
STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering consists of (subject to adjustment and the Over-allotment Option):

- the Hong Kong Public Offering of initially 60,000,000 Shares (subject to re-allocation as mentioned below) in Hong Kong as described below in the paragraph headed “The Hong Kong Public Offering”; and
- the International Placing of initially 540,000,000, including 100,000,000 Sale Shares (subject to adjustment and the Over-allotment Option as mentioned below) outside the United States in reliance on Regulation S.

Investors may apply for our Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for our Shares under the International Placing, but may not do both. The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. The International Placing will involve selective marketing of our Shares to institutional and professional investors and other investors expected to have a sizeable demand for our Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. Prospective investors will be required to specify the number of our Shares under the International Placing they would be prepared to acquire either at different prices or at a particular price. The number of Shares to be offered under the Hong Kong Public Offering and the International Placing respectively may be subject to re-allocation as described in the paragraph headed “The Hong Kong Public Offering” below in this section.

The 600,000,000 Offer Shares in the Global Offering will represent 30% of our enlarged share capital immediately after the completion of the Global Offering.

Allocation of the International Placing Shares to investors under the International Placing will be determined by the Sole Global Coordinator and will be based on a number of factors including the level and timing of demand, total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not the relevant investor is likely to buy further, and/or hold or sell its International Placing Shares after the listing of the Shares on the Stock Exchange. Such allocation is intended to result in a distribution of the International Placing Shares on a basis which would lead to the establishment of an appropriate shareholder base to our benefit and the benefit of our Shareholders as a whole.

Allocation of Hong Kong Public Offer Shares to investors under the Hong Kong Public Offering will be based on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary depending on the number of Hong Kong Public Offer Shares validly applied for by applicants. Although we may, if necessary, allocate the Hong Kong Public Offer Shares on the basis of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Public Offer Shares and that those applicants who are not successful in the ballot may not receive any Hong Kong Public Offer Shares.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

In connection with the Global Offering, the Company intends to grant the Over-allotment Option to the Sole Global Coordinator, exercisable by the Sole Global Coordinator (on behalf of the International Underwriters), provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors. The Over-allotment Option will give the Sole Global Coordinator the right, exercisable at any time from the day on which trading of the Shares commences on the Stock Exchange until 30 days after the last day for lodging of applications under the Hong Kong Public Offering, to sell up to an aggregate of 90,000,000 additional Shares, representing in aggregate 15% of the initial size of the Global Offering at the Offer Price to, among other things, cover over-allocations in the International Placing, if any. The Sole Global Coordinator may also cover any over-allocations by purchasing Shares in the secondary market or by a combination of purchases in the secondary market and a partial exercise of the Over-allotment Option. Any such secondary market purchase will be made in compliance with all applicable laws, rules and regulations. In the event that the Over-allotment Option is exercised, we will make an announcement.

In order to facilitate the settlement of over-allocation in connection with the Global Offering, the Stabilising Manager may choose to borrow, whether on its own or through its affiliates, up to 90,000,000 Shares pursuant to the Stock Borrowing Agreement (being the maximum number of Shares which may be sold upon exercise of the Over-allotment Option), or acquire Shares from other sources, including the exercising the Over-allotment Option.

If the Stock Borrowing Agreement is entered into, it will only be effected by the Stabilising Manager or its agent for settlement of over-allocation in the International Placing. The same number of Shares so borrowed must be returned to Red Glory or its nominees on or before the third business day following the earlier of (i) the last day on which the Over-allotment Option may be exercised; or (ii) the day on which the Over-allotment Option is exercised in full. The Stock Borrowing Agreement will be effected in compliance with all applicable laws, rules and regulatory requirements. No payment will be made to Red Glory by the Stabilising Manager or its agent in relation to such stock.

