### THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. BNP Paribas Securities (Asia) Limited is the Sole Sponsor of the Global Offering.

The Global Offering consists of (subject to adjustment and the Over-allotment Option):

- (i) the Hong Kong Public Offering of 61,848,000 Shares (subject to adjustment as mentioned below) in Hong Kong as described below under the section headed “– The Hong Kong Public Offering;” and
- (ii) the International Placing of 556,612,000 Shares, of which 463,153,600 Shares are to be offered by us and 93,458,400 Sale Shares are to be offered by the Selling Shareholders (subject to adjustment as mentioned below) outside the United States in accordance with Regulation S.

Investors may apply for the Hong Kong Offer Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for the International Placing Shares under the International Placing, but may not do both. The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. The International Placing will involve selective marketing of the International Placing Shares to institutional and professional investors and other investors expected to have a sizeable demand for the International Placing Shares in Hong Kong and other jurisdictions outside the United States in accordance with Regulation S. The International Underwriters are soliciting from prospective investors indications of interest in acquiring the International Placing Shares. Prospective investors will be required to specify the number of International Placing Shares under the International Placing they would be prepared to acquire either at different prices or at a particular price.

The number of Hong Kong Offer Shares and International Placing Shares to be offered under the Hong Kong Public Offering and the International Placing respectively may be subject to reallocation as described in the section headed “– Pricing and Allocation”.

### PRICING AND ALLOCATION

The Offer Price is expected to be fixed by agreement between the Sole Global Coordinator (on behalf of the Hong Kong Underwriters) and our Company (on behalf of itself and the Selling Shareholders) on the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or around Friday, February 14, 2014 and in no event later than Tuesday, February 18, 2014. The Offer Price will be not more than the maximum Offer Price as stated in the Application Forms.

Based on the level of interest expressed by prospective institutional, professional and other investors during the book-building process, the Sole Global Coordinator (on behalf of the Underwriters and with our consent) may reduce the number of Offer Shares being offered under the Global Offering that is stated in this prospectus and/or if appropriate, the indicative Offer Price range

that is stated in the Application Forms at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering on Friday, February 14, 2014 cause to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) notice of the reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range. Such notice will also include confirmation or revision, as appropriate, of the offering statistics as currently set out in the section headed “Summary” in this prospectus and any other financial information which may change as a result of such reduction. Before submitting applications for Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the indicative Offer Price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. The Offer Price, if agreed upon, will be fixed within such revised Offer Price range. In the absence of any notice being published of a reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range stated in this prospectus and the Application Forms, respectively, on or before the last day for lodging applications under the Hong Kong Public Offering, the Offer Price, if agreed upon, will under no circumstances be higher than the maximum Offer Price as stated in the Application Forms.

The Hong Kong Offer Shares and the International Placing Shares may, in certain circumstances, be reallocated as between the Hong Kong Public Offering and International Placing at the discretion of the Sole Global Coordinator.

Allocation of the International Placing Shares pursuant to the International Placing will be determined by Sole Global Coordinator and us and will be based on a number of factors including the level and timing of demand, total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further, and/or hold or sell Offer Shares after the listing of the Shares on the Stock Exchange. Such allocation may be made to professional, institutional and corporate investors and is intended to result in a distribution of our Offer Shares on a basis which would lead to the establishment of a solid shareholder base to the benefit of our Company and its shareholders as a whole.

Allocation of Hong Kong Offer Shares to investors under the Public Offer will be based solely on the level of valid applications received under the Public Offer. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. The allocation of Hong Kong Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The applicable Offer Price, level of applications in the Hong Kong Public Offering, the level of indications of interest in the International Placing, the results of applications and basis of allotment of the Hong Kong Offer Shares are expected to be announced on Thursday, February 20, 2014 in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on our website and the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk).

