
STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. CCBI is the Sole Sponsor and the Sole Global Coordinator, CCBI, UOBKH and Oriental Patron are together the Joint Bookrunners and the Joint Lead Managers.

The Global Offering consists of (subject to adjustment and the Over-allotment Option):

- the Hong Kong Public Offering of 15,884,000 Shares (subject to adjustment as mentioned below) in Hong Kong as described under the paragraph headed “— The Hong Kong Public Offering” in this section below; and
- the International Offering of 142,956,000 Shares, comprising 116,476,000 new Shares and 26,480,000 Sale Shares (subject to adjustment as mentioned below) outside the United States in reliance on Regulation S of the Securities Act as described under the paragraph headed “— The International Offering” in this section below.

Investors may apply for the Offer Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for the Offer Shares under the International Offering, but may not do both. The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. The International Offering will involve selective marketing of the Offer Shares to institutional and professional investors and other investors outside the United States in reliance on Regulation S of the Securities Act. The International Underwriters are soliciting from prospective investors indications of interest in acquiring the Offer Shares in the International Offering. Prospective investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering respectively may be subject to adjustment as described in the paragraph headed “— Pricing and Allocation” in this section.

PRICING AND ALLOCATION

Offer Price

The Offer Price will be not more than HK\$1.68 per Offer Share and is expected to be not less than HK\$1.18 per Offer Share, unless otherwise announced not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, as explained below. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.

Price payable on application

Applicants under the Hong Kong Public Offering must pay, on application, the maximum indicative Offer Price of HK\$1.68 per Hong Kong Public Offer Share plus 1% brokerage, a 0.003% SFC transaction levy and a 0.005% Stock Exchange trading fee, amounting to a total of HK\$3,393.87 for one board lot of 2,000 Shares. Each Application Form includes a table showing the exact amount payable on certain numbers of Offer Shares. If the Offer Price as finally determined in the manner described below, is less than HK\$1.68, appropriate refund payments

STRUCTURE OF THE GLOBAL OFFERING

(including the brokerage, the SFC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants without interest. See the section headed “How to Apply for Hong Kong Public Offer Shares — 10. Refund of application monies” in this prospectus for further details.

Determining the Offer Price

The International Underwriters are soliciting from prospective investors indications of interest in acquiring the Shares in the International Offering. Prospective investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to, and to cease on or around the Price Determination Date.

The Offer Price is expected to be fixed by agreement between the Sole Global Coordinator (on behalf of the Underwriters) and our Company (for ourselves and on behalf of the Selling Shareholder) on the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or around Wednesday, December 19, 2012 and in any event, no later than 12:00 noon on Monday, December 24, 2012.

If, for any reason, our Company (for ourselves and on behalf of the Selling Shareholder) and the Sole Global Coordinator (on behalf of the Underwriters) are unable to reach agreement on the Offer Price at or before 12:00 noon on Monday, December 24, 2012, the Global Offering will not proceed and will lapse.

Reduction in Offer Price range and/or number of Offer Shares

If, based on the level of interest expressed by prospective institutional, professional and other investors during the book-building process, the Sole Global Coordinator (on behalf of the Underwriters) consider it appropriate and together with the consent of our Company (for ourselves and on behalf of the Selling Shareholder), the indicative Offer Price range and/or the number of Hong Kong Public Offer Shares may be reduced below that stated in this prospectus at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offering.

In such a case, our Company (for ourselves and on behalf of the Selling Shareholder) will, as soon as practicable following the decision to make any such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published in the South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) notice of the reduction in the indicative Offer Price range and/or number of Offer Shares. Such notice will also include confirmation or revision, as appropriate, of the offering statistics as currently set out in the section headed “Summary” in this prospectus and any other financial information which may change as a result of such reduction. The Offer Price, if agreed upon, will be fixed within such revised Offer Price range. In the absence of the publication of any such notice, the Offer Price shall under no circumstances be set outside the Offer Price range indicated in this prospectus.

Before submitting applications for Hong Kong Public Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the indicative Offer Price range and/or number of Offer Shares may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering.

STRUCTURE OF THE GLOBAL OFFERING

Allocation

The Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Sole Global Coordinator.

Allocation of the Offer Shares pursuant to the International Offering will be determined by the Sole Global Coordinator and will be based on a number of factors including the level and timing of demand, total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further, and/or hold or sell Shares after Listing. Such allocation may be made to professional, institutional and corporate investors and is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a stable shareholder base to the benefit of our Company and the Shareholders as a whole.

