THE 2 PURCHASE CONTRACTS

Terms of the 2 Purchase Contracts are summarised as follows:

Chaodong Project — the wind farm project of the Company located at Chaodong* (朝東), Guangxi (廣西)

Date : 6 November 2015

Parties: : Haotai New Energy Equipment Ltd.* (浩泰新能源裝備有限公司), a wholly owned subsidiary of the Company, the buyer

XEMC Windpower Co., Ltd* (湘電風能有限公司), an Independent Third Party, the Supplier

Consideration : RMB204 million (equivalent to approximately HK\$250.9 million)

Shijia Project — the wind farm project of the Company located at Shijia* (石家), Guangxi (廣西)

Date : 6 November 2015

Parties: : Haotai New Energy Equipment Ltd.* (浩泰新能源裝備有限公司), a wholly owned subsidiary of the Company, the buyer

XEMC Windpower Co., Ltd* (湘電風能有限公司), an Independent Third Party, the Supplier

Consideration : RMB204 million (equivalent to approximately HK\$250.9 million)

Under each of the 2 Purchase Contracts, the Group has agreed to buy from the Supplier machinery and equipment (including turbines, electricity generation systems, control systems hardware and software, etc.) for 24 sets of wind power generation facilities of 2,000KW each to each of the 2 wind farm projects of the Group in Guangxi (where the Chaodong Project and Shijia Project locate), the PRC.

The above consideration payable by the Group includes fees in relation to, inter alia, the purchase of machinery and equipment and technical support services to be provided by the Supplier, tax payment and delivery and insurance costs. The Supplier will provide a warranty period of 5 years in respect of the machinery and equipment supplied.

* *for identification purpose only*

According to the 2 Purchase Contracts, the Supplier shall pay 10% of the consideration within 15 days from the effective date of the respective Purchase Contract as performance bond for any breach of its obligations under the respective Purchase Contract, which shall be refunded to the Supplier within 30 days after completion of the pre-examination of the machinery and equipment. The Group shall pay the Supplier the consideration by installment based on the stages of completion of the Purchase Contracts from the date of the Purchase Contracts to the expiry date of the warranty period.

THE SUPPLIER

The Supplier is a supplier of wind power machinery and equipment in the PRC. To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Supplier and its ultimate beneficial owner(s) are third parties independent of the Company and the connected persons of the Company.

REASONS FOR AND BENEFIT OF THE TRANSACTIONS

The Company is principally engaged in (i) the wind power sector, investing in various wind farm projects and providing wind power engineering and construction services in the PRC; and (ii) solar energy investments and operations.

It is in the ordinary and usual course of business of the Group to build wind power plants in the PRC, including, among other projects, the 2 subject projects in Guangxi, the PRC. The purchases of the machinery and equipment from the Supplier under the 2 Purchase Contracts represent part of the Group's ordinary investments in its wind farm projects.

The 2 Purchase Contracts were entered into after the Group's tender process. The Group considers that the overall terms offered by the Supplier under the Purchase Contracts represent the best offer made to the Group. The Group evaluated the terms of the contracts based on, among other factors, the specifications and needs of the Group, the credentials and experience of the Supplier, the quality of the products to be supplied by the Supplier, the services agreed to be rendered by the Supplier, the products warranty provided by the Supplier and the terms offered by other suppliers to the Group.

The Directors (including the independent non-executive Directors) consider that the overall terms offered by the Supplier under the Purchase Contracts represent market terms and are on normal commercial terms, fair and reasonable and in the interests of the Company and its shareholders as a whole.

The purchases under the Purchase Contracts will be financed by internal resources of the Group and/or borrowings.

GENERAL

On 3 July 2015, the Group and the Supplier entered into a purchase contract regarding the purchase of wind power electricity generation equipment from the Supplier for the Group's wind farm project in Jiepai* (界牌), Hunan Province (湖南省), the PRC with a total consideration of RMB204 million (equivalent to approximately HK\$250.9 million) (the "Previous Transaction") that the Previous Transaction was not subject to any notification and announcement requirements under the Listing Rules.

The transactions under the 2 Purchase Contracts, when aggregated with the Previous Transaction, constitute a discloseable transaction for the Company as the applicable percentage ratios in respect of the transaction exceed 5% but all of the related percentage ratios are less than 25% and are thus subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

None of the Directors have any material interest in the Purchase Contracts and accordingly, they were not required to and did not abstain from voting on the board resolutions approving the terms of the Purchase Contracts and the transactions contemplated thereunder.
