## CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

## CHAIRMAN'S STATEMENT

On behalf of the board of directors (the "Board") of Combest Holdings Limited (the "Company"), I hereby present to our shareholders the annual report of the Company and its subsidiaries (collectively, the "Group") for the year ended 30 June 2013.

	<b>Total</b>	
	<b>2013</b>	2012
	<b>RMB'000</b>	RMB'000
Revenue	<b>110,469</b>	113,575
Profit/(Loss) for the year attributable to owners of the Company	<b>19,143</b>	(29,264)
Earnings/(Loss) per share		
– basic (RMB cent(s))	<b>0.60</b>	(0.91)
– diluted (RMB cent(s))	<b>N/A</b>	N/A

The Group continued to focus on (i) functional healthcare bedroom products includes mattresses, gyromagnetic chairs, gyromagnetic healthcare products, pillows, blankets, air ionizer products, other bedroom accessories and a range of functional healthcare clothes and accessories; and (ii) OEM consumer electronic products includes RF connectors, transmitters for consumer electronic products.

### FRANCHISEE NETWORK

Our independent franchisees demonstrates the vitality of our business and their faith in the business potential of Combest. We are proud of our incredibly impressive group of people, the franchisees and our employees who comprise the Combest family. We are grateful that our independent franchisees share our beliefs and further the mission of the Company, by tirelessly reaching out to the marketplace to promote our functional healthcare products. They share our confidence that they have made a positive impact on their own lives and the lives of the customers they come in contact with. We greatly treasure their trust in the Combest products and we will continue to invest in training and rewarding our invaluable franchisees for their sales successes.

### CUSTOMER SERVICE CENTRES TO ENHANCE BRAND AWARENESS AND SUPPORT FRANCHISEES

After reconstructing the CSCs last year, the Group maintain approximately 10 self-managed CSCs in various cities in China. These CSCs enhance the Combest brand awareness in the marketplace and support the franchisees in growing their business volume. We also place a strong emphasis on the ongoing training and product education of our independent franchisees as well as our staff at the CSCs. This is a clear demonstration of our commitment to our people and products.

## CHAIRMAN'S STATEMENT

### PRODUCT RANGE EXPANSION

We are investing in product research and development through our collaboration with Zhejiang University to expand the application of magnetic physics theory (being our core competence) to a wider range of consumer products such as the new range of the gyromagnetic massage chairs and other consumer products and by upgrading the existing features and functions of some of our key selling products and at the same time, we develop and add the smart air-cleaner and ionizer/water purification related products on top of our traditional gyromagnetic product range so as to widen our customer base. We believe that by developing more new functional healthcare products through collaboration with renowned scientists and industry experts, we are well-positioned to enrich our product pipeline for distribution via our established and strong franchisee sales network. We believe that Combest stands out as a leader in commercializing the wider application of gyromagnetic physics and the air ionizer and water purification products into various types of consumer products and helps people to attain a healthy lifestyle. Our culture of innovation echoes with our mission of promoting a healthy life through science (科學養生).

### APPOINTMENT OF BRAND SPOKESPERSON TO SOLIDIFY BRAND AWARENESS

To solidify our brand awareness and enhance our image, Madam Lang Ping, the current coach of the China National Women Volleyball team act as our spokesperson. Madam Lang Ping was the star spiker of the PRC National volleyball team and played a pivotal role in the PRC volleyball team winning the Olympics gold medal in the 1984 Los Angeles Olympic Games as well as the PRC National volleyball team winning the World volleyball championship/world cup multiple times from 1981 to 1985. She is very well-regarded as a sports icon and enjoys nationwide acclaim as one of its top sports persons. Our television advertisements are now in the advanced stage of production and we expect to release our advertisements in the domestic market sometime later this year. We consider that the healthy image of Madam Lang Ping resonates strongly with our emphasis on promoting a healthy lifestyle and our dedication to perfection.