Allocation of the Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Public Offer Shares validly applied for by applicants. The allocation of Hong Kong Public Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Public Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Public Offer Shares.

Announcement of final Offer Price and basis of allocations

The applicable final Offer Price, the level of indications of interest in the International Offering and the basis of allocations of the Hong Kong Public Offer Shares are expected to be announced on Thursday, December 27, 2012 in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese).

Results of allocations in the Hong Kong Public Offering, including the Hong Kong identity card/passport/Hong Kong business registration numbers of successful applicants (where applicable) and the number of Hong Kong Public Offer Shares successfully applied for under **WHITE** and **YELLOW** Application Forms, or by giving **electronic application instructions** to HKSCC or by applying online through the **White Form eIPO** Service Provider under the **White Form eIPO** Service, will be made available through a variety of channels as described in the section headed "How to Apply for Hong Kong Public Offer Shares — Publication of results" in this prospectus.

CONDITIONS OF THE GLOBAL OFFERING

Acceptance of all applications for the Offer Shares pursuant to the Hong Kong Public Offering will be conditional upon, among other things:

- the Listing Committee granting listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (including the Shares which may be made available or issued pursuant to the Capitalization Issue, the exercise of the Over-allotment Option and any Shares which may fall to be issued upon the exercise of the options which may be granted under the Share Option Scheme);

STRUCTURE OF THE GLOBAL OFFERING

- the Offer Price having been duly agreed on or around the Price Determination Date;
- the execution and delivery of the International Underwriting Agreement on or around the Price Determination Date; and
- the obligations of the Underwriters under each of the International Underwriting Agreement and the Hong Kong Underwriting Agreement becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in such Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than 30 days after the date of this prospectus.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived, prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will cause to be published by us in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Public Offer Shares — 10. Refund of Application Monies” in this prospectus. In the meantime, the application monies will be held in separate bank account(s) with the receiving bank or other bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

Share certificates for the Offer Shares are expected to be issued on Thursday, December 27, 2012 but will only become valid certificates of title at 8:00 a.m. on Friday, December 28, 2012, provided that (i) the Global Offering has become unconditional in all respects and (ii) the right of termination as described in the section headed “Underwriting — Underwriting Arrangements and Expenses — Grounds for termination” in this prospectus has not been exercised.

THE HONG KONG PUBLIC OFFERING

Number of Shares initially offered

Our Company is initially offering 15,884,000 Shares at the Offer Price, representing 10% of the 158,840,000 Shares initially available under the Global Offering, for subscription by the public in Hong Kong. Subject to adjustment as mentioned below, the number of Shares offered under the Hong Kong Public Offering will represent 1.8% of the total issued share capital of our Company immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised. The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Completion of the Hong Kong Public Offering is subject to the conditions as set out in the paragraph headed “— Conditions of the Hong Kong Public Offering” in this section.

STRUCTURE OF THE GLOBAL OFFERING

Allocation

For allocation purposes only, the Hong Kong Public Offer Shares initially being offered for subscription under the Hong Kong Public Offering (after taking into account any adjustment in the number of Offer Shares allocated between the Hong Kong Public Offering and the International Offering) will be divided equally into two pools (subject to adjustment of odd lot size). Pool A will comprise 7,942,000 Hong Kong Public Offer Shares and Pool B will comprise 7,942,000 Hong Kong Public Offer Shares, both of which are available on a fair basis to successful applicants. All valid applications that have been received for Hong Kong Public Offer Shares with a total amount (excluding brokerage fee, the SFC transaction levy and the Stock Exchange trading fee) of HK\$5 million or below will fall into Pool A and all valid applications that have been received for Hong Kong Public Offer Shares with a total amount (excluding brokerage fee, the SFC transaction levy and the Stock Exchange trading fee) of over HK\$5 million and up to the total value of Pool B, will fall into Pool B.

Applicants should be aware that applications in Pool A and Pool B are likely to receive different allocation ratios. If Hong Kong Public Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Public Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. Applicants can only receive an allocation of Hong Kong Public Offer Shares from either Pool A or Pool B but not from both pools and may only apply for Hong Kong Public Offer Shares in either Pool A or Pool B. In addition, multiple or suspected multiple applications within either pool or between pools will be rejected. No application will be accepted from applicants for more than 7,942,000 Hong Kong Public Offer Shares (being 50% of the initial number of Hong Kong Public Offer Shares).

