科瑞控股有限公司

(Incorporated in Bermuda with limited liability)
(In Liquidation)
(Stock Code: 8109)

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

FOR THE THREE MONTHS ENDED 30TH SEPTEMBER, 2007

1. ORGANISATION AND OPERATIONS

Creative Energy Solutions Holdings Limited (In Liquidation) (the “Company”) is a public limited company domiciled and incorporated in Bermuda and its shares are listed on Securities on the Growth Enterprise Market (“GEM”) of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”). The trading of the Company’s shares on the Stock Exchange has been suspended since 30th September, 2005.

The Company is an investment holding company. The address of its registered office is Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda. The Company acts as an investment holding company and the Group is principally engaged in the provision of energy efficiency solutions and engineering consulting services in the People’s Republic of China (“PRC”) including Hong Kong.

The Company’s functional currency is Renminbi. The consolidated financial statements are presented in Renminbi as it is considered the most appropriate presentation currency in view of the Company’s past practice. All values are rounded to the nearest thousand except when otherwise indicated.

2. WINDING-UP PETITION AND APPOINTMENT OF LIQUIDATIONS

On 14th February, 2007, the High Court of Hong Kong (“Court”) ordered that the Company be wound-up and appointed the Official Receiver, who was appointed under the Hong Kong Companies Ordinance (Chapter 32 of the Laws of Hong Kong) as provisional liquidator pursuant to Section 194(1)(a) of the Hong Kong Companies Ordinance. The Court appointed Mr. Desmond Chung Seng Chiong and Mr. Roderick John Sutton, both of Ferrier Hodgson Limited, as joint and several liquidators (“Liquidators”) of the Company on 3rd May, 2007.

In the Hong Kong perspective, the directors of the Company no longer have the power, as a consequence of the appointment of the Liquidators, to present a directors’ report or prepare the financial statements.

The Liquidators were only appointed on 3rd May, 2007 and do not have the same detailed knowledge of the financial affairs of the Group as the directors of the Company might have. The accounting staff responsible for maintaining the books and records of the Company, and preparing its financial statements, had left the Company prior to the appointment of the Liquidators. The Liquidators have reviewed such books and records of the Company as were made available to them. The Liquidators have not yet been able to look into all aspects of the Group's and the Company's affairs, and as liquidators, their main duty, and therefore concern, has been with the protection of the Company's assets, rather than the computation of the profit and loss of the Group and the Company.

The new directors confirmed that the Company is no longer able to exercise effective control over certain subsidiaries. The Group currently continues its operation mainly through its wholly owned subsidiary, Beijing Creative which is carrying on the business activities in the provision of energy efficiency solutions and engineering consulting services.

On 24th November, 2006, the Stock Exchange announced that the Company had been placed into the de-listing procedure. The Stock Exchange imposed a six-month period to 23rd May, 2007 for the Company to submit a resumption proposal.

On 9th May, 2007, the Company, Million Sino Investments Limited (the "Investor"), the Liquidators and Ferrier Hodgson Limited (the "Escrow Agent") (together the "Relevant Parties") entered into the Escrow and Exclusivity Agreement (the "Agreement") whereby the Investor was given an exclusivity period up to 30th November, 2007 for discussion and finalisation of the resumption proposal of the Company. As additional time is required for finalisation of the resumption proposal, the Relevant Parties entered into the first escrow supplemental agreement, the second escrow supplemental agreement and the third escrow supplemental agreement on 30th November, 2007, 31st May, 2008 and 15th December, 2008 respectively for the extension of the Agreement to 31st May, 2008, 30th November, 2008 and 31st May, 2009 respectively.

On 6th February, 2009, the GEM Listing Committee confirmed that the Company was allowed to proceed with the resumption proposal dated 2nd February, 2009, involving, among other things, the capital reorganisation of the share capital of the Company, the subscription of the new shares (the "Subscription") by the Investor, the schemes of arrangement under the Hong Kong Law and Bermuda Law between the Company and its creditors (the "Schemes") and the restructuring of the corporate structure of the Group (collectively, the "Restructuring Proposal"), subject to the satisfaction of certain conditions (the "Conditions") on or before 5th August, 2009. As various negotiation and court processes had taken a fair amount of time, an application has been made to and approved by the Stock Exchange to extend the deadline for the fulfillment of the Conditions to 30th June, 2010.

3. BASIS OF PRESENTATION

The financial statements have been prepared based on available books and records of the Company and its subsidiaries. Although the new directors, appointed on 30th January, 2010 and did not take part in the daily management of the Company and its subsidiaries, had used their best endeavors to locate all the financial and business records of the Group, the directors have been unable to locate sufficient documentary information to satisfy themselves regarding the treatment of various balances of the Group and of the Company prior to the appointment of the Liquidators as most of the former directors of the Company, former senior management and former accounting personnel of the Group have either left the Group or unable to contact.