### CONDITIONS TO THE HONG KONG PUBLIC OFFERING

Acceptance of all applications for the Hong Kong Offer Shares pursuant to the Hong Kong Public Offering will be conditional on:

- the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (subject only to allotment and dispatch of the Share certificates in respect thereof and such other normal conditions acceptable to us and the Sole Global Coordinator, on behalf of the Underwriters) not later than Tuesday, February 18, 2014 (or such later date as we and the Sole Global Coordinator, on behalf of the Hong Kong Underwriters, may agree) and such listing and permission not subsequently having been revoked prior to the commencement of dealings in the Offer Shares on the Stock Exchange;
- the Offer Price having been duly determined and the execution and delivery of the International Underwriting Agreement on or around the Price Determination Date; and
- the obligations of the Underwriters under the respective Underwriting Agreements becoming and remaining unconditional (including, if relevant, as a result of the waiver of any conditions by the Sole Global Coordinator, on behalf of the Underwriters) and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than the date which is 30 days after the date of this prospectus.

If for any reason, the Offer Price is not agreed by Tuesday, February 18, 2014 between us (on behalf of ourselves and the Selling Shareholders) and the Sole Global Coordinator (on behalf of the Underwriters), the Global Offering will not proceed and will lapse.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. We will cause a notice of the lapse of the Hong Kong Public Offering to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Offer Shares” in this prospectus. In the meantime, the application monies will be held in separate bank account(s) with the receiving banker or other bank in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

The consummation of each of the Hong Kong Public Offering and the International Placing is conditional upon, among other things, the other becoming unconditional and not having been terminated in accordance with its terms.

Share certificates for the Offer Shares are expected to be issued on Thursday, February 20, 2014 but will only become valid certificates of title at 8:00 a.m. on the date of commencement of the dealings in our Shares, which is expected to be on Friday, February 21, 2014, if (i) the Global Offering has become unconditional in all respects, and (ii) the right of termination as described in “Underwriting – Underwriting Arrangements and Expenses – Hong Kong Public Offering – Grounds for Termination” in this prospectus has not been exercised.

### THE HONG KONG PUBLIC OFFERING

We are offering 61,848,000 Shares at the Offer Price under the Hong Kong Public Offering, representing approximately 10% of the 618,460,000 Shares initially available under the Global Offering, for subscription by the public in Hong Kong. Subject to adjustment as mentioned below, the number of Shares offered under the Hong Kong Public Offering will represent approximately 2.95% of our total issued share capital immediately after completion of the Global Offering. In Hong Kong, individual retail investors are expected to apply for Hong Kong Offer Shares through the Hong Kong Public Offering and individual retail investors, including individual investors in Hong Kong applying through banks and other institutions, seeking International Placing Shares will not be allotted International Placing Shares in the International Placing.

The Sole Global Coordinator (on behalf of the Underwriters) may require any investor who has been offered Shares under the International Placing, and who has made an application under the Hong Kong Public Offering, to provide sufficient information to the Sole Global Coordinator so as to allow it to identify the relevant applications under the Hong Kong Public Offering and to ensure that it is excluded from any application for Hong Kong Offer Shares.

The Offer Price will be not more than the maximum offer price as stated in the Application Forms. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$1.20 per Share plus brokerage of 1%, SFC transaction levy of 0.003% and the Stock Exchange trading fee of 0.005%. If the Offer Price, as finally determined on the Price Determination Date, is lower than the maximum Offer Price, we will refund the respective difference (including the brokerage, the SFC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies) to successful applicants, without interest. Further details are set out in the section headed “How to Apply for Hong Kong Offer Shares” in this prospectus.