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters, subject to agreement on the Offer Price to be determined between the Sole Global Coordinator (on behalf of the Underwriters) and us (for ourselves and on behalf of the Selling Shareholder) under the price determination agreement to be entered into on the Price Determination Date. The International Placing is expected to be fully underwritten by the International Underwriters. The Global Offering is subject to the conditions described in the paragraph headed "Global Offering – Conditions of the Global Offering" in this prospectus. In particular, the Hong Kong Underwriting Agreement was subject to an agreement on the Offer Price between the Sole Global Coordinator, on behalf of the Hong Kong Underwriters, and us (for ourselves and on behalf of the Selling Shareholder) for purposes of the Hong Kong Public Offering. The International Underwriting Agreement (including the agreement on the Offer Price between us (for ourselves and on behalf of the Selling Shareholder) and the Sole Global Coordinator, on behalf of the International Underwriters for purposes of the International Placing) is expected to be entered into on the Price Determination Date, which is expected to be on Tuesday, 29 January 2013. The Hong Kong Underwriting Agreement and the International Underwriting Agreement are inter-conditional upon each other.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

PRICE PAYABLE ON APPLICATION

The Offer Price will not be more than HK\$1.35 and is expected to be not less than HK\$1.11, unless otherwise announced by no later than the morning of the last day for lodging applications under the Hong Kong Public Offering as further explained below. If you apply for the Offer Shares under the Hong Kong Public Offering, you must pay the maximum Offer Price of HK\$1.35 per Offer Share plus a 1.0% brokerage fee, 0.005% Stock Exchange trading fee and 0.003% SFC transaction levy. This means that, for every board lot of 2,000 Offer Shares, you should pay HK\$2,727.22 at the time of your application.

If the Offer Price, as finally determined in the manner described below, is lower than HK\$1.35, we will refund the respective difference, including the brokerage fee, Stock Exchange trading fee and SFC transaction levy attributable to the surplus application monies. We will not pay interest on any refunded amounts. Please refer to the section headed “How to Apply for the Hong Kong Public Offer Shares” in this prospectus for further details.

DETERMINATION OF THE OFFER PRICE

We expect the Offer Price to be fixed by agreement among us (for ourselves and on behalf of the Selling Shareholder) and the Sole Global Coordinator, on behalf of the Underwriters, on the Price Determination Date when market demand for the Offer Shares will be determined. We expect the Price Determination Date to be on or around Tuesday, 29 January 2013 and in any event no later than Monday, 4 February 2013. The Offer Price will not be more than HK\$1.35 per Offer Share and is expected to be not less than HK\$1.11 per Offer Share. You are required to pay, on application, the maximum Offer Price of HK\$1.35 for each Offer Share together with a brokerage fee of 1.0%, SFC transaction levy of 0.003% and Stock Exchange trading fee of 0.005% subject to refund if the Offer Price should be lower than HK\$1.35. You should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative offer price range stated in this prospectus.

The Sole Global Coordinator, on behalf of the Underwriters, may, provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors, where considered appropriate based on the level of interest expressed by prospective professional, institutional and other investors during the book-building process, and with our consents (for ourselves and on behalf of the Selling Shareholder), reduce the number of Offer Shares and/or the indicative offer price range below that described in this prospectus prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will as soon as practicable following the decision to make such reduction and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering publish a notice in South China Morning Post (in English) and Hong Kong Economic Journal (in Chinese), on the Company’s website (www.timewatch.com.hk) and or the Stock Exchange’s website (www.hkexnews.hk), of the reduction in the number of Offer Shares and/or the indicative Offer Price range.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

Upon issue of such a notice, the revised number of Offer Shares and/or Offer Price range will be final and conclusive and the Offer Price, if agreed upon among the Sole Global Coordinator, on behalf of the Underwriters and us (for ourselves and on behalf of the Selling Shareholder) will be fixed within such revised Offer Price range, provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors. In this notice, we will also confirm or revise, as appropriate, the working capital statement as currently disclosed in the section headed “Financial Information – Working Capital Confirmation” in this prospectus, the offering statistics as currently disclosed in the section headed “Summary” in this prospectus, the use of proceeds in the section headed “Future Plans and Use of Proceeds” in this prospectus and any other financial information which may change as a result of such reduction.

If you have already submitted an application for Hong Kong Public Offer Shares before the last day for lodging applications under the Hong Kong Public Offering, you will be allowed to subsequently withdraw your application if the number of Offer Shares and/or the Offer Price range is reduced. If we do not publish a notice in South China Morning Post (in English) or Hong Kong Economic Journal (in Chinese), on the Company’s website (www.timewatch.com.hk) and or the Stock Exchange’s website (www.hkexnews.hk) of a reduction in the number of Offer Shares and/or the indicative Offer Price range stated in this prospectus on or before the morning of the last day for lodging applications under the Hong Kong Public Offering, the Offer Price, if agreed upon by us (for ourselves and on behalf of the Selling Shareholder), will be within the Offer Price range as stated in this prospectus.

