## **REASONS FOR AND BENEFITS OF THE DISPOSAL**

As mentioned in the Announcements, there are great uncertainties in the situation of the Disposal Group especially with regards to its financial position. The Company is unable to even ascertain the amount of deposits currently in the bank let alone if or when the Company can expect to access either the information regarding the money nor whether eventually those money can be made available for use by the Company. There also exists grave doubts on the recovery of the pre-paid rental. In the above circumstances, the Company would like to limit its exposure and to recover the maximum extent from the Disposal Group at the earliest possible moment and the Disposal is undertaken with the above intention in mind.

In view of the above, the Directors (including the independent non-executive Directors) consider the entering of the Disposal Agreement and the transactions contemplated thereunder are fair and reasonable and in the interests of the Group and the Shareholders as a whole.

## **USE OF PROCEEDS FROM THE DISPOSAL**

It is expected that the Disposal will generate net proceeds of HK\$24.8 million after deducting all relevant expenses. The net proceeds will be utilised as additional working capital for the Company.