The unaudited condensed consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRS”), which collective term include all applicable individual HKFRS, Hong Kong Accounting Standards and Interpretations issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the applicable disclosure requirements of the Rules Governing the Listing of Securities on the Growth Enterprise Market of the Stock Exchange (the “GEM Listing Rules”). The unaudited condensed consolidated financial statements have been prepared under the historical cost convention.

The accounting policies and methods of computation used in the preparation of the unaudited condensed consolidated financial statements are consistent with those used in the annual financial statements for the year ended 30th June, 2007 except in relation to the following new and revised HKFRS that are adopted for the first time for the current period’s financial information.

HKAS 1 (Amendments)	Capital disclosures
HKFRS 7	Financial instruments: Disclosures
HKAS 39 & HKFRS 7 (Amendments)	Reclassification of Financial Assets

HK(IFRIC) – Int 12	Service Concession Arrangements
HK(IFRIC) – Int 14	HKAS 19 – The Limit on a Defined Benefit Assets, Minimum Funding Requirement and their Interaction

The Group has not early applied any new standard, amendment or interpretation that has been issued but is not yet effective.

4. DECONSOLIDATION OF SUBSIDIARIES AND SUBSEQUENT IMPAIRMENT OF RESPECTIVE BOOK VALUES

The financial statements have been prepared based on the books and records currently maintained by the Company and its subsidiaries. However, due to the loss of contact with former senior management of certain subsidiaries and lack of relevant personnel support the new directors of the Company, who are appointed on 30th January, 2010, considered that the control over the following subsidiaries has been lost from 1st July, 2007. The results, assets and liabilities and cash flows of these subsidiaries were deconsolidated from the financial statements of the Group with effect from 1st July, 2007.

Deconsolidated subsidiaries

Bell Investment Holdings (H.K.) Limited

Fujian Traving Science & Technology of Saving Development Co., Ltd.
Hainan Creative Easy Union Science & Technology of Saving Development Co., Ltd.
Shenzhen Creative Eternal Well Science & Technology of Saving Development Co., Ltd.
Fujian Creative New Era Control Technology Co., Ltd.

In the opinion of new directors, the consolidated financial statements as at and for the period ended 30th September, 2007 prepared on the aforementioned basis present more fairly the results and state of affairs of the Group as a whole in light of the lost of control of the aforesaid deconsolidated subsidiaries. Due to the lack of complete books and records of aforesaid deconsolidated subsidiaries, the deconsolidation from the consolidated financial statements of the Group only based on the net liability value of these subsidiaries and other financial information as at 30th June, 2007, resulting in a net loss of RMB4,874,000 which is included in the consolidated income statement for the period ended 30th September, 2007.

Due to the significance of the operations of Creative ECO – Energy Investment Group Limited, Creative Energy (Asia) Limited, Fujian Traving Science & Technology of Saving Development Co., Ltd., Hainan Creative Easy Union Science & Technology of Saving Development Co., Ltd., Shenzhen Creative Eternal Well Science & Technology of Saving Development Co., Ltd. and Fujian Creative New Era Control Technology Co., Ltd., any changes to the status of those deconsolidated subsidiaries may have a significant consequential effect on the net liabilities of the Group as at 30th September, 2007 and the results of the Group for the period then ended.

The Group has been treated as a continuing entity and accordingly the consolidated financial statements for the year ended 30th June, 2002 were prepared on the basis that the Company was the holding company of the Group for the entire year, rather than from 3rd January, 2002. BUSINESS REVIEW

The Company acts as an investment holding company and the Group is principally engaged in the provision of energy efficiency solutions and engineering consulting services in the People's Republic of China ("PRC") including Hong Kong.

The Liquidators were appointed on 3rd May, 2007 pursuant to an Order of the High Court. As such, the Liquidators do not have the same knowledge of the financial affairs of the Group as the board would have, particularly in relation to the transactions entered into by the Group prior to the appointment of the Liquidators.

Financial result

During the period, the Group's turnover was approximately RMB2.28 million (three months ended 30th September, 2006: RMB2.18 million), representing an increase of approximately 4.59% from the three months ended 30th September, 2006.

The consolidated loss attributable to shareholders of the Group amounted to approximately RMB14.31 million for the three months ended 30th September, 2007 (three months period ended 30th September, 2006: RMB0.35 million). SUSPENSION OF TRADING OF THE COMPANY'S SHARES AND APPOINTMENT OF THE PROVISIONAL LIQUIDATORS AND JOINT AND SEVERAL LIQUIDATORS

Trading in the Company's shares on Stock Exchange has been suspended since 30th September, 2005. On 11th December, 2006, Peter Beck & Partner Vermögensverwaltung petitioned to the High Court for the winding up of the Company. The petition was filed as the Company could not meet the statutory demand issued by the petitioner for settlement of a total outstanding debt of approximately US\$1.9 million (equivalent to approximately HK\$14.7 million) owed by the Company. The winding up Order was made by the High Court on 14th February, 2007 and the Official Receiver was appointed as the Provisional Liquidator.

Upon the application of the Provisional Liquidator on 11th April, 2007, Mr. Desmond Chung Seng Chiong and Mr. Roderick John Sutton, both of Ferrier Hodgson Limited were appointed as the Liquidators by the High Court on 3rd May, 2007.

