- (ii) the International Offering of initially 337,500,000 Shares (subject to reallocation and the Over-allotment Option) (a) outside the United States in offshore transactions in accordance with Regulation S and (b) in the United States to QIBs in reliance on an exemption from registration under the US Securities Act provided by, and in accordance with the restrictions of, Rule 144A or another exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act, as described in “– The International Offering” below.

Investors may either:

THE HONG KONG PUBLIC OFFERING

Number of Offer Shares initially offered

We are initially offering 37,500,000 Shares for subscription by the public in Hong Kong at the Offer Price, representing 10% of the total number of Offer Shares initially available under the Global Offering. The number of Shares initially offered under the Hong Kong Public Offering, subject to any reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering, will represent approximately 2.5% of the issued share capital of us immediately following the completion of the Global Offering.

STRUCTURE OF THE GLOBAL OFFERING

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions set out in “– Conditions of the Global Offering” below.

Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which could mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

For allocation purposes only, the total number of Hong Kong Offer Shares available under the Hong Kong Public Offering (after taking into account any reallocation referred to below) will be divided equally (to the nearest board lot) into two pools: pool A and pool B. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable) or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable).

Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If any Hong Kong Offer Shares in one (but not both) of the pools are unsubscribed, such unsubscribed Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of the immediately preceding paragraph only, the “price” for Hong Kong Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Hong Kong Offer Shares from either pool A or pool B and not from both pools. Multiple or suspected multiple applications under the Hong Kong Public Offering and any application for more than 18,750,000 Hong Kong Offer Shares are liable to be rejected.

Reallocation

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering is subject to reallocation under the Listing Rules. If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times and (iii) 100 times or more of the total number of Offer Shares initially available under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering. As a result of such reallocation, the total number of Offer Shares available under the Hong Kong Public Offering will be increased to 112,500,000 Offer Shares (in the case of (i)), 150,000,000 Offer

STRUCTURE OF THE GLOBAL OFFERING

Shares (in the case of (ii)) and 187,500,000 Offer Shares (in the case of (iii)), representing approximately 30%, 40% and 50% of the total number of Offer Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option). In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Global Coordinators deem appropriate. In addition, the Joint Global Coordinators may reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

If the Hong Kong Public Offering is not fully subscribed for, the Joint Global Coordinators have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Joint Global Coordinators deem appropriate.

Applications

Each applicant under the Hong Kong Public Offering will be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application has not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any International Offer Shares under the International Offering. Such applicant's application is liable to be rejected if such undertaking and/or confirmation is breached and/or untrue (as the case may be) or if it has been or will be placed or allocated International Offer Shares under the International Offering.

The listing of the Shares on the Stock Exchange is sponsored by the Joint Sponsors. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$3.40 per Offer Share in addition to the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable on each Offer Share, amounting to a total of HK\$3,434.27 for one board lot of 1,000 Shares. If the Offer Price, as finally determined in the manner described in “– Pricing and Allocation” below, is less than the maximum Offer Price of HK\$3.40 per Offer Share, appropriate refund payments (including the brokerage, the SFC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. See “How to Apply for Hong Kong Offer Shares.”

THE INTERNATIONAL OFFERING

Number of Offer Shares initially offered

The International Offering will consist of an offering of initially 337,500,000 Shares, representing 90% of the total number of Offer Shares initially available under the Global Offering.

Allocation

The International Offering will include selective marketing of Offer Shares to QIBs in the United States as well as institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. Professional investors generally include brokers,

dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process described in “– Pricing and Allocation” below and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares, and/or hold or sell its Shares, after the Listing. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of us and the Shareholders as a whole.

The Joint Global Coordinators (on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Global Coordinators so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that they are excluded from any allotment of Offer Shares under the Hong Kong Public Offering.

Reallocation

The total number of Offer Shares to be issued pursuant to the International Offering may change as a result of the clawback arrangement described in “– The Hong Kong Public Offering – Reallocation” above, the exercise of the Over-allotment Option in whole or in part and/or any reallocation of unsubscribed Offer Shares originally included in the Hong Kong Public Offering.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, we are expected to grant the Over-allotment Option to the International Underwriters, exercisable by the Joint Global Coordinators on behalf of the International Underwriters.