For allocation only, the 61,848,000 Shares initially being offered for subscription under the Hong Kong Public Offering will be divided equally (to the nearest board lot) into two pools: Pool A comprising 30,924,000 Hong Kong Offer Shares and Pool B comprising 30,924,000 Hong Kong Offer Shares, both of which are available on an equitable basis to successful applicants. All valid applications that have been received for Hong Kong Offer Shares with a total amount (excluding brokerage, SFC transaction levy and the Stock Exchange trading fee) of HK\$5 million or below will fall into Pool A and all valid applications that have been received for Hong Kong Offer Shares with a total amount (excluding brokerage, SFC transaction levy and the Stock Exchange trading fee) of over HK\$5 million and up to the total value of Pool B, will fall into Pool B.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

Applicants should be aware that applications in Pool A and Pool B are likely to receive different allocation ratios. If Hong Kong Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. Applicants can only receive an allocation of Hong Kong Offer Shares from either Pool A or Pool B but not from both pools. Multiple or suspected multiple applications within either pool or between the pools and any application for more than 50% of the 61,848,000 Shares initially comprised in the Hong Kong Public Offering (that is 30,924,000 Hong Kong Offer Shares) are liable to be rejected. Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not indicated an interest for or taken up and will not indicate an interest for or take up any Offer Shares under the International Placing, and such applicant's application will be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be).

The allocation of Shares between the Hong Kong Public Offering and the International Placing is subject to adjustment. If the number of Shares validly applied for in the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more, of the number of Hong Kong Offer Shares available under the Hong Kong Public Offering, the total number of Hong Kong Offer Shares available under the Hong Kong Public Offering will be increased to 185,544,000, 247,384,000 and 309,232,000 Shares, respectively, representing approximately 30% (in the case of (i)), 40% (in the case of (ii)) and 50% (in the case of (iii)), respectively, of the total number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option), and such reallocation being referred to in this prospectus as "Mandatory Reallocation". In such cases, the number of Shares allocated in the International Placing will be correspondingly reduced, in such manner as the Sole Global Coordinator deem appropriate, and such additional Shares will be allocated to Pool A and Pool B.

If the Hong Kong Offer Shares are not fully subscribed, the Sole Global Coordinator has the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Placing, in such proportions as the Sole Global Coordinator deems appropriate. In addition to any Mandatory Reallocation which may be required, the Sole Global Coordinator may, at its discretion, reallocate Shares initially allocated for the International Placing to the Hong Kong Public Offering to satisfy valid applications in Pool A and Pool B under the Hong Kong Public Offering, regardless of whether the Mandatory Reallocation is triggered. References in this prospectus to applications, Application Forms, application monies or to the procedure for application relate solely to the Hong Kong Public Offering.

### THE INTERNATIONAL PLACING

The number of International Placing Shares to be initially offered for subscription under the International Placing will be 556,612,000 Shares, representing approximately 90% of the Offer Shares under the Global Offering.

Pursuant to the International Placing, the International Underwriters will conditionally place the Shares with institutional and professional investors and other investors expected to have a sizeable demand for the Shares in Hong Kong and other jurisdictions outside the United States in accordance with Regulation S. The International Placing is subject to the Hong Kong Public Offering being unconditional.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

We expect to grant the Over-allotment Option to the Sole Global Coordinator exercisable at any time and from time to time from the Listing Date, up to (and including) the date which is the 30th day after the last day for lodging of Application Forms under the Hong Kong Public Offering. A press announcement will be made in the event that the Over-allotment Option is exercised. Pursuant to the Over-allotment Option, the Company may be required to sell up to 92,760,000 Shares, representing approximately 15% of the maximum number of Offer Shares initially available under the Global Offering, at the Offer Price.

### STOCK BORROWING AGREEMENT

The Stabilization Manager or any person acting for it may choose to borrow Shares from Epoch Keen, under the Stock Borrowing Agreement, or acquire Shares from other sources, including the exercising of the Over-allotment Option. The Stock Borrowing Agreement will not be subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules provided that the requirements set forth in Rule 10.07(3) of the Listing Rules are to be complied with as follows:

- such stock borrowing arrangement with Epoch Keen will only be effected by the Stabilization Manager for settlement of over-allocations in the International Placing and covering any short position prior to the exercise of the Over-allotment Option;
- the maximum number of Shares borrowed from Epoch Keen under the Stock Borrowing Agreement will be limited to the maximum number of Shares which may be issued upon exercise of the Over-allotment Option;
- the same number of Shares so borrowed must be returned to Epoch Keen or its nominees on or before the third business day following the earlier of (i) the last day on which the Over-allotment Option may be exercised, or (ii) the day on which the Over-allotment Option is exercised in full;
- the stock borrowing arrangement under the Stock Borrowing Agreement will be effected in compliance with all applicable laws, listing rules and regulatory requirements; and
- no payment will be made to Epoch Keen by the Stabilization Manager or its authorized agents in relation to such stock borrowing arrangement.

