investors may apply for the H Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for the H Shares under the International Offering, but may not do both.

Our Company has obtained the requisite PRC governmental approvals, including the approval of the CSRC, in respect of the Global Offering.

The number of H Shares to be offered under the Hong Kong Public Offering and the International Offering respectively may be subject to reallocation as described in the section headed “The Hong Kong Public Offering – Reallocation” below.

THE HONG KONG PUBLIC OFFERING

Number of H Shares initially offered

We are initially offering 71,800,000 H Shares at the Offer Price, representing 10% of the H Shares initially available under the Global Offering, for subscription by the public in Hong Kong. Subject to the reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering, the number of H Shares initially offered under the Hong Kong Public Offering will represent approximately 1.79% of our Company’s enlarged issued share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised.

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions as set out in the section headed “Conditions of the Global Offering” below.

Allocation

Allocation of H Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. The allocation of Hong Kong Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

STRUCTURE OF THE GLOBAL OFFERING

The total number of Hong Kong Offer Shares available under the Hong Kong Public Offering will initially be divided into two pools for allocation purposes as follows:

- Pool A: The Offer Shares in pool A, being an aggregate of 35,900,000 H Shares, will be allocated on an equitable basis to applicants who have applied for Offer Shares with a total subscription amount (excluding brokerage, SFC transaction levy and the Stock Exchange trading fee) of HK\$5 million or less; and
- Pool B: The Offer Shares in pool B, being an aggregate of 35,900,000 H Shares, will be allocated on an equitable basis to applicants who have applied for Offer Shares with a total subscription amount (excluding brokerage, SFC transaction levy and the Stock Exchange trading fee) of more than HK\$5 million and up to the value of pool B.

Applicants should be aware that applications in pool A and pool B are likely to receive different allocation ratios. If Hong Kong Offer Shares in one pool (but not both pools) are under-subscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly.

Applicants can only receive an allocation of Hong Kong Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications and any application for more than 35,900,000 Offer Shares will be rejected.

Reallocation

The allocation of Offer Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering if certain prescribed total demand levels are reached. In the event of over-applications in the Hong Kong Public Offering, the Joint Bookrunners shall apply a clawback mechanism following the closing of the application lists on the following basis:

- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 50 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering so that the total number of Offer Shares available under the Hong Kong Public Offering will be 215,400,000 Offer Shares, representing 30% of the Offer Shares initially available under the Global Offering;
- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 50 times or more but less than 100 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased so that the total number of Offer Shares available under the Hong Kong Public Offering will be 287,200,000 Offer Shares, representing 40% of the Offer Shares initially available under the Global Offering; and

STRUCTURE OF THE GLOBAL OFFERING

- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 100 times or more the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 359,000,000 Offer Shares, representing 50% of the Offer Shares initially available under the Global Offering.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between Pool A and Pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Bookrunners deem appropriate. In addition, the Joint Bookrunners may in their discretion reallocate H Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

If the Hong Kong Public Offering is not fully subscribed, the Joint Bookrunners will have the discretion (but shall not be under any obligation) to reallocate to the International Offering all or any unsubscribed Hong Kong Offer Shares in such amounts as they deem appropriate.

References in this Prospectus to applications, Application Forms, application monies or to the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL OFFERING

Number of H Shares initially offered

Subject to the reallocation as described above, the number of H Shares to be initially offered under the International Offering will be 646,200,000 H Shares, representing 90% of the Offer Shares initially available under the Global Offering. Subject to the reallocation of the Offer Shares between the International Offering and the Hong Kong Public Offering, the number of H Shares initially offered under the International Offering will represent approximately 16.08% of our Company's enlarged issued share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised.

Allocation

Pursuant to the International Offering, the International Offer Shares will be conditionally placed on behalf of our Company by the International Underwriters or through selling agents appointed by them. International Offer Shares will be selectively placed with certain professional and institutional investors and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong, Europe and other jurisdictions outside the United States in offshore transactions in reliance on Regulation S. The International Offering is subject to the Hong Kong Public Offering being unconditional.

Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the "book-building" process described in the paragraph headed "Pricing and Allocation" below and based on a number of factors, including the level and timing of demand, total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further, and/or hold or sell, H Shares after the listing of the H Shares on the Stock Exchange. Such allocation is intended to result in a distribution of H Shares on a basis which would lead to the establishment of a solid shareholder base which would be to our benefit and to that of the Shareholders as a whole.

STRUCTURE OF THE GLOBAL OFFERING

The Joint Bookrunners may require any investor who has been offered Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering, to provide sufficient information to the Joint Bookrunners so as to allow it to identify the relevant applications under the Hong Kong Public Offering and to ensure that they are excluded from any application of Offer Shares under the Hong Kong Public Offering.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, it is expected that our Company will grant the Over-allotment Option to the International Underwriters, which is exercisable by the Joint Bookrunners on behalf of the International Underwriters.