Reallocation

The allocation of the Offer Shares (other than the Sale Shares which are offered for sale by the Selling Shareholder pursuant to the International Offering) between the Hong Kong Public Offering and the International Offering is subject to adjustment. If the number of Offer Shares validly applied for in the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more, of the number of Offer Shares initially available under the Hong Kong Public Offering, the total number of Offer Shares available under the Hong Kong Public Offering will be increased to 47,652,000, 63,536,000 and 79,420,000 Shares, respectively, representing 30% (in the case of (i)), 40% (in the case of (ii)) and 50% (in the case of (iii)), respectively, of the total number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option). In such cases, the number of Offer Shares allocated in the International Offering will be correspondingly reduced, in such manner as the Sole Global Coordinator deems appropriate, and such additional Offer Shares will be allocated to Pool A and Pool B equally.

If the Hong Kong Public Offer Shares are not fully subscribed, the Sole Global Coordinator has the authority to reallocate all or any unsubscribed Hong Kong Public Offer Shares to the International Offering, in such proportions as the Sole Global Coordinator deems appropriate. In addition, the Sole Global Coordinator may reallocate International Offer Shares (other than the Sale Shares which are offered for sale by the Selling Shareholder pursuant to the International Offering) from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

The Offer Shares (other than the Sale Shares which are offered for sale by the Selling Shareholder pursuant to the International Offering) to be offered in the Hong Kong Public Offering

STRUCTURE OF THE GLOBAL OFFERING

and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Sole Global Coordinator.

Applications

The Sole Global Coordinator (on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Sole Global Coordinator so as to allow it to identify the relevant applications under the Hong Kong Public Offering and to ensure that it is excluded from any application for Offer Shares under the Hong Kong Public Offering.

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person for whose benefit he is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Offering, and such applicant's application is liable to be rejected if the said undertaking or confirmation is breached or untrue (as the case may be) or it has been or will be placed or allocated Offer Shares under the International Offering.

References in this prospectus to applications, Application Forms, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL OFFERING

Number of Offer Shares offered

The number of the Offer Shares to be initially offered for subscription by our Company and for sale by the Selling Shareholder under the International Offering will be 142,956,000 Shares, comprising 116,476,000 new Shares and 26,480,000 Sale Shares representing 90% of the Offer Shares under the Global Offering. The International Offering is subject to the Hong Kong Public Offering becoming unconditional.

Allocation

Pursuant to the International Offering, the International Underwriters will conditionally place the Shares with institutional and professional investors and other investors expected to have a sizeable demand for the International Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S of the Securities Act. Allocation of the International Offer Shares pursuant to the International Offering will be effected in accordance with the "book-building" process described in paragraph headed "— Pricing and Allocation" in this section and based on a number of factors, including the level and timing of demand, total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares, and/or hold or sell its International Offer Shares after Listing. Such allocation is intended to result in a distribution of the International Offer Shares on a basis which would lead to the establishment of a stable shareholder base to the benefit of our Company and the Shareholders as a whole.

STRUCTURE OF THE GLOBAL OFFERING

OVER-ALLOTMENT OPTION

Our Company is expected to grant to the International Underwriters the Over-allotment Option, exercisable by the Sole Global Coordinator on behalf of the International Underwriters at any time and from time to time from the Listing Date, up to (and including) the date which is the 30th day after the last day for lodging of Application Forms under the Hong Kong Public Offering. An announcement will be made in the event that the Over-allotment Option is exercised. Pursuant to the Over-allotment Option, our Company may be required to sell up to 23,826,000 Shares, representing 15% of the maximum number of Offer Shares initially available under the Global Offering, at the Offer Price.

STOCK BORROWING AGREEMENT

CCBI, as the Stabilizing Manager, or any person acting for it may choose to borrow Shares from Rich BVI, under the Stock Borrowing Agreement, or acquire Shares from other sources, including the exercise of the Over-allotment Option. The Stock Borrowing Agreement will not be subject to the restrictions of Rule 10.07(1)(a) of the Hong Kong Listing Rules provided that the requirements set forth in Rule 10.07(3) of the Hong Kong Listing Rules are to be complied with as follows:

