First Quarterly Report 2010

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

BUSINESS REVIEW

Apart from the continuous efforts to monitor the market development, restructure and streamline the business operations as and when necessary so as to improve the current financial status of the Group and enhance the business performance, the Board has been actively seeking other opportunities to broaden the revenue base of the Group.

In March 2010, the Group completed acquisition of 100% of the equity interest in 北京神通益家科技服務有限公司 (Beijing Shentong Yijia Technology Services Company Limited#) (“Yijia”). The Board considers that this acquisition will enable the Group to expose to the fast growing electronic smart card services business in the PRC.

To better reflect the core business of the Group and the well-developed partnership with 神州通信集團有限公司 (China Communication Group Co., Ltd.#) (“CCC”) and its group, as well as refresh the corporate identity and image of the Company, the Company has adopted the current name China Communication Telecom Services Company Limited since May 2010.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

However, this first quarterly report does not contain sufficient information to constitute an interim financial report as defined in HKAS 34.

The condensed consolidated financial statements should be read in conjunction with the annual financial statements for the year ended 31 March 2010. The accounting policies adopted are consistent with those followed in the preparation of the annual financial statements for the year ended 31 March 2010 except for the adoption of the new Hong Kong Financial Reporting Standards and Hong Kong Accounting Standards as disclosed in first quarterly report.

The condensed consolidated financial statements are presented in Hong Kong Dollars ("HK\$"), rounded to the nearest thousand except for per share data. Hong Kong dollar is the Company's functional and presentation currency.

This condensed consolidated financial statements have not been audited.

In the current period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the HKICPA that are relevant to its operations and effective for its accounting period beginning on 1 April 2010. HKFRSs comprise Hong Kong Financial Reporting Standards ("HKFRS"), Hong Kong Accounting Standards ("HKAS") and Interpretations. The adoption of these new and revised HKFRSs did not result in substantial changes to the Group's accounting policies and amounts reported for the current year and prior years.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

This condensed consolidated financial statements have been prepared on a going concern basis, the validity of which depends on the ability of the Group to operate within budget as set out in its cash flow forecast for the upcoming twelve months. Should there be any unexpected major adverse incidents, such as non-recovery of trade debts, substantial decline of planned operating cash flow, failure to obtain additional funding as planned or any incidents that would adversely affect the Group's financial position such that the Group is unable to continue as a going concern, adjustments would have to be made to the condensed consolidated financial statements to restate the values of the Group's assets to their immediate recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.