As said, we are very grateful to have a strong and dedicated force of independent franchisees, who share the beliefs and mission of the Company, by promoting our functional healthcare products to consumers. We treasure their trust in the products and future of the Company and we will continue to develop more new products to be launched in the marketplace and to take measures to expand our sales in the marketplace.

Also, I would like to express my heartfelt gratitude to all Combest staff for their dedication and outstanding performance and to our shareholders, customers and suppliers for their loyalty and support.

## MANAGEMENT DISCUSSION AND ANALYSIS

The following sections provide a detailed review and analysis of the results and segmental performance of the Group for the financial year ended 30 June 2013.

### FINANCIAL REVIEW

We are principally engaged in two business segments, namely (i) manufacturing and sales of functional healthcare household bedroom products and other healthy lifestyle accessories, and (ii) manufacturing and trading of OEM consumer electronic products and components. The current status of our business segments is shown as follows:

#### Revenue and gross profit

During the year, the Group recorded a revenue of RMB110,469,000 representing a decrease of 2.8% as compared to that in previous year.

The Group's gross profit margin ratio for the year ended 30 June 2013 was 52.9% as compared to approximately 27.4% in the previous year. The increase is due to, amongst other things, the success of cost saving programme and the new products launched. Furthermore, in 2013, the operating environment of the Company had improved, and the competition was not as keen as in 2012 and hence, the Group reduced a number of promotional and discounts strategies throughout the financial year of 2013. In addition, the Group had launched some new products, like new magnetic mattresses, magnetic rotation comb which contribute higher gross profit compared to the existing products.

The selling and distribution costs for the year were RMB13,303,000, representing an decrease of approximately 34.2% from last year. It comprises mainly travelling cost and CSCs daily operating cost amounting to approximately RMB5,416,000, transportation cost amounting to approximately RMB2,030,000, operating lease charges in respect of land and building amounting to approximately RMB903,000 and provision for product warranty amounting to approximately RMB288,000. The decrease is mainly because of saving in rental charge and daily operating costs as a result of the closure of CSC shops. Besides the Group also adopted a series of measures to reduce expenditure, like reducing the employees' business trip, controlling the money expenses. The Company also benefited from these actions.

The administrative expenses for the year were approximately RMB21,705,000, representing a decrease of approximately 13.4%. It comprises mainly the amortization of intangible asset – franchise network amounting to approximately RMB7,863,000, director fee and emolument amounting to approximately RMB2,261,000 and salary and wages amounting to RMB5,232,000.

Other operating expenses for the year were approximately RMB204,000 (2012: RMB16,330,000). The decrease is mainly due to the write-off of the property, plant and equipment in relation to the closure of CSC as well as the impairment of goodwill that occurred in 2012.

#### Liquidity and financial resources

The Group generally finances its operation with internally generated cash flow. As at 30 June 2013, the cash and bank balances of the Group amounting to approximately RMB34,970,000 (2012: RMB27,109,000) and the net current assets of the Group amounted to approximately RMB96,029,000 (2012: RMB67,552,000). With such resources, the Company has adequate financial resources for its operations.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Charges on the Group's asset

As at 30 June 2013, none of the Group's assets were pledged (2012: Nil).

### Gearing Ratio

The Group expresses its gearing ratio (if any) as a percentage of other borrowings and long term debts over total assets. As at 30 June 2013, the gearing ratio as a percentage of other borrowings and amount due to relevant parties over total assets was nil (2012: 0.5%).

### Treasury policies and capital structure

Any surplus funds derived from operating activities will be placed in savings accounts and short term time deposits with original maturity of less than three months which secures the Group's liquidity position in meeting its daily operating needs.

### Exposure to exchange rate risks

For the year ended 30 June 2013, the Group's business in manufacturing and trading of functional healthcare bedroom products and electronic products and other borrowings were transacted in HK\$, US dollar and RMB. The Board considers that the Group did not have significant exposure to foreign exchange fluctuation as the management monitors the related foreign currency closely and will consider hedging significant foreign currency exposure.

### Contingent liabilities

As at 30 June 2013, the Group and the Company did not have any significant contingent liabilities.