Pursuant to the Over-allotment Option, the International Underwriters have the right, exercisable by the Joint Bookrunners at any time from the Listing Date until the 30th day from the last day for lodging applications under the Hong Kong Public Offering, to require our Company to issue and allot up to 107,700,000 H Shares, representing 15% of the initial Offer Shares, at the same price per H Share under the International Offering, to, among other things, cover over-allocations in the International Offering, if any. If the Over-allotment Option is exercised in full, the additional International Offering Shares will represent approximately 2.61% of our enlarged total issued share capital immediately following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, a public announcement will be made.

OVER-ALLOCATION

Following any over-allocation of H Shares in connection with the Global Offering, the Stabilizing Manager, its affiliates or any person acting for them may cover such over-allocation by (among other methods) using H Shares purchased by the Stabilizing Manager, its affiliates or any person acting for them in the secondary market, exercising the Over-allotment Option in full or in part. Any such purchases will be made in accordance with the laws, rules and regulations in place in Hong Kong, including in relation to stabilization, the Securities and Futures (Price Stabilizing) Rules, as amended, made under the SFO. The number of H Shares which can be over-allocated will not exceed the number of H Shares which may be issued upon exercise of the Over-allotment Option, being 107,700,000 H Shares, representing 15% of the Offer Shares initially available under the Global Offering.

PRICING AND ALLOCATION

Determining the Offer Price

The International Underwriters are soliciting from prospective investors indications of interest in acquiring the H Shares in the International Offering. Prospective investors will be required to specify the number of H Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building,” is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around December 15, 2012 and in any event no later than December 18, 2012, by agreement between the Joint Bookrunners (on behalf of the Underwriters) and our Company. The number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

STRUCTURE OF THE GLOBAL OFFERING

Offer price range

The Offer Price will be not more than HK\$5.40 per H Share and is expected to be not less than HK\$4.10 per H Share, unless otherwise announced not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, as further explained below. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.

Price payable on application

Applicants for Hong Kong Offer Shares under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$5.40 for each Hong Kong Offer Share (plus 1% brokerage, 0.003% SFC transaction levy and 0.005% Stock Exchange trading fee). If the Offer Price is less than HK\$5.40, appropriate refund payments (including the brokerage, SFC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies, without any interest) will be made to successful applications.

If, for any reason, our Company and the Joint Bookrunners (on behalf of the Underwriters) are unable to reach agreement on the Offer Price on or before December 18, 2012, the Global Offering will not proceed and will lapse.

Reduction in indicative Offer Price range and/or number of Offer Shares

The Joint Bookrunners (on behalf of the Underwriters), may where considered appropriate, based on the level of interest expressed by prospective institutional, professional and other investors during the book-building process, reduce the indicative Offer Price range and/or the number of Offer Shares below those stated in this Prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and posted on the website of the Stock Exchange (www.hkexnews.hk) and on the website of our Company (www.cmec.com) notices of the reduction. Upon issue of such a notice, the revised indicative Offer Price range and/or number of Offer Shares will be final and conclusive and the Offer Price, if agreed upon by the Joint Bookrunners (on behalf of the Underwriters) and our Company, will be fixed within such revised range. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in this Prospectus, and any other financial information which may change materially as a result of such reduction.

Before submitting applications for Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the indicative offer price range and/or number of Offer Shares may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. In the absence of any such announcement so published, the number of Offer Shares will not be reduced and/or the Offer Price, if agreed upon by the Sole Global Coordinator, on behalf of the Underwriters, and our Company, will under no circumstances be set outside the Offer Price range as stated in this Prospectus.

In the event of a reduction in the number of Offer Shares, the Joint Bookrunners may, at their discretion, reallocate the number of Offer Shares to be offered in the Hong Kong Public Offering and the International Offering, provided that the number of Offer Shares comprised in the Hong

Acceptance of all applications for the Offer Shares will be conditional on:

STRUCTURE OF THE GLOBAL OFFERING

If, for any reason, the Offer Price is not agreed between our Company and the Joint Bookrunners (on behalf of the Underwriters) on or before December 18, 2012, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with its respective terms.

If the above conditions are not fulfilled or waived prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published by us in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such event, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Offer Shares – 11. Dispatch/Collection of H Share Certificates and Refunds of Application Monies” in this Prospectus. In the meantime, all application monies will be held in separate bank account(s) with the receiving bankers or other bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

H Share certificates for the Offer Shares will only become valid certificates of title at 8:00 a.m. on December 21, 2012, provided that (a) the Global Offering has become unconditional in all respects and (b) the right of termination as described in the section headed “Underwriting – Underwriting Arrangements and Expenses – Hong Kong Public Offering – Grounds for Termination” has not been exercised.

H SHARES WILL BE ELIGIBLE FOR CCASS

All necessary arrangements have been made for the H Shares to be admitted into the CCASS, established and operated by the HKSCC.