- such stock borrowing arrangement with Rich BVI will only be effected by the Stabilizing Manager for the sole purpose of covering any short position prior to the exercise of the Over-allotment Option in connection with the International Offering;
- the maximum number of Shares borrowed from Rich BVI under the Stock Borrowing Agreement will be limited to the maximum number of Shares which may be issued upon exercise of the Over-allotment Option;
- the same number of Shares so borrowed must be returned to Rich BVI or its nominees on or before the third business day following the earlier of (i) the last day on which the Over-allotment Option may be exercised, (ii) the date on which the Over-allotment Option is exercised in full and the relevant over-allocation shares have been allocated, and (iii) such earlier time as the parties may from time to time agree in writing;
- the stock borrowing arrangement under the Stock Borrowing Agreement will be effected in compliance with all applicable laws, listing rules and regulatory requirements; and
- no payment will be made to Rich BVI by the Stabilizing Manager or its authorized agents in relation to such stock borrowing arrangement.

STABILIZATION AND OVER-ALLOTMENT

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the new securities in the secondary market during a specified period of time to retard and, if possible, prevent any decline in the market price of the securities below the offer price. In Hong Kong, activity aimed at reducing the market price is prohibited and the price at which stabilization is effected is not permitted to exceed the offer price.

STRUCTURE OF THE GLOBAL OFFERING

In connection with the Global Offering, CCBI, as Stabilizing Manager, or any person acting for it, on behalf of the Underwriters, may, to the extent permitted by applicable laws of Hong Kong or elsewhere, over-allocate or effect any other transactions with a view to stabilizing or maintaining the market price of the Offer Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the Listing Date. Any market purchases of Shares will be effected in compliance with all applicable laws and regulatory requirements. However, there is no obligation on CCBI or any person acting for it to conduct any such stabilizing activity, which if commenced, will be done at the absolute discretion of CCBI and may be discontinued at any time. Any such stabilizing activity is required to be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of Offer Shares that may be over-allocated will not exceed the number of Offer Shares that may be sold under the Over-allotment Option, namely, 23,826,000 Shares, which is 15% of the Offer Shares initially available under the Global Offering.

Stabilizing action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules (Chapter 571W of the Laws of Hong Kong) includes: (i) over-allocation for the purpose of preventing or minimizing any reduction in the market price of the Shares; (ii) selling or agreeing to sell the Offer Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Offer Shares; (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Offer Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of the Offer Shares for the sole purpose of preventing or minimizing any reduction in the market price of the Shares; (v) selling or agreeing to sell any Offer Shares in order to liquidate any position held as a result of those purchases; and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v).

Specifically, prospective applicants for and investors in the Shares should note that:

- CCBI, or any person acting for it, may, in connection with the stabilizing action, maintain a long position in the Shares;
- there is no certainty regarding the extent to which and the time period for which CCBI, or any person acting for it, will maintain such a position;
- liquidation of any such long position by CCBI may have an adverse impact on the market price of the Shares;
- no stabilizing action can be taken to support the price of the Shares for longer than the stabilizing period which will begin on the Listing Date following announcement of the Offer Price, and is expected to expire on the last business day immediately before the 30th day after the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilizing period by taking of any stabilizing action; and
- stabilizing bids may be made or transactions effected in the course of the stabilizing action at any price at or below the Offer Price, which means that stabilizing bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

STRUCTURE OF THE GLOBAL OFFERING

Our Company will ensure or procure that a public announcement in compliance with the Securities and Futures (Price Stabilizing) Rules (Chapter 571W of the Laws of Hong Kong) will be made within seven days of the expiration of the stabilizing period.

In connection with the Global Offering, CCBI may over-allocate up to and not more than an aggregate of 23,826,000 additional Shares and cover such over-allocations by exercising the Over-allotment Option, or by making purchases in the secondary market at prices that do not exceed the Offer Price or through stock borrowing arrangements or a combination of these means. In particular, for the purpose of settlement of over-allocations in connection with the International Offering, CCBI may borrow up to 23,826,000 Shares from Rich BVI, equivalent to the maximum number of Shares to be issued on the full exercise of the Over-allotment Option, under the Stock Borrowing Agreement.

SHARES WILL BE ELIGIBLE FOR CCASS

All necessary arrangements have been made enabling the Shares to be admitted into CCASS. If the Stock Exchange grants the listing of, and permission to deal in, the Shares and our Company complies with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the date of commencement of dealings in the Shares on the Stock Exchange or any other date HKSCC chooses. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second business day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

DEALING ARRANGEMENTS

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Friday, December 28, 2012, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on Friday, December 28, 2012. The Shares will be traded in board lots of 2,000 Shares.