### Employee information

For the year ended 30 June 2013, there are 594 staff and the staff cost, excluding directors' remuneration, amounted to RMB16,094,000. The employee remuneration was commensurate with individual performance and experience and subject to the periodic review of the senior management of the Company.

In order to maintain the standard of the Group's services and for purpose of staff development, the Group provided comprehensive training programs for its staff.

The Group had adopted a share option scheme whereby certain employees may be granted options to acquire the shares of the Company. No options have been granted or agreed to be granted under the Scheme since its effective date on 24 January 2002. The share option scheme is expired in 2012.

## MANAGEMENT DISCUSSION AND ANALYSIS

### BUSINESS REVIEW

We are currently principally engaged in two business segments, namely (i) manufacturing and sales of functional healthcare household bedroom and other healthy lifestyle accessories, and (ii) manufacturing and trading of OEM consumer electronic products and components. As at the date of this report, the Group restructures the Customer Service Centres (“CSC”) programme. We shutdown approximately 40 self-managed CSCs in various cities in China that could not effectively benefit the Group. After the restructuring, the Group kept approximately 10 self-managed CSCs that could enhance the Combest brand awareness in the marketplace and support franchisees in growing their business volume. Ongoing training and product education of our independent franchisees and our CSC staff are also carried out there.

### BUSINESS OUTLOOK

Despite the difficult business environment encountered in the last financial year due to the continuing slowdown of the domestic economy, the Board still has reasonable confidence in the medium to long term booming consumer health-care market in China. Reason being aging population, continues awareness of healthy lifestyle and never ending high medical cost in future.

To strengthening our presence in the PRC market, we will continue to expand our franchise stores in order to increase our overall market share in this unique magnetic healthcare products market. It has always been one of the focuses of the Company to enhance the Combest brand image and hence, we are exploring setting up personal healthcare retail shops in the first and second tier cities to target the mid to higher end market segments.

For further expansion, given the uniqueness of our magnetic healthcare products, the Board intends to expand into overseas markets, especially into other ASEAN countries, Middle-East and eastern Europe by way of franchising and agency model. In the long run, the Board hopes to achieve a well balance of business volume between China and overseas segment.

For the last financial year, we launch the air ionizer products to cater for the market demand due to the worsen air condition in China, the Group plans to enter into the water purification related products in coming financial year so that we can well balance and broaden our customer base.

Apart from expanding markets, we will also continue to commit our resources and efforts in product innovation and magnetic healthcare treatment technology. This is to ensure us to stay at market leader and there will always be a steady stream of supply of competitive and attractive products to be launched every year to the markets.

The Board believes that with the right products, right sales channels, committed franchisees and diversified markets both domestic and overseas, the Group is well positioned to regain its momentum to achieve new height in the near term.

### DIRECTORS' INTERESTS IN CONTRACTS

Except for those disclosed in note 29 to the financial statements and Mr. Yong Kee Poh being a director of 揭東康保磁科技有限公司 and 揭東和星科技電子有限公司, no Director had a material interest, whether directly or indirectly, in any contract of significance to the business of the Group to which the Company or any of its subsidiaries was a party subsisted at the end of the year or at any time during the year.

### CONNECTED TRANSACTIONS AND CONTINUING CONNECTED TRANSACTIONS

揭東康佰健康家居用品有限公司, a wholly-owned subsidiary of the Company had entered into a new cooperation agreement with 揭東康保磁科技有限公司, a company incorporated in the PRC with limited liability and is indirectly wholly-owned by Mr. Wang Linjia, who is a substantial shareholder and is beneficially interested in approximately 27.42% of the issued share capital of the Company on 28 September 2012.