Pursuant to the Over-allotment Option, the International Underwriters will have the right, exercisable by the Joint Global Coordinators (on behalf of the International Underwriters) at any time during the 30 day period from the last day for lodging applications under the Hong Kong Public Offering, to require us to issue up to an aggregate of 56,250,000 Shares, representing not more than 15% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price under the International Offering to, among others, cover over-allocations in the International Offering, if any. If the Over-allotment Option is exercised, an announcement will be made.

STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the securities in the secondary market, during a specified period of time, to retard and, if possible, prevent a decline in the initial public market price of the securities below the offer price. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including those of Hong Kong. In Hong Kong, the price at which stabilization is effected is not permitted to exceed the Offer Price.

STRUCTURE OF THE GLOBAL OFFERING

In connection with the Global Offering, the Stabilizing Manager, or any person acting for it, on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilizing or supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilizing Manager or any person acting for it to conduct any such stabilizing action. Such stabilizing action, if taken, (i) will be conducted at the absolute discretion of the Stabilizing Manager or any person acting for it and in what the Stabilizing Manager reasonably regards as the best interest of us, (ii) may be discontinued at any time and (iii) is required to be brought to an end within 30 days of the last day for lodging applications under the Hong Kong Public Offering.

Stabilization action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules of the SFO includes (i) over-allocating for the purpose of preventing or minimising any reduction in the market price of the Shares, (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimising any reduction in the market price of the Shares, (iii) purchasing, or agreeing to purchase, the Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above, (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimising any reduction in the market price of the Shares, (v) selling or agreeing to sell any Shares in order to liquidate any position established as a result of those purchases and (vi) offering or attempting to do anything as described in (ii), (iii), (iv) or (v) above.

Specifically, prospective applicants for and investors in the Offer Shares should note that:

- the Stabilizing Manager or any person acting for it may, in connection with the stabilizing action, maintain a long position in the Shares;
- there is no certainty as to the extent to which and the time or period for which the Stabilizing Manager or any person acting for it will maintain such a long position;
- liquidation of any such long position by the Stabilizing Manager or any person acting for it and selling in the open market, may have an adverse impact on the market price of the Shares;
- no stabilizing action can be taken to support the price of the Shares for longer than the stabilization period, which will begin on the Listing Date, and is expected to expire on December 21, 2013, being the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price by the taking of any stabilizing action; and
- stabilizing bids or transactions effected in the course of the stabilizing action may be made at any price at or below the Offer Price and can, therefore, be done at a price below the price paid by applicants for, or investors in, the Offer Shares.

We will ensure or procure that an announcement in compliance with the Securities and Futures (Price Stabilizing) Rules of the SFO will be made within seven days of the expiration of the stabilization period.

STRUCTURE OF THE GLOBAL OFFERING

Over-allocation

Following any over-allocation of Shares in connection with the Global Offering, the Stabilizing Manager or any person acting for it may cover such over-allocations by, among others, exercising the Over-allotment Option in full or in part, by using Shares purchased by the Stabilizing Manager or any person acting for it in the secondary market at prices that do not exceed the Offer Price or through the stock borrowing arrangement as detailed below or a combination of these means.

STOCK BORROWING ARRANGEMENT

In order to facilitate the settlement of over-allocations in connection with the Global Offering, the Stabilizing Manager or any person acting for it may choose to borrow up to 56,250,000 Shares (being the maximum number of Shares which may be issued pursuant to the exercise of the Over-allotment Option) pursuant to the Stock Borrowing Agreement, which was entered into between the Stabilizing Manager or any person acting for it and Hengshi Investments on November 13, 2013, or acquire Shares from other sources, including exercising the Over-allotment Option or by making purchases in the secondary market at prices that do not exceed the Offer Price.

If such stock borrowing arrangement with Hengshi Investments is entered into, it will only be effected by the Stabilizing Manager or any person acting for it for the settlement of over-allocations in the International Offering and such arrangement is not subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules, provided that the requirements set out in Rule 10.07(3) of the Listing Rules, being that the Stock Borrowing Agreement will be for the sole purpose of covering any short position prior to the exercise of the Over-allotment Option in connection with the International Offering, are complied with.

The same number of Shares so borrowed must be returned to Hengshi Investments or its nominees, as the case may be, on or before the third business day following the earlier of (i) the last day for exercising the Over-allotment Option and (ii) the day on which the Over-allotment Option is exercised in full.