If we (for ourselves and on behalf of the Selling Shareholder) are unable to reach an agreement with the Sole Global Coordinator, on behalf of the Underwriters, on the Offer Price by Monday, 4 February 2013, the Global Offering will not proceed and will lapse. We expect to publish an announcement of the Offer Price, together with the level of interest in the International Placing and the application results and basis of allocation of the Hong Kong Public Offer Shares on Monday, 4 February 2013.

Conditions of the Global Offering

Acceptance of all applications for the Offer Shares will be conditional on, among other things:

- the Listing Committee granting the listing of and permission to deal in the Shares in issue and to be issued as described in this prospectus, and such listing and permission not having been subsequently revoked prior to the commencement of dealings in the Shares on the Stock Exchange;
- the Offer Price having been duly determined and the execution and delivery of the International Underwriting Agreement on or about the Price Determination Date; and

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

- the obligations of the Underwriters under the Underwriting Agreements becoming and remaining unconditional (including, if relevant, as a result of the waiver of any conditions by the Sole Global Coordinator, on behalf of the Underwriters, and the Joint Sponsors) and such obligations not being terminated in accordance with the terms of the respective agreements,

in each case, on or before the dates and times specified in the Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than the date that is 30 days after the date of this prospectus.

The consummation of each of the Hong Kong Public Offering and the International Placing is conditional upon, among other things, the other becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will not proceed and will lapse and the Stock Exchange will be notified immediately. We will publish a notice of the lapse of the Global Offering in South China Morning Post (in English) and Hong Kong Economic Journal (in Chinese) on the day after such lapse.

In the above situation, we will return all application monies to the applicants, without interest and on the terms described in the sections headed “How to Apply for the Hong Kong Public Offer Shares – Results of Allocations; – Refund of Application Monies; – Despatch/Collection of Share Certificates and Refund Monies” in this prospectus. In the meantime, we will hold all application monies in a separate bank account or separate bank accounts with the receiving bankers or other banks licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong).

We expect to despatch share certificates for the Offer Shares on Monday, 4 February 2013. However, these share certificates will only become valid certificates of title on 8:00 a.m. on Tuesday, 5 February 2013 provided that (i) the Global Offering has become unconditional in all respects; and (ii) the right of termination as described in the section headed “Underwriting” in this prospectus has not been exercised.

THE HONG KONG PUBLIC OFFERING

The Hong Kong Public Offering is a fully underwritten public offer (subject to agreement as to pricing and satisfaction or waiver of the other conditions provided in the Hong Kong Underwriting Agreement and described in the paragraph headed “The Global Offering – Conditions of the Global Offering” above) for the subscription in Hong Kong of, initially, 60,000,000 Offer Shares at the Offer Price (representing 10% of the total number of the Offer Shares initially available under the Global Offering). Subject to the reallocation of Offer Shares between the International Placing and the Hong Kong Public Offering described below, the Hong Kong Public Offer Shares will represent 3% of our enlarged issued share capital immediately after completion of the Global Offering.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

The total number of the Offer Shares available under the Hong Kong Public Offering will be divided equally into two pools for allocation purposes:

- Pool A: The Offer Shares in pool A will be allocated on an equitable basis to successful applicants who have applied for Hong Kong Public Offer Shares with an aggregate subscription price of HK\$5,000,000 (excluding the brokerage, the Stock Exchange trading fee and the SFC transaction levy payable) or less; and
- Pool B: The Offer Shares in pool B will be allocated on an equitable basis to successful applicants who have applied for Hong Kong Public Offer Shares with an aggregate subscription price of more than HK\$5,000,000 (excluding the brokerage, the Stock Exchange trading fee and the SFC transaction levy payable) and up to the value of pool B.

Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If the Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Offer Shares will be transferred to the other pool to satisfy demand in that pool and be allocated accordingly. For the purpose of this sub-section only, the “subscription price” for the Offer Shares means the price payable on application therefore (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Hong Kong Public Offer Shares from either pool A or pool B but not from both pools. We will reject multiple applications between the two pools and reject multiple applications within pool A or pool B. In addition, any application for more than 100% of the Offer Shares initially available in either pool A or pool B for subscription under the Hong Kong Public Offering (that is, 30,000,000 Offer Shares) will be rejected. Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the Application Form submitted by him or her that he or she and any person(s) for whose benefit he or she is making the application have not indicated an interest for or taken up and will not indicate an interest for or take up any Offer Shares under the International Placing, and such applicant’s application will be rejected if the said undertaking and/or confirmation is breached and/or untrue, as the case may be. We and the Hong Kong Underwriters will take reasonable steps to identify and reject applications under the Hong Kong Public Offering from investors who have indicated interest in or have received Offer Shares in the International Placing, and to identify and reject indications of interest in the International Placing from investors who have applied for or have received Offer Shares in the Hong Kong Public Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Placing is subject to the following adjustments in the event of over-subscription under the Hong Kong Public Offering:

- If the number of the Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 50 times the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then International Placing Shares will be reallocated to the Hong Kong Public Offering from the International Placing, so that the total number of the Hong Kong Public Offer Shares available under the Hong Kong Public Offering will be 180,000,000 Offer Shares, representing 30% of the Offer Shares initially available under the Global Offering;

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

- If the number of the Offer Shares validly applied for under the Hong Kong Public Offering represents 50 times or more but less than 100 times the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of International Placing Shares to be reallocated to the Hong Kong Public Offering from the International Placing will be increased so that the total number of the Hong Kong Public Offer Shares available under the Hong Kong Public Offering will be 240,000,000 Offer Shares, representing 40% of the Offer Shares initially available under the Global Offering; and
- If the number of the Offer Shares validly applied for under the Hong Kong Public Offering represents 100 times or more the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of International Placing Shares to be reallocated to the Hong Kong Public Offering from the International Placing will be increased, so that the total number of the Hong Kong Public Offer Shares available under the Hong Kong Public Offering will be 300,000,000 Offer Shares, representing 50% of the Offer Shares initially available under the Global Offering.

If the Hong Kong Public Offering is not fully subscribed, however, the Sole Global Coordinator may reallocate to the International Placing all or any unsubscribed Hong Kong Public Offer Shares in such numbers as it deems appropriate, provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors. If there is an under-subscription in the International Placing and the applications for the Hong Kong Public Offer Shares under the Hong Kong Public Offering exceeds the number of Hong Kong Public Offer Shares initially offered, the Sole Global Coordinator may (but shall not be obliged to), at its sole and absolute discretion, provided that timely notification will be given by the Sole Global Coordinator to the Joint Sponsors, reallocate such number of International Placing Shares as it deems appropriate from the International Placing to the Hong Kong Public Offering to satisfy in whole or in part the excess demand in the Hong Kong Public Offering.

References in this prospectus to applications, Application Forms, application or subscription monies or the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL PLACING

Number of Offer Shares offered

The number of Offer Shares to be initially offered for subscription and purchase under the International Placing will be 540,000,000 Shares, representing approximately 90% of the total number of the Offer Shares initially available under the Global Offering (subject to adjustment and the Over-allotment Option). Subject to any reallocation of Offer Shares between the International Placing and the Hong Kong Public Offering, the International Placing Shares will represent 27% of our enlarged issued share capital immediately after completion of the Global Offering without taking into account any Shares which may be issued and allotted upon any exercise of the Over-allotment Option and the options which may be granted under the Share Option Scheme.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

The International Placing is subject to the same conditions as stated in the paragraph headed “– Conditions of the Global Offering” in this section above.

Allocation

The International Placing will include selective marketing of Offer Shares to professional, institutional and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

Allocation of Offer Shares pursuant to the International Placing will be effected in accordance with the book-building process described in the paragraph headed “– Determination of the Offer Price” in this section above and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Offer Shares, and/or hold or sell its Offer Shares, after the Listing. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and our Shareholders as a whole.

The Sole Global Coordinator (for itself and on behalf of the Underwriters) may require any investor who has been offered Shares under the International Placing, and who has made an application under the Hong Kong Public Offering, to provide sufficient information to the Sole Global Coordinator so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that it is excluded from any application for Shares under the Hong Kong Public Offering.

Over-allotment Option

In connection with the Global Offering, our Company is expected to grant an Over-allotment Option to the Sole Global Coordinator exercisable at the sole discretion of the Sole Global Coordinator (on behalf of the International Underwriters), provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors of the exercise.

