China International Capital Corporation Hong Kong Securities Limited, China Galaxy International Securities (Hong Kong) Co., Limited, Credit Suisse (Hong Kong) Limited, ICBC International Securities Limited and Haitong International Securities Company Limited (in relation to the Hong Kong Public Offering and the International Offering) are the Joint Lead Managers. China International Capital Corporation Hong Kong Securities Limited, China Galaxy International Securities (Hong Kong) Co., Limited, Credit Suisse (Hong Kong) Limited, ICBC International Capital Limited and Haitong International Securities Company Limited (in relation to the Hong Kong Public Offering and the International Offering) are the Joint Bookrunners for the Global Offering.

Investors may apply for Offer Shares under the Hong Kong Public Offering or apply for or indicate an interest for Offer Shares under the International Offering, but may not do both.

The Offer Shares will represent approximately 22.36% of the enlarged registered share capital of the Company immediately after completion of the Global Offering without taking into account the exercise of the Over-allotment Option. If the Over-allotment Option is exercised in full, the Offer Shares will represent approximately 24.88% of the enlarged registered share capital immediately after completion of the Global Offering and the exercise of the Over-allotment Option as set out in the paragraph entitled “The International Offering – Over-allotment Option” below.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering may be subject to reallocation as described in the paragraph entitled “The Hong Kong Public Offering – Reallocation” below.

THE HONG KONG PUBLIC OFFERING

Number of Offer Shares initially offered

Our Company is initially offering 98,800,000 Offer Shares for subscription by the public in Hong Kong at the Offer Price, representing approximately 10% of the total number of Offer Shares initially available under the Global Offering.

STRUCTURE OF THE GLOBAL OFFERING

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. The Hong Kong Offer Shares will represent approximately 2.24% of the Company's registered share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions as set out in “— Conditions of the Hong Kong Public Offering.”

Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering, both in relation to pool A and B, will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation in each pool may vary, depending on the number of Hong Kong Offer Shares validly applied for by each applicant. Although the allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The total number of Offer Shares initially available under the Hong Kong Public Offering (after taking account of any reallocation referred to below) is to be divided into two pools for allocation purposes: 49,400,000 Offer Shares for Pool A and 49,400,000 Offer Shares for Pool B. The Offer Shares in pool A will be allocated on an equitable basis to successful applicants who have applied for Offer Shares with an aggregate price of HK\$5 million (excluding 1% brokerage, 0.003% SFC transaction levy and 0.005% Hong Kong Stock Exchange trading fee payable) or less. The Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Offer Shares with an aggregate price of more than HK\$5 million (excluding 1% brokerage, 0.003% SFC transaction levy and 0.005% Hong Kong Stock Exchange trading fee payable) and up to the total value in pool B. Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Offer Shares from either pool A or pool B but not from both pools. In addition, multiple or suspected multiple applications and any application for more than 49,400,000 Offer Shares, being the maximum number of Offer Shares initially comprised in pool B in the Hong Kong Public Offering, are liable to be rejected.

STRUCTURE OF THE GLOBAL OFFERING

Reallocation

The allocation of Offer Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering if certain prescribed total demand levels are reached as further described below:

- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents less than 15 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then no Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 98,800,000 Offer Shares, representing 10% of the Offer Shares initially available under the Global Offering;
- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 50 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering so that the total number of Offer Shares available under the Hong Kong Public Offering will be 296,400,000 Offer Shares, representing 30% of the Offer Shares initially available under the Global Offering;
- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 50 times or more but less than 100 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased so that the total number of Offer Shares available under the Hong Kong Public Offering will be 395,200,000 Offer Shares, representing 40% of the Offer Shares initially available under the Global Offering; and
- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 100 times or more the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased so that the total number of Offer Shares available under the Hong Kong Public Offering will be 494,000,000 Offer Shares, representing 50% of the Offer Shares initially available under the Global Offering.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between Pool A and Pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Global Coordinators deem appropriate. In addition, the Joint Global Coordinators may reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

STRUCTURE OF THE GLOBAL OFFERING

If the Hong Kong Public Offering is not fully subscribed, the Joint Global Coordinators has the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering in such proportions as the Joint Global Coordinators deem appropriate.

Applications

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the Application Form submitted by him that he and any person(s) for whose benefit he is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Offering, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or the applicant (or any person for whose benefit he is making the application) has been or will be placed or allocated Offer Shares under the International Offering.

