**BUSINESS UPDATE**  
**FURTHER UPDATE ON STRATEGIC COOPERATION**  
**WITH ISDN HOLDINGS IN THE ENERGY INDUSTRY**

This announcement is made by Comtec Solar Systems Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) to keep the shareholders and potential investors of the Company informed of the latest business development of the Group.

Reference is made to the announcement (the “**Announcements**”) of the Company dated 25 May 2017 and 16 August 2017. Unless otherwise stated, terms defined in the Announcements shall have the same meanings when used herein. As disclosed in the Announcements, the Company and ISDN Holdings have incorporated C&I Renewable Limited (i.e. the JV Holdco) and owned as to 70% by our Company and 30% by ISDN Holdings.

The Company is pleased to announce that the JV Holdco has established a wholly-owned subsidiary in Singapore, C&I Singapore Renewable and Innovative Tech Pte. Ltd. (“**C&I Singapore**”). C&I Singapore will be primarily engaged in the research and development of blockchain technology and the related infrastructure in relation to, and the application of such technology and infrastructure to distribution of solar generated energy.

The Company considers that the research and development undertaken by C&I Singapore on blockchain technology, if successful, will provide a more efficient and decentralized platform for the trading and distribution of solar generated energy among a diverse community of producers and consumers of solar generated power. Such platform will create synergies with the Group’s core business of developing, building, managing and investing in high quality distributed generation rooftop solar power projects as well as power storage solutions.

**Shareholders and investors of the Company should exercise caution when dealing in the shares of the Company.**
