We have established a place of business in Hong Kong at 8/F., Gloucester Tower, The Landmark, 15 Queen's Road Central, Hong Kong and have registered with the Registrar of Companies as a non-Hong Kong company under Part XI of the Hong Kong Companies Ordinance. MOK, Ming Wai has been appointed as our agent for the acceptance of service of process and notices on behalf of us in Hong Kong at 8/F., Gloucester Tower, The Landmark, 15 Queen's Road Central, Hong Kong. As we are incorporated in the Cayman Islands, our corporate structure, as well as our Memorandum of Association and Articles of Association, are subject to the relevant laws of the Cayman Islands. A summary of relevant parts of Memorandum of Association and Articles of Association and certain relevant aspects of Cayman Islands company law is set out in "Appendix IV — Summary of the Constitution of our Company and Cayman Islands Companies Law" to this Prospectus.

No equity or debt securities of the Company are listed on any other stock exchange, nor is listing or permission to deal for such securities being sought.

2. Changes in the share capital of the Company

As of the date of our incorporation, our authorized share capital was US\$50,000, divided into 50,000 shares of nominal value of US\$1.00 each.

On August 21, 2012, a single share was allotted to the initial subscriber and then transferred to Nexteer Hong Kong.

In addition to the existing authorized share capital of US\$50,000 divided into 50,000 shares of nominal value of US\$1.00, on June 15, 2013, the authorized share capital was increased by HK\$400,000,000 divided into 4,000,000,000 shares of nominal value of HK\$0.10, and the Company issued one share of nominal value of HK\$0.10 to Nexteer Hong Kong. The existing single share of nominal value US\$1.00 was then repurchased by the Company, and the unissued authorized share capital of US\$50,000 was cancelled by the Company.

Immediately following completion of the Capitalization Issue and the Global Offering and assuming that the Over-allotment Option is not exercised, the authorized share capital of our Company will be HK\$400,000,000 divided into 4,000,000,000 Shares, of which 2,400,000,000 Shares will be issued fully paid or credited as fully paid, and 1,600,000,000 Shares will remain unissued. Other than pursuant to the general mandate to issue Shares referred to in the paragraph headed "Resolutions of the Sole Shareholder of the Company passed on June 15, 2013 and September 20, 2013" in this Appendix, we do not have any present intention to issue any of the authorized but unissued share capital of our Company and, without prior approval of our Shareholders in general meeting, no issue of Shares will be made which would effectively alter the control of our Company.

- (a) our authorized share capital increased to an aggregate of HK\$400,000,000 and US\$50,000 by the creation of an additional 4,000,000,000 shares of HK\$0.10 nominal value each;

 - (ii) the Global Offering and the Over-allotment Option were approved and our Directors were authorized to allot and issue Shares pursuant to the Global Offering and such number of Shares as may be required to be allotted and issued upon the exercise of the Over-allotment Option;

- (d) conditional on our share premium account having sufficient balance, or otherwise being credited as a result of the Global Offering, our Directors were authorized to capitalize the sum of HK\$167,999,999.90 paying up in full at par 1,679,999,999 Shares for allotment and issue to holders of Shares whose names appear on the register of our members as at the close of business on October 4, 2013 in proportion to their then existing holdings in us and so that the Shares to be allotted and issued pursuant to this resolution should rank pari passu in all respects with the then existing issued Shares and our Directors were authorized to give effect to such capitalization;
- (e) the appointment or designation of Directors were approved with immediate effect;
- (f) a general unconditional mandate was given to our Directors to allot, issue and deal with Shares or securities convertible into Shares and to make or grant offers, agreements or options (including any warrants, bonds, notes and debentures conferring any rights to subscribe for or otherwise receive Shares) which would or might require Shares to be allotted, issued or dealt with, with an aggregate nominal amount (otherwise than pursuant to, or in consequence of, the Capitalization Issue or the Global Offering, a rights issue or pursuant to the exercise of any subscription rights which may be granted under any share incentive scheme or any scrip dividend scheme or similar arrangements, any adjustment of rights to subscribe for Shares under options and warrants or a special authority granted by our shareholders or an issue of Shares in lieu of the whole or part of a dividend on Shares in accordance with the Articles of Association), not exceeding the sum of 20% of the aggregate nominal amount of our share capital in issue immediately following completion of the Capitalization Issue and the Global Offering but excluding any Shares, which may be issued pursuant to the exercise of the Over-allotment Option, until the conclusion of our next annual general meeting, or the passing of an ordinary resolution by the Shareholders revoking or varying the authority given to our Directors, whichever occurs first;
- (g) a general unconditional mandate (the “Repurchase Mandate”) was given to our Directors to exercise all powers of our Company to purchase Shares with an aggregate nominal amount of not exceeding 10% of the aggregate nominal amount of our share capital in issue immediately following the completion of the Capitalization Issue and the Global Offering but excluding any Shares, which may be issued pursuant to the exercise of the Over-allotment Option until the conclusion of our next annual general meeting, or the passing of an ordinary resolution by the Shareholders revoking or varying the authority given to our Directors, whichever occurs first; and
- (h) the extension of the general mandate to allot, issue and deal with Shares to include the nominal amount of Shares, which may be purchased or repurchased pursuant to paragraph (g) above.