Pursuant to the Over-allotment Option, the Sole Global Coordinator has the right, exercisable, provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors at any time from the date of the International Underwriting Agreement until 30 days from the date of the last day of lodging application under the Hong Kong Public Offering, to require our Company to allot and issue up to 90,000,000 additional Shares, representing approximately 15% of the number of the Offer Shares initially available under the Global Offering, at the same price per Share under the International Placing to cover, among other things, over-allocation in the International Placing, if any. If the Over-allotment Option is exercised in full, the additional Offer Shares will represent approximately 4.31% of our

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

enlarged share capital immediately following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, an announcement will be made in accordance with the Listing Rules.

STABILISATION ACTION

Stabilisation is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilise, the underwriters may bid for, or purchase, the new securities in the secondary market during a specified period of time to retard and, if possible, prevent any decline in the market price of the securities below the Offer Price. In Hong Kong, activity aimed at reducing the market price is prohibited and the price at which stabilisation is effected is not permitted to exceed the Offer Price.

The Sole Global Coordinator has been appointed by us as the stabilising manager for the purposes of the Global Offering in accordance with the Securities and Futures (Price Stabilizing) Rules made under the SFO. In connection with the Global Offering, the Stabilising Manager, its affiliates or any person acting for it, on behalf of the Underwriters, may, to the extent permitted by applicable laws of Hong Kong or elsewhere, over-allocate or effect any other transactions with a view to stabilising or maintaining the market price of our Shares at a level higher than that which might otherwise prevail in the open market for a limited period beginning on the Listing Date and expected to end on the 30th day after the last day for lodging of applications under the Hong Kong Public Offering, provided that timely notification will be provided by the Sole Global Coordinator to the Joint Sponsors. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements. Any market purchases of the Shares may be effected on any stock exchange, including the Stock Exchange, any over-the-counter market or otherwise, provided that they are made in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilising Manager its affiliates or any person acting for it to conduct any such stabilising activity, which if commenced, will be done at the sole and absolute discretion of the Sole Global Coordinator and may be discontinued at any time. Any such stabilising activity is required to be brought to an end on the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering. The number of Shares that may be over-allocated will not exceed the number of Shares that may be allotted and issued by our Company under the Over-allotment Option, namely 90,000,000 Shares in aggregate, which is approximately 15% of the Shares initially available under the Global Offering.

Stabilising action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules includes (i) over-allocation for the purpose of preventing or minimising any reduction in the market price of our Shares; (ii) selling or agreeing to sell our Shares so as to establish a short position in them for the purpose of preventing or minimising any reduction in the market price of our Shares; (iii) subscribing, or agreeing to subscribe, for our Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of our Shares for the sole purpose of preventing or minimising any reduction in the market price of our Shares; (v) selling, or agreeing to sell, our Shares in order to liquidate any position established as a result of those

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

purchases; and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v) above. The Stabilising Manager, its affiliates or any person acting for it, may take all or any of the above stabilising action in Hong Kong during the stabilisation period.

Specifically, prospective applicants for and investors in the Shares should note that:

- the Stabilising Manager, its affiliates or any person acting for it, may, in connection with the stabilising action, maintain a long position in the Shares, and there is no certainty regarding the extent to which and the time period for which the Stabilising Manager, its affiliates or any person acting for it, will maintain such a position. Investors should be warned of the possible impact of any liquidation of such long position by the Stabilising Manager, its affiliates or any other person acting for them, may have an adverse impact on the market price of the Shares;
- stabilising action cannot be used to support the price of the Shares for longer than the stabilising period which will begin on the Listing Date following announcement of the Offer Price, and is expected to expire on the 30th day after the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilising action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilising period by taking of any stabilising action; and
- stabilising bids may be made or transactions effected in the course of the stabilising action at any price at or below the Offer Price, which means that stabilising bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

Our Company will ensure or procure that a public announcement in compliance with the Securities and Futures (Price Stabilizing) Rules will be made within seven days of the expiration of the stabilising period.

DEALING

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Tuesday, 5 February 2013, it is expected that dealings in the Offer Shares on the Stock Exchange will commence at 9:00 a.m. on Tuesday, 5 February 2013, and will be traded in board lots 2,000 Shares.
