# CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on The Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of China E-Learning Group Limited (the "Directors") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this report is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this report misleading; and (3) all opinions expressed in this report have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

# NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

#### 1. CORPORATE INFORMATION

The Company was incorporated in the Cayman Islands as an exempted company with limited liability under the Companies Law of the Cayman Islands. The Company's shares have been listed on the Growth Enterprise Market ("GEM") of The Stock Exchange of Hong Kong Limited (the "Stock Exchange").

The Company acts as an investment holding company. The principal activities of the Company and its subsidiaries (collectively referred to as the "Group") are derived from the provisions of occupational education, industry certification course, skills training and education consultation services.

#### 2. BASIS OF PREPARATION

The unaudited condensed consolidated financial statements for the three months ended 31 March 2011 have been prepared in accordance with the Hong Kong Financial Reporting Standards and Hong Kong Accounting Standards and Interpretations (the "standards") issued by the Hong Kong Institute of Certified Public Accountants and the applicable disclosure requirements of the GEM Listing Rules.

The basis of preparation and accounting policies applied in the preparation of the unaudited condensed consolidated financial statements are consistent with those applied in the Group's annual financial statements for the year ended 31 December 2010. The condensed consolidated financial statements are unaudited, but have been reviewed by the audit committee (the "Audit Committee") of the Company.

The Group has adopted all of the new and revised standards, amendments and interpretations which are relevant to its operations and effective for the accounting periods beginning on or after 1 January 2010. The adoption of these new and revised standards, amendments and interpretations does not have significant impact on the accounting policies of the Group, and the amounts reported for the current period and prior periods.

The Group has not early adopted the new and revised standards that have been issued but are not yet effective. The directors anticipate that the application of the new and revised standards will have no material impact on the results and financial position of the Group.

#### 3. TURNOVER

Turnover represents revenue of the Group from the provision of distance learning programs and education consultation.

#### 4. OTHER INCOME

	2011 HK\$'000	2010 HK\$'000
Gain on redemption of convertible notes Interest income Sundry income	529 — 64	875 18 12
	593	905

#### 5. FINANCE COSTS

Finance costs represent interest expenses on convertible notes stated at amortised cost.

#### 6. INCOME TAX CREDIT

No provision for Hong Kong Profits Tax has been made as the Group did not generate any taxable profits in Hong Kong for both periods.

Taxation arising in other jurisdictions is calculated at the rates prevailing in the respective jurisdictions. Under the Law of the People's Republic of China (the "PRC") on Enterprise Income Tax (the "EIT Law") and Implementation Regulation of the EIT Law, the tax rate of the PRC subsidiaries is 25% for both periods. No provision for PRC enterprise income tax has been made as the subsidiary that generated income for the period is a tax-exempted entity in the PRC.

#### 7. LOSS PER SHARE

The calculation of the basic and diluted loss per share attributable to the owners of the Company is based on the following data:

	(Unaudited) For the three months ended 31 March		
	<b>2011</b> 201 <b>HK\$'000</b> HK\$'00		
Unaudited loss for the period for the purposes of basic and diluted loss per share	(3,190)	(9,194)	
Weighted average number of ordinary shares for the purpose of basic loss per share	1,316,480,007	511,889,689	
Weighted average number of ordinary shares for the purpose of diluted loss per share	N/A	N/A	

No diluted loss per share has been presented for both periods ended 31 March 2010 and 2011 because the Company's shares options and convertible notes outstanding during the three months ended 31 March 2011 had an anti-dilutive impact.

#### 8. DIVIDEND

The Directors do not recommend payment of any dividend for the three months ended 31 March 2011 (2010: nil).
