UNDERWRITING

Undertakings by the Relevant Shareholders

Each of the Relevant Shareholders agrees and undertakes to the Company, the Joint Global Coordinators, the Joint Bookrunners, the Joint Lead Managers and the Hong Kong Underwriters that, without the prior written consent of the Joint Global Coordinators (for themselves and on behalf of the Hong Kong Underwriters) and unless in compliance with the Listing Rules:

UNDERWRITING

- (B) until the expiry of the Second Six-Month Period, in the event that he/it enters into any such transactions specified in paragraphs (a)(i), (ii) or (iii) above or agrees or contracts to, or publicly announces an intention to enter into any such transactions, he/it will take all reasonable steps to ensure that he/it will not create a disorderly or false market in the securities of the Company.

The Company agrees and undertakes that upon receiving such information in writing from any of the Relevant Shareholders, it shall, as soon as practicable and if required pursuant to the Listing Rules, notify the Stock Exchange and make a public disclosure in relation to such information by way of press announcement.

Hong Kong Underwriters' Interests in our Company

Save for their respective obligations under the Hong Kong Underwriting Agreement and/or the International Underwriting Agreement and, if applicable, the Stock Borrowing Agreement, as at the Latest Practicable Date, none of the Hong Kong Underwriters was interested legally or beneficially, directly or indirectly, in any Shares or other securities of us or any other member of our Group or had any right or option (whether legally enforceable or not) to subscribe for or purchase, or to nominate persons to subscribe for or purchase, any Shares or other securities of us or any other member of our Group.

Following the completion of the Global Offering, the Hong Kong Underwriters and their affiliated companies may hold a certain portion of the Shares as a result of fulfilling their respective obligations under the Hong Kong Underwriting Agreement and/or the International Underwriting Agreement.

International Offering

International Underwriting Agreement

In connection with the International Offering, we and the Controlling Shareholders expect to enter into the International Underwriting Agreement with the International Underwriters. Under the International Underwriting Agreement and subject to the Over-allotment Option, the International Underwriters would, subject to certain conditions set out therein, agree severally to

UNDERWRITING

subscribe for, or procure subscribers for, their respective applicable proportions of the International Offer Shares initially being offered pursuant to the International Offering. See “Structure of the Global Offering – The International Offering.”

Commissions and Expenses

The Company will pay an aggregate underwriting commission and fee (including the fee payable to the Joint Sponsors) of 2.5% of the aggregate Offer Price of all the Offer Shares (including any Offer Shares issued pursuant to the exercise of the Over-allotment Option), out of which they will pay any sub-underwriting commissions and other fees.

The Joint Global Coordinators may receive a discretionary incentive fee of up to 1.0% of the aggregate Offer Price of all the Offer Shares (including any Offer Shares issued pursuant to the exercise of the Over-allotment Option).

For any unsubscribed Hong Kong Offer Shares reallocated to the International Offering, the underwriting commission will not be paid to the Hong Kong Underwriters but will instead be paid, at the rate applicable to the International Offering, to the relevant International Underwriters.

The aggregate underwriting commissions and fees together with the Stock Exchange listing fees, the SFC transaction levy and the Stock Exchange trading fee, legal and other professional fees and printing and all other expenses relating to the Global Offering are estimated to be approximately HK\$71.0 million (assuming an Offer Price of HK\$3.25 per Offer Share (which is the mid-point of the indicative Offer Price range), the Over-allotment Option is not exercised and the full payment of a discretionary incentive fee) and will be paid by us.

Indemnity

We have agreed to indemnify the Hong Kong Underwriters for certain losses which they may suffer or incur, including losses arising from their performance of their obligations under the Hong Kong Underwriting Agreement and any breach by us of the Hong Kong Underwriting Agreement.

INDEPENDENCE OF THE JOINT SPONSORS

Merrill Lynch Far East satisfies the independence criteria applicable to sponsors set out in Rule 3A.07 of the Listing Rules.

Credit Suisse does not satisfy the independence criteria for sponsors as set out in Rule 3A.07 of the Listing Rules because Credit Suisse Trust Limited (an affiliate of Credit Suisse) 1) acts as the trustee of a discretionary trust established for the benefit of Mr. Li Ziwei and his family and has the powers customarily granted to a discretionary trustee; and 2) acts as trustee of a discretionary trust established for the benefit of certain Directors and senior management of the Group and has the powers customarily granted to a discretionary trustee.

ACTIVITIES BY SYNDICATE MEMBERS

The underwriters of the Hong Kong Public Offering and the International Offering (together, the “Syndicate Members”) and their affiliates may each individually undertake a variety of activities (as further described below) which do not form part of the underwriting or stabilizing process.

UNDERWRITING

The Syndicate Members and their affiliates are diversified financial institutions with relationships in countries around the world. These entities engage in a wide range of commercial and investment banking, brokerage, funds management, trading, hedging, investing and other activities for their own account and for the account of others. In relation to the Shares, those activities could include acting as agent for buyers and sellers of the Shares, entering into transactions with those buyers and sellers in a principal capacity, proprietary trading in the Shares, and entering into over the counter or listed derivative transactions or listed and unlisted securities transactions (including issuing securities such as derivative warrants listed on a stock exchange) which have as their underlying assets, assets including the Shares. Those activities may require hedging activity by those entities involving, directly or indirectly, the buying and selling of the Shares. All such activities could occur in Hong Kong and elsewhere in the world and may result in the Syndicate Members and their affiliates holding long and/or short positions in the Shares, in baskets of securities or indices including the Shares, in units of funds that may purchase the Shares, or in derivatives related to any of the foregoing.

In relation to issues by Syndicate Members or their affiliates of any listed securities having the Shares as their underlying securities, whether on the Stock Exchange or on any other stock exchange, the rules of the stock exchange may require the issuer of those securities (or one of its affiliates or agents) to act as a market maker or liquidity provider in the security, and this will also result in hedging activity in the Shares in most cases.

All such activities may occur both during and after the end of the stabilizing period described in “Structure of the Global Offering.” Such activities may affect the market price or value of the Shares, the liquidity or trading volume in the Shares and the volatility of the price of the Shares, and the extent to which this occurs from day to day cannot be estimated.

It should be noted that when engaging in any of these activities, the Syndicate Members will be subject to certain restrictions, including the following:

- (a) the Syndicate Members (other than the Stabilizing Manager or any person acting for it) must not, in connection with the distribution of the Offer Shares, effect any transactions (including issuing or entering into any option or other derivative transactions relating to the Offer Shares), whether in the open market or otherwise, with a view to stabilizing or maintaining the market price of any of the Offer Shares at levels other than those which might otherwise prevail in the open market; and
- (b) the Syndicate Members must comply with all applicable laws and regulations, including the market misconduct provisions of the SFO, including the provisions prohibiting insider dealing, false trading, price rigging and stock market manipulation.

Certain of the Syndicate Members or their respective affiliates have provided from time to time, and expect to provide in the future, investment banking and other services to us and our affiliates for which such Syndicate Members or their respective affiliates have received or will receive customary fees and commissions.