6. Repurchase by the Company of its Own Shares

This section sets out information required by the Hong Kong Stock Exchange to be included in this Prospectus concerning the repurchase by the Company of its own securities.

(a) Provisions of the Listing Rules

The Listing Rules permit companies with a primary listing on the Hong Kong Stock Exchange to repurchase their own securities on the Hong Kong Stock Exchange subject to certain restrictions, the more important of which are summarized below:

(i) Shareholders' approval

All proposed repurchase of securities (which must be fully paid up in the case of shares) by a company with a primary listing on the Hong Kong Stock Exchange must be approved in advance by an ordinary resolution of the shareholders, either by way of general mandate or by specific approval of a particular transaction.

(ii) Source of funds

Repurchases must be funded out of funds legally available for the purpose in accordance with the Memorandum of Association and Articles of Association of the Company and the Listing Rules and the applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on the Hong Kong Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Hong Kong Stock Exchange. Subject to the foregoing, any repurchases by the Company may be made out of the Company's funds, which would otherwise be available for dividend or distribution, or out of the proceeds of a new issue of shares made for the purpose of the repurchase. Any amount of premium payable on the purchase over the par value of the shares to be repurchased must be out of the funds, which would otherwise be available for dividend or distribution, or from sums standing to the credit of the Company's share premium account.

On the basis of the current financial position of us as disclosed in this Prospectus and taking into account the current working capital position of us, our Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of us as compared with the position disclosed in this Prospectus. However, our Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in these circumstances, have a material adverse effect on our working capital requirements or the gearing levels, which in the opinion of our Directors, are from time to time appropriate for us.

The exercise in full of the Repurchase Mandate, on the basis of 2,400,000,000 Shares in issue immediately after the Listing (assuming the Over-allotment Option is not exercised), would result in up to 240,000,000 Shares being repurchased by us during the period in which the Repurchase Mandate remains in force.

(iii) Trading restrictions

The total number of shares which a listed company may repurchase on the Hong Kong Stock Exchange is the number of shares representing up to a maximum of 10% of the aggregate number of shares in issue. A company may not issue or announce a proposed issue of new securities for a period of 30 days immediately following a repurchase (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities, which were outstanding prior to such repurchase) without the prior approval of the Hong Kong Stock Exchange. In addition, a listed company is prohibited from repurchasing its shares on the Hong Kong Stock Exchange if the purchase price is 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the Hong Kong Stock Exchange. The Listing Rules also prohibit a listed company from repurchasing its securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Hong Kong Stock Exchange. A company is required to procure that the broker appointed by it to effect a repurchase of securities discloses to the Hong Kong Stock Exchange such information with respect to the repurchase as the Hong Kong Stock Exchange may require.

(iv) Status of repurchased Shares

All repurchased securities (whether effected on the Hong Kong Stock Exchange or otherwise) will be automatically delisted and the certificates for those securities must be canceled and destroyed.

(v) Suspension of repurchase

A listed company may not make any repurchase of securities after inside information has come to the knowledge of the Company until such time as the inside information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of: (i) the date of the board meeting (as such date is first notified to the Hong Kong Stock Exchange in accordance with the Listing Rules) for the approval of a listed company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and (ii) the deadline for publication of an announcement of a listed company's results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), the listed company may not repurchase its shares on the Hong Kong Stock Exchange other than in exceptional circumstances. In addition, the Hong Kong Stock Exchange may prohibit a repurchase of securities on the Hong Kong Stock Exchange if a listed company has breached the Listing Rules.

(vi) Reporting requirements

Certain information relating to repurchases of securities on the Hong Kong Stock Exchange or otherwise must be reported to the Hong Kong Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following business day. In addition, a listed company's annual report is required to disclose details regarding repurchases of securities made during the year, including a monthly analysis of the number of securities repurchased, the purchase price per share or the highest and lowest price paid for all such purchase, where relevant, and the aggregate prices paid.

(vii) Connected persons

A listed company is prohibited from knowingly repurchasing securities on the Hong Kong Stock Exchange from a “connected person,” that is, a director, chief executive or substantial shareholder of the company or any of its subsidiaries or their associates and a connected person is prohibited from knowingly selling his securities to the company.

(viii) General

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates currently intends to sell any Shares to our Company or our subsidiaries.

Our Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

If, as a result of a securities repurchase, a Shareholder’s proportionate interest in the voting rights of our Company is increased, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, our Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

Our Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

No connected person of our Company has notified us that he/she/it has a present intention to sell Shares to our Company, or has undertaken not to do so if the Repurchase Mandate is exercised.

(b) Reasons for Repurchases

The Directors believe that it is in the best interest of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where the Directors believe that such repurchases will benefit the Company and the Shareholders.

B. CORPORATE ORGANIZATION
