**First Quarterly Report 2010**

## **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

## NOTES:

### 1. ORGANISATION AND OPERATIONS

The Company was established as a state-owned enterprise in the People's Republic of China (the "PRC") in 1989. On 29 December 1995, under the relevant provisions of the Company Law of the PRC, the Company was re-organized from a state-owned enterprise to a limited liability company. On 16 August 1996, with the approval of the Economic Restructuring Commission of Jilin Province, the Company was further converted into a joint stock limited company. On 20 April 1999, the Company made a bonus issue from capitalisation of retained profits at the proportion of one bonus share for every two existing shares. The Company's H shares were listed on the Growth Enterprise Market of the Stock Exchange of Hong Kong Limited on 24 May 2001.

The Group is principally engaged in the manufacture and distribution of biochemical medicines in the PRC under the brand names of Changlong and Shendi. There were no changes in the nature of the Group's principal activities during the period ended 31 March 2010.

### 2. BASIS OF PREPARATION

The unaudited consolidated results of the Group have been prepared under the historical cost convention as modified for the revaluation of financial instruments which have been measured at fair value, and in accordance with Hong Kong Financial Reporting Standards ("HKFRS") and Hong Kong Accounting Standards ("HKAS") (collectively "HKFRSs"), accounting principles generally accepted in Hong Kong, the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the "GEM Listing Rules").

The accounting policies adopted in preparing the unaudited consolidated results for the three months ended 31 March 2010 are consistent with those followed in the preparation of the Group's annual financial statements for the year ended 31 December 2009.

The condensed consolidated results for the three months ended 31 March 2010 are unaudited and have been reviewed by the audit committee of the Company.

### 3. TURNOVER

The Group's turnover comprises the invoiced value of merchandise sold net of value-added tax and after allowances for returns and discounts.

### 4. SEGMENTAL INFORMATION

The Group has only one business segment which is in the manufacture and distribution of biochemical medicines in the PRC. During the period ended 31 March 2010, turnover of the Group is generated entirely from sales in the PRC and all identifiable assets of the Group are located in PRC. Accordingly, no business or geographical segmental analysis is presented.

## **BUSINESS REVIEW AND PROSPECTS**

### **OPERATING RESULTS**

For the three months ended 31 March 2010, the Group reported a turnover of approximately RMB35,453,000, representing an increase of approximately RMB8,552,000 as compared with the same period last year. Profit attributable to equity holders of the Company for the three months ended 31 March 2010 was RMB8,925,000, representing a greatly increase of 224% from RMB3,975,000 for the corresponding period in 2009. Basic earning per share was RMB1.59 cents.

Turnover increased for approximately RMB8,552,000 as compared with the same period last year mainly contributed by the increase in the sale of Hai Kun Shen Xi and Fu Fang Huo Nao Shu capsule.

The gross profit margin for the three months ended 31 March 2010 was approximately 84%, representing a 3% increase as compared to that of 81% for the period ended 31 March 2009. The reason for the increase of gross profit margin was mainly due to a change of product sales mix whereby the sale of products with higher margin had increased. The Board believes that there were no significant fluctuation for the production and material cost.

The distribution and selling costs as a percentage of turnover was 44% in 2010. This represented a 2% increase from 42% when compared to the same period last year. Administrative expenses decrease from RMB5,349,000 for the three months ended 31 March 2009 to RMB3,698,000 for the same period in 2010. This increase in distribution and selling costs and decrease in administrative expenses did not exceed the Group's monthly budget and were in line with the Group's expectation during the strategic planning for 2010.

### **Production Facilities**

During the year 2009, the Board has reviewed all production facilities and has redesigned the assembly lines and reallocated the plant and machinery so as to improve the effectiveness and efficiency of the production lines. In addition, the Group has made important process improvements and technological transformation on the production facilities, and completed three reconstruction projects including standardized warehouse, solid pharmaceutical preparation workshop and cephalosporin materials workshop. The newly constructed area was about 10,000 square meters, thereby substantially boosting our productivity.

## LIQUIDITY AND FINANCIAL RESOURCES

The Group has maintained a sound financial position during this period. As at 31 March 2010, the Group had cash and bank balances amounted to RMB26.6 million (2009: RMB41 million). As at 31 March 2010, the Group had unaudited consolidated net asset value of approximately RMB278,385,000 (2009: RMB314,767,000).

For the three months ended 31 March 2010 and 2009, the Group generated revenue and incurred costs mainly in Hong Kong dollars and Renminbi. The Directors consider the impact on foreign exchange exposure of the Group is minimal.

## GEARING RATIO

The Group's gearing ratio as at 31 March 2010 was 2.51% (as at 31 March 2009: 2.22%), which was calculated by dividing the amount of bank borrowings of the Group as at 31 March 2010 by total assets as at 31 March 2010 and then multiplied by 100%.

Save as disclosed above, as at 31 March 2010, the Directors were not aware of any other person (other than the Directors, supervisors and chief executives of the Company) who had interests and short positions in the shares and underlying shares of the Company as recorded in the register required to be kept under Section 336 of the SFO.

## COMPETING INTEREST

During the period under review, none of the Directors or the management shareholders, significant shareholders or substantial shareholders (as defined in the GEM Listing Rules) of the Company had any interest in any business, which competes or may compete with the business of the Group.

---

## **CODE OF CONDUCT REGARDING SECURITIES TRANSACTIONS BY DIRECTORS**

During the period ended 31 March 2010, the Company has adopted a code of conduct regarding securities transactions by directors on terms no less than the required standard of dealings as set out in rules 5.48 to 5.67 of the GEM Listing Rules. The Company has also made specific enquiry of all Directors and the Company was not aware of any non-compliance with the required standard of dealings and its code of conduct regarding securities transactions by Directors.

## **COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE PRACTICES**

In the opinion of the Board, the Company has complied with the code provisions in the Code on Corporate Governance Practice (the "Code") as set out in the Appendix 15 of the GEM Listing Rules throughout the period ended 31 March 2010 subject to the deviations disclosed hereof.

## **BOARD OF DIRECTORS**

Under the code provision A.2.1, the roles of chairman and chief executive officer should be separate and should not be performed by the same individual. Mr. Zhang Hong assumes the role of both the chairman and the chief executive officer of the Company. The Board is of the view that this has not compromised accountability and independent decision making for the following reasons:

- the Audit Committee composes exclusively of independent non-executive directors;
- the independent non-executive directors have free and direct access to the Company's external auditors and independent professional advice when considered necessary.

Mr. Zhang Hong, the chairman, is a substantial shareholder of the Company and has considerable industry experience. He is motivated to contribute to the growth and profitability of the Group. The Board is of the view that it is in the best interests of the Group to have an executive chairman so that the Board can have the benefit of a chairman who is knowledgeable about the business of the Group and is most capable to guide discussions and brief the Board in a timely manner on pertinent issues and developments to facilitate open dialogue between the Board and the management.

---

## AUDIT COMMITTEE

The Company set up an audit committee (the "Committee") on 24 May 2001 with written terms of reference in compliance with the requirements as set out in Rules 5.28 and 5.29 of the GEM Listing Rules. The primary duties of the Committee are to review and provide supervision over the financial reporting procedures and internal control system of the Group.

The committee has reviewed with the management the accounting principles and practices adopted by the Group and discussed internal controls and financial reporting matters, including a review of the unaudited results of the Group for the period ended 31 March 2010.