### OVER-ALLOCATION AND STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the new securities in the secondary market, during a specified period of time, to retard and, if possible, prevent any decline in the market price of the securities below the offer price. In Hong Kong and certain other jurisdictions, activity aimed at reducing the market price is prohibited and the price at which stabilization is effected is not permitted to exceed the offer price.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

In connection with the Global Offering, BNP Paribas Securities (Asia) Limited, as Stabilization Manager, or any person acting for it, on behalf of the Underwriters, may, to the extent permitted by applicable laws of Hong Kong or elsewhere, over-allocate or effect any other transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the last day for the lodging of applications under the Hong Kong Public Offering. Any market purchases of Shares will be effected in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilization Manager or any person acting for it to conduct any such stabilizing activity, which if commenced, will be done at the absolute discretion of the Stabilization Manager and may be discontinued at any time. Any such stabilizing activity is required to be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of Shares that may be over-allocated will not exceed the number of Shares that may be sold under the Over-allotment Option, namely 92,760,000 Shares, which is approximately 15% of the Offer Shares initially available under the Global Offering. Stabilizing action will be entered into in accordance with the laws, rules and regulations in place in Hong Kong on stabilization and stabilization action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules under the SFO includes: (i) over-allocation for the purpose of preventing or minimizing any reduction in the market price of the Shares; (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Shares; (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimizing any reduction in the market price of the Shares; (v) selling or agreeing to sell any Shares in order to liquidate any position held as a result of those purchases; and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v).

Specifically, prospective applicants for and investors in the Offer Shares should note that:

- the Stabilization Manager, or any person acting for it, may, in connection with the stabilizing action, maintain a long position in the Shares;
- there is no certainty regarding the extent to which and the time period for which the Stabilization Manager, or any person acting for it, will maintain such a position;
- liquidation of any such long position by the Stabilization Manager or any person acting for it and selling in the open market may have an adverse impact on the market price of the Shares;
- no stabilizing action can be taken to support the price of the Shares for longer than the stabilizing period which will begin on the Listing Date following announcement of the Offer Price, and is expected to expire on March 16, 2014, being the 30th day after the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilizing period by the taking of any stabilizing action; and

---

## STRUCTURE OF THE GLOBAL OFFERING

---

- stabilizing bids may be made or transactions effected in the course of the stabilization action at any price at or below the Offer Price, which means that stabilizing bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

We will ensure that a public announcement in compliance with the Securities and Futures (Price Stabilizing) Rules will be made within seven days of the expiration of the stabilizing period. In connection with the Global Offering, the Stabilization Manager may over-allocate up to and not more than an aggregate of 92,760,000 Shares and cover such over-allocation by (among other methods) exercising the Over-allotment Option, making purchases in the secondary market at prices that do not exceed the Offer Price or by any combination of these means.

### DEALING ARRANGEMENTS

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Friday, February 21, 2014, it is expected that dealings in Shares on the Stock Exchange will commence at 9:00 a.m. on Friday, February 21, 2014.

### UNDERWRITING ARRANGEMENTS

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement, subject to agreement on the Offer Price between the Sole Global Coordinator (on behalf of the Underwriters) and us (on behalf of ourselves and the Selling Shareholders) on the Price Determination Date.

We expect that we will, on or about Friday, February 14, 2014, shortly after determination of the Offer Price, enter into the International Underwriting Agreement relating to the International Placing.

Underwriting arrangements, the Hong Kong Underwriting Agreement and the International Underwriting Agreement are summarized in the section headed “Underwriting” in this prospectus.