RESTRUCTURING OF THE GROUP

On 17th August, 2009, the Company entered into an agreement for the implementation of a Restructuring Agreement with the Investor, subject to the passing of the requisite resolutions by the shareholders and compliance with relevant legal procedures and requirements. The principal terms of the Restructuring Proposal, involve, inter alia, the following:

- (i) the Investor has agreed to inject cash of up to HK\$48 million into the Company in exchange for approximately 95% of the enlarged issued share capital of the Company upon completion of the Restructuring Proposal; and
- (ii) the Company will settle all the claims from all Creditors of the Company in accordance with the terms of the Restructuring Proposal and the Schemes which subject to the approval by the necessary majorities at the respective creditors' meetings pursuant to the Hong Kong Companies Ordinance and Companies Act of Bermuda.

(a) Capital Restructuring

- (i) The nominal value of the 440,000,000 issued shares will be reduced from HK\$0.1 to HK\$0.001 each as at the date of passing of the requisite resolutions by the shareholders and compliance with relevant legal procedures and requirements. As a result, the Company's issued share capital of HK\$44,000,000 will be reduced by HK\$43,560,000 to HK\$440,000.

The entire credit balance of HK\$43,560,000 arising from the capital reduction shall be applied to reduce the accumulated losses of the Company.

- (ii) Each of the Company's existing authorised but unissued shares of HK\$0.1 each will be subdivided into 100 unissued shares of HK\$0.001 each. Accordingly, the authorised but unissued share capital will be changed to 99,560,000,000 adjusted shares.

- (iii) The Company entered into subscription agreement with the investor relating to a subscription of a total of 8,316,000,000 new ordinary shares at a subscription price of HK\$0.0058 per share (“the Subscription”). A sum of HK\$2.7 million out of the subscription proceeds will then be transferred to the Scheme administrators for the creditors’ settlement and the balance of the subscription proceeds will be used for working capital and investments of the Company.
- (iv) Every 50 shares of HK\$0.001 each will be consolidated into one new share (“consolidated share”) of nominal value of HK\$0.05. Accordingly, 8,756,000,000 issued shares of HK\$0.001 each will be consolidated into 175,120,000 new shares of HK\$0.05 each and 91,244,000,000 unissued shares of HK\$0.001 each will be consolidated into 1,824,880,000 unissued new shares of HK\$0.05 each.
- (v) Authorised share capital remains the same at HK\$100,000,000 divided into 2,000 million new shares of HK\$0.05 each of which 1,991,200,000 shares would be unissued whilst 8,800,000 would be issued and paid up.

All of the above new share rank pari passu with the existing shares in all aspects.

(b) Debt Restructuring

It is proposed that all indebtedness of the Company will be restructured pursuant to the terms of the Restructuring Proposal and the Schemes. Four known unsecured creditors, who constitute approximately 84% in value of 19 known creditors, have indicated to the liquidators their agreement in principle to the proposal.

The indebtedness will be settled via the Schemes as follows, on a pro-rata basis:

- (i) a cash payment in the amount equivalent to 5% of the relevant indebtedness owed to the Creditors (which is approximately HK\$2.7 million based on the proof of debt received by the Liquidators up to the Latest Practicable Date), which is funded by the Company out of the proceeds of the Subscription;
- (ii) the issue and allotment by the Company of 880,000 new consolidated shares, after taking into account the effect of the capital restructuring and upon completion of the Restructuring Proposal;

- (iii) The Company will set up “Scheme Holdco” as an investment holding company to hold the all subsidiaries of the Company, except Beijing Creative, Easy Union Holdings Limited, Rising Dragon International Limited and Action Win Investments Limited (collectively referred to “Other Assets”);
- (iv) The entire interest of the Other Assets will be disposed to Scheme Holdco in consideration of HK\$1;
- (v) The entire interest of Scheme Holdco will be disposed to the Scheme Administrators or its nominee in the consideration of HK\$1.

As a result, the Other Assets will cease to be subsidiaries of the Company and their results will not be consolidated in the financial statements of the Group after completion.

PROSPECTS

It is anticipated that the financial position of the Group will be substantially improved upon the completion of the proposed restructuring of the Group as contemplated under such agreement. The Investor and the Liquidators anticipate all existing liabilities owed to the creditors of the Company will be compromised and discharged through a proposed Hong Kong and Bermuda schemes of arrangement.

It is the Investor’s intention to maintain the Group’s existing energy and engineering consulting business, currently conducted through Beijing Creative Easy Union Science & Technology of Saving Development Co. Limited, an indirect wholly-owned subsidiary of the Company and which is currently the only operating subsidiary of the Company.

With the strong and continuous support provided by the Investor to the Group in terms of both business and financial aspects, the Group will be able to sustain its retail business at a sufficient level in upcoming financial years and expand its business to a substantial level within a reasonable period of time after the resumption of trading in the shares of the Company on the Stock Exchange.
