Our promoters hold 2,769,856,131 existing Domestic Shares as promoter shares (as defined in the PRC Company Law). Under the PRC Company Law, promoter shares may not be sold within a period of one year from March 13, 2013, on which we were organized as a joint stock limited company. This lock-up period will expire on March 12, 2014. The PRC Company Law further provides that in relation to the public share offering of a company, the shares of the company which have been issued prior to the offering shall not be transferred within one year from the date of the listing. Accordingly, Shares issued by our Company prior to the Listing Date shall be subject to this statutory restriction and shall not be transferred for a period of one year from the Listing Date. Upon the agreement of the State Council or its authorized regulatory departments and with the consent of the Stock Exchange, the Domestic Shares may be converted into H Shares.

Except as described in this prospectus and in relation to the dispatch of notices and financial reports to our Shareholders, dispute resolution, registration of Shares in different parts of our register of Shareholders, the method of share transfer and the appointment of dividend receiving agents, which are all provided for in the Articles of Association and summarized in Appendix VI to this prospectus, our Domestic Shares and our H Shares will rank *pari passu* with each other in all respects and, in particular, will rank equally for all dividends or distributions declared, paid or made after the date of this prospectus. However, the transfer of Domestic Shares is subject to such restrictions as PRC law may impose from time to time. Save for the Global Offering, we do not propose to carry out any public or private issue or to place securities simultaneously with the Global Offering or within the next six months from the Listing Date. We have not approved any share issue plan other than the Global Offering.

CONVERSION OF OUR DOMESTIC SHARES INTO H SHARES

Conversion of Domestic Shares

According to the stipulations by the State Council's securities regulatory authority and the Articles of Association, our Domestic Shares may be converted into H Shares, and such converted shares may be listed or traded on an overseas stock exchange; provided that prior to the conversion and trading of such converted shares any requisite internal approval processes shall have been duly completed and the approval from the relevant PRC regulatory authorities, including the CSRC, shall have been obtained. In addition, such conversion, trading and listing shall in all respects comply with the regulations prescribed by the State Council's securities regulatory authorities and the regulations, requirements and procedures prescribed by the relevant overseas stock exchange. If any of our Domestic Shares are to be converted into and to be traded as H Shares on the Stock Exchange as described in this section, such conversion and trading will need to obtain the approval of the relevant PRC regulatory authorities including the CSRC. Approval of the Stock Exchange is required for the listing of such converted shares on the Stock Exchange. Based on the methodology and procedures for the conversion of our Domestic Shares into H Shares as described in this section, we can apply for the listing of all or any portion of our Domestic Shares on the Stock Exchange as H Shares in advance of any proposed conversion to ensure that the transfer process can be completed promptly upon notice to the Stock Exchange and delivery of shares for entry on the H Share

Registrar. As any listing of additional shares after our initial listing on the Stock Exchange is ordinarily considered by the Stock Exchange to be a purely administrative matter, it does not require such prior application for listing at the time of our initial listing in Hong Kong. No class Shareholder voting is required for the listing and trading of the converted shares on an overseas stock exchange. Any application for listing of the converted shares on the Stock Exchange after our initial listing is subject to prior notification by way of announcement to inform Shareholders and the public of any proposed transfer.

Mechanism and Procedures for Conversion

After all the requisite approvals have been obtained, the following procedures will need to be completed in order to effect the conversion: the relevant Domestic Shares will be withdrawn from the Domestic Shares register and we will re-register such Shares on our H Share register maintained in Hong Kong and instruct the H Share Registrar to issue H Share certificates. Registration on our H Share Register will be conditioned on (i) our H Share Registrar lodging with the Stock Exchange a letter confirming the proper entry of the relevant H Shares on the H Share register and the due dispatch of H Share certificates, and (ii) the admission of the H Shares to trade on the Stock Exchange complying with the Listing Rules and the General Rules of CCASS and the CCASS Operational Procedures in force from time to time. Until the transferred shares are re-registered on our H Share register, such Shares would not be listed as H Shares.

REGISTRATION OF SHARES NOT LISTED ON THE OVERSEAS STOCK EXCHANGE