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$2.88 per H Share in addition to applicable brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in the section entitled "Pricing of the Global Offering" below, is less than the maximum price of HK\$2.88 per H Share, appropriate refund payments (including the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in "How to Apply for the Hong Kong Offer Shares."

References in this prospectus to applications, Application Forms, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL OFFERING

Number of Offer Shares offered

Subject to reallocation as described above, the International Offering will consist of an aggregate of 889,200,000 Offer Shares to be offered by us.

Allocation

The International Offering will include selective marketing of Offer Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the "book-building" process described in "Pricing of the Global Offering" below and based on a number of factors, including the level and timing of demand, the total size of the

STRUCTURE OF THE GLOBAL OFFERING

relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Offer Shares, and/or hold or sell its Offer Shares, after the listing of the Offer Shares on the Hong Kong Stock Exchange. Such allocation is intended to result in a distribution of the Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and its shareholders as a whole.

The Joint Global Coordinators (on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Global Coordinators so as to allow them to identify the relevant application under the Hong Kong Public Offering and to ensure that it is excluded from any application of Offer Shares under the Hong Kong Public Offering.

Over-allotment Option

In connection with the Global Offering, we are expected to grant an Over-allotment Option to the International Underwriters exercisable by the Joint Global Coordinators on behalf of the International Underwriters.

Pursuant to the Over-allotment Option, the Joint Global Coordinators have the right, exercisable at any time from the date of the International Underwriting Agreement until 30 days after the last date for lodging applications under the Hong Kong Public Offering, to require our Company to issue and allot up to 148,200,000 additional Offer Shares, representing 15% of the initial Offer Shares, at the same price per Offer Share under the International Offering to cover, among other things, over-allocations in the International Offering, if any. If the Over-allotment Option is exercised in full, the additional Offer Shares will represent approximately 3.25% of the Company's enlarged share capital immediately following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, a press announcement will be made.

PRICING OF THE GLOBAL OFFERING

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the International Offering. Prospective investors under the International Offering will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as "book-building" is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around Friday, March 7, 2014, and in any event on or before Tuesday, March 11, 2014, by agreement between the Joint Global Coordinators (on behalf of the Underwriters) and the Company and the number of Offer Shares to be allocated under various offerings will be determined shortly thereafter.

STRUCTURE OF THE GLOBAL OFFERING

The Offer Price will not be more than HK\$2.88 per H Share and is expected to be not less than HK\$2.28 per H Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. **Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.**

The Joint Global Coordinators, on behalf of the Underwriters, may, where considered appropriate, based on the level of interest expressed by prospective investors under the International Offering during the book-building process, and with the consent of our Company, reduce the number of Offer Shares offered in the Global Offering and/or the indicative Offer Price range below that stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, our Company will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause notices to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and to be posted on the website of the Hong Kong Stock Exchange at www.hkexnews.hk and the website of the Company at www.hanhua.com of the reduction. Upon issue of such a notice, the number of Offer Shares offered in the Global Offering and/or the revised offer price range will be final and conclusive and the offer price, if agreed upon by the Joint Global Coordinators, on behalf of the Underwriters, and our Company, will be fixed within such revised offer price range. Applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in this prospectus, and any other financial information which may change as a result of such reduction. Applicants under the Hong Kong Public Offering should note that in no circumstances can applications be withdrawn once submitted, even if the number of Offer Shares being offered under the Global Offering and/or the Offer Price range is so reduced. In the absence of any such notice so published, the Offer Price, if agreed upon with our Company and the Joint Global Coordinators, will under no circumstances be set outside the Offer Price range as stated in this prospectus.

In the event of a reduction in the number of Offer Shares being offered under the Global Offering, the Joint Global Coordinators may at their discretion reallocate the number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering, provided that the number of H Shares comprised in the Hong Kong Public Offering shall not be less than 10% of the total number of Offer Shares in the Global Offering. The Offer Shares to be offered in the International Offering and the Offer Shares to be offered in the Hong Kong Public Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Global Coordinators.

The net proceeds of the Global Offering accruing to our Company (after deduction of underwriting fees and estimated expenses payable by our Company in relation to the Global Offering, assuming the Over-allotment Option is not exercised) are estimated to be

approximately HK\$2,093.3 million, assuming an Offer Price per H Share of HK\$2.28, or approximately HK\$2,658.2 million, assuming an Offer Price per H Share of HK\$2.88 (or if the Over-allotment Option is exercised in full, approximately HK\$2,415.3 million, assuming an Offer Price per H Share of HK\$2.28, or approximately HK\$3,064.9 million, assuming an Offer Price per H Share of HK\$2.88).