The stock borrowing arrangement will be effected in compliance with all applicable laws, rules and regulatory requirements. No payment will be made to Hengshi Investments by the Stabilizing Manager or any person acting for it in relation to such stock borrowing arrangement.

PRICING AND ALLOCATION

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or about November 21, 2013 and, in any event, not later than November 27, 2013, by agreement between the Joint Global Coordinators (on behalf of the Underwriters) and us, and the number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

STRUCTURE OF THE GLOBAL OFFERING

The Offer Price will not be more than HK\$3.40 per Offer Share and is expected to be not less than HK\$3.10 per Offer Share unless otherwise announced, as further explained below. Applicants under the Hong Kong Public Offering must pay, on application, the maximum Offer Price of HK\$3.40 per Offer Share plus brokerage of 1.0%, SFC transaction levy of 0.003% and Stock Exchange trading fee of 0.005%, amounting to a total of HK\$3,434.27 for one board lot of 1,000 Shares. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the Offer Price range stated in this Prospectus.

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

The Joint Global Coordinators, on behalf of the Underwriters, may, where they deem appropriate, based on the level of interest expressed by prospective investors during the book-building process in respect of the International Offering, and with the consent of us, reduce the number of Offer Shares offered and/or the Offer Price range below that stated in this Prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the websites of the Company and the Stock Exchange at www.hengshimining.com and www.hkex.com.hk, respectively; notices of the reduction. Upon the issue of such a notice, the revised number of Offer Shares and/or the Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Joint Global Coordinators (on behalf of the Underwriters) and us, will be fixed within such revised Offer Price range. Before submitting applications for the Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares and/or the Offer Price range may not be made until the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in this Prospectus, and any other financial information which may change as a result of any such reduction. In the absence of any such notice so published, the number of Offer Shares will not be reduced and/or the Offer Price, if agreed upon by the Joint Global Coordinators (on behalf of the Underwriters) and us, will under no circumstances be set outside the Offer Price range as stated in this Prospectus.

The final Offer Price, the level of indications of interest in the International Offering, the level of applications in the Hong Kong Public Offering, the basis of allocation of the Hong Kong Offer Shares and the results of allocations in the Hong Kong Public Offering are expected to be made available through a variety of channels in the manner described in “How to Apply for Hong Kong Offer Shares – 14. Despatch/Collection of Share Certificates and Refund Monies.”

STRUCTURE OF THE GLOBAL OFFERING

UNDERWRITING

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms and conditions of the Hong Kong Underwriting Agreement and is subject to us and the Joint Global Coordinators (on behalf of the Underwriters) agreeing on the Offer Price.

We expect to enter into the International Underwriting Agreement relating to the International Offering on the Price Determination Date.

These underwriting arrangements, including the Underwriting Agreements, are summarised in “Underwriting.”

CONDITIONS OF THE GLOBAL OFFERING

Acceptance of all applications for Offer Shares will be conditional on:

- (i) the Listing Committee granting approval for the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering on the Main Board of the Stock Exchange;
- (ii) the Offer Price having been agreed between us and the Joint Global Coordinators (on behalf of the Underwriters);
- (iii) the execution and delivery of the International Underwriting Agreement on or about the Price Determination Date; and
- (iv) the obligations of the Hong Kong Underwriters under the Hong Kong Underwriting Agreement and the obligations of the International Underwriters under the International Underwriting Agreement becoming unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times).

If, for any reason, the Offer Price is not agreed between us and the Joint Global Coordinators (on behalf of the Underwriters) on or before November 27, 2013, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among others, the other offering becoming unconditional and not having been terminated in accordance with its terms.

STRUCTURE OF THE GLOBAL OFFERING

If the above conditions are not fulfilled or waived prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published by us in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the websites of the Stock Exchange at www.hkexnews.hk and us at www.hengshimining.com on the next day following such lapse. In such a situation, all application monies will be returned, without interest, on the terms set out in “How to Apply for Hong Kong Offer Shares – 14. Despatch/Collection of Share Certificates and Refund Monies.” In the meantime, all application monies will be held in separate bank account(s) with the receiving bank or other bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong).

Share certificates for the Offer Shares will only become valid at 8:00 a.m. on November 28, 2013 provided that the Global Offering has become unconditional in all respects and the right of termination described in “Underwriting” has not been exercised.

DEALING

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on November 28, 2013, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on November 28, 2013.

The Shares will be traded in board lots of 1,000 Shares each and the stock code of the Shares will be 1370.
