First Quarterly Report 2011

Sage International Group Limited

(Incorporated in the Cayman Islands and continued in Bermuda with limited liability) Stock Code: 8082

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "EXCHANGE")

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of Sage International Group Limited collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited for the purpose of giving information with regard to Sage International Group Limited. The directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement in this report misleading.

NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL RESULTS

1. Basis of preparation and significant accounting policies

These unaudited condensed consolidated financial statements are prepared in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Chapter 18 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the "GEM Listing Rules").

These unaudited condensed consolidated financial statements should be read in conjunction with the Company's 2011 annual financial statements. The accounting policies and methods of computation used in the preparation of these unaudited condensed consolidated financial statements are consistent with those used in the Company's annual financial statements for the year ended 31 March 2011.

Impact of New and Revised HKFRSs which are Issued but Not Effective

The Group had not early adopted the new and revised HKFRSs that have been issued but are not yet effective in the period.

The Group is in the process of assessing the impact of the new and revised HKFRSs upon initial application but is not yet in a position to state whether these new and revised HKFRSs would have a significant impact on its results of operations and financial position.

2. Segment information

No operating segment information has been disclosed as there is only one operating segment, which is the deathcare business segment, during the period under review. In prior period, the only operating segment is the exhibition organisation business segment and its result was reclassified as discontinued operation following the disposal of the segment in March 2011.

PRC subsidiaries are subject to PRC Enterprise Income Tax at 25% (2010: 25%) on estimated assessable profits arising in the PRC for the period ended 30 June 2011 (2010: Nil).

The Group did not have any significant deferred taxation which was not provided for in respect of each of the reporting periods.

6. Discontinued operation

Infosky Group Limited and its subsidiaries (collectively "Infosky Group") engage in the provisions of exhibition organisation, promotion, marketing and publication services. The Group has decided to dispose of Infosky Group Limited because the Company plans to focus its resources on its core businesses. The disposal of Infosky Group Limited was completed on 4 March 2011, and no results of Infosky Group was consolidated for the three months ended 30 June 2011.

The calculations of basic and diluted loss per share from the discontinued operation are based on the loss for the period from a discontinued operation of HK\$nil (2010: loss of HK\$6,345,000) and the denominators detailed in note 8 for both basic and diluted loss per share.

7. Dividend

The Directors do not recommend the payment of a dividend nor transfer of any amount to reserves for the three months ended 30 June 2011 (2010: Nil).

8. Loss per share

The calculation of basic loss per share is based on the loss for the period attributable to the owners of the Company and the weighted average number of ordinary shares of 252,829,153 (2010: 97,564,000 (restated)) in issue during the period, as adjusted to reflect the share consolidation on 28 October 2010.

No diluted loss per share has been calculated for both periods ended 30 June 2011 and 2010 as the Company's outstanding share options and convertible bonds had an anti-dilutive impact.

The calculation of the basic and diluted loss per share attributable to the owners of the Company is based on the following data:

MANAGEMENT DISCUSSION AND ANALYSIS

Financial and operation review

During the three months' period under review, the revenue of Group and its jointly-controlled entity is approximately HK\$2,681,000 (2010: Nil). The revenue was generated from the Group's new deathcare business which was invested by the Group since October 2010. New revenue stream is mainly from sales of burial units and provision of cemetery and funeral services and, consequently, there was no corresponding revenue from this new segment in the same period in last year. Instead, revenue from the original exhibition business, which was disposed of in the last financial year, was generated in corresponding period in prior year. Both its revenue and results are reported as a discontinued operation in comparative figures.

The deathcare business has a gross profit of approximately HK\$2,180,000 (2010: Nil) but the Group recorded a loss after tax of HK\$9,089,000 (2010: HK\$9,604,000). The loss in last year included a loss from the discontinued operation of exhibition business amounted to HK\$6,345,000. Following the disposal of the entire interest in the exhibition business in the last financial year, there is no corresponding results for this segment in the current period. If the result from discontinued operation is excluded, the loss for the period is more than that of the last year (approximately of HK\$3,259,000). The increase in the loss is due to increase in operating expenses and finance costs during the period as the Group has implemented a new business plan during the period to expand into the deathcare business. Such plan requires setting up of new headcount and business operation for business development and marketing activities, which caused the increase in operating expenses. Moreover, there is also an increase in professional fees for the subscription of convertible bonds of US\$12,500,000 (equivalent to approximately HK\$97,175,000) to AXA Direct Asia II, L.P. Such fund raising exercise was completed in May 2011.

Prospects

In this financial year, the Group will continue to implement measures to expand the sales channel and product varieties of its cemeteries in the PRC. Such measures included setting up of new cooperating agency arrangement with other local funeral services providers, increase in sales forces and launching of new marketing campaigns. The Group also started to establish its new joint venture in Guizhou, the PRC, as part of its strategic plan to build up cemetery land reserves in China. The Board believes that, with the Group's commitment and strategic vision, stable revenue stream will be achieved in the foreseeable future. The Board also believes that operating efficiency of the Group will also be improved following the Group's recent restructuring of business and new business plan.