As stated in the circular of the Company dated 26 October 2012, the transactions contemplated under a new cooperation agreement entered into between 揭東康佰健康家居用品有限公司 and 揭東康保磁科技有限公司 will constitute non-exempt continuing connected transactions on the part of the Company and therefore would be subject to the reporting, announcement and the independent shareholders' approval requirements pursuant to Chapter 20 of the GEM Listing Rules. Independent shareholders' approval for the above transactions was obtained on 13 November 2012. On 13 November 2012, a special general meeting was held and the independent shareholders had approved the new cooperation agreement. As Mr. Wang Linjia, Mr. Yong Kee Poh and their respective associates had a material interest in the transaction contemplated under a new cooperation agreement, they abstained from voting on the resolutions passed in the special general meeting held on 13 November 2012 pursuant to the GEM Listing Rules. All the resolution were validly passed.

The annual cap amounts for the new cooperation agreement for each of the three financial years ended 30 June 2013 are as follows:

Agreement	Nature of transaction	Annual Cap for the financial years ending 30 June		
		2013 RMB'000	2014 RMB'000	2015 RMB'000
A new cooperation agreement	Purchase the gyromagnetic massage chairs and other gyromagnetic household items designed in co-operation with 揭東康佰健康家居用品有限公司 and manufactured by 揭東康保磁科技有限公司 under "Combest" brand from time to time	28,000	34,000	50,000

## REPORT OF THE DIRECTORS

The continuing connected transactions as set out above which took place during the year have been reviewed by the independent non-executive Directors who have confirmed that:

- (1) The transactions were entered into in the ordinary and usual course of business of the Company;
- (2) The transactions were conducted on terms of arm's length transactions to the Company; and
- (3) The transactions were entered into in accordance with the relevant agreements governing such transactions on terms that were fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Company's auditor has reviewed the continuing connected transactions and in the letter sent to the Company confirmed that the continuing connected transactions:

- (1) have received the approval of the Board;
- (2) have been entered into in accordance with the relevant agreement governing the transactions; and
- (3) have not exceeded the annual cap approved by the Stock Exchange.

As far as the transactions set out in note 29 to the financial statements under the heading of "Related Party Transactions" are concerned, the transactions relating to the purchase of gyromagnetic massage chairs and other gyromagnetic household items as set out in note (a)(ii) were continuing connected transactions which had been approved by the independent shareholders of the Company.

## SUFFICIENCY OF PUBLIC FLOAT

## CORPORATE GOVERNANCE REPORT

For the year ended 30 June 2013, the Company complied with the provisions set out in Appendix 15 of the Code on Corporate Governance Practice of the Rules Governing the Listing of Securities on the GEM (“GEM Listing Rules”) of the Stock Exchange, save as the following deviation.

### Chairman and Chief Executive Officer

The Company has not yet adopted A.2.1. Under the code provision A.2.1 of the CG Code, the roles of Chairman and CEO should be separated and would not be performed by the same individual. The division of responsibilities between the Chairman and CEO should be clearly established and set out in writing.

The Company does not presently have any officer with the title CEO. At present, Mr. Yong Kee Poh, being the Chairman and Chief Executive Director of the Company, is responsible for the strategic planning, formulation of overall corporate development policy and running the business of the Group as well as the duties of Chairman. The Board considers that, due to the nature and extent of the Group’s operations, Mr. Yong is the most appropriate chief executive because he is experienced in management as well as mergers and acquisitions and other key corporate matters and will be able to help the sustainable development of the Group. Notwithstanding the above, the Board will review the current structure from time to time. When at the appropriate time and if candidate with suitable leadership, knowledge, skills and experience can be identified within or outside the Group, the Company may make the necessary amendments.

### DIRECTORS’ SECURITIES TRANSACTIONS

The Company has adopted a code of conduct regarding securities transaction by the Directors on terms no less exacting than the required standard of dealings set out in Rules 5.48 to 5.67 of the GEM Listing Rules. The Company had also made specific enquiry to all the Directors and the Company was not aware of any non-compliance with the required standard of dealings regarding securities transactions by the Directors during the Financial Year.

Specific employees who are likely to be possession of unpublished price-sensitive information of the Group are also subject to compliance with the same Code of Conduct. No incident of non-compliance was noted by the Company for the year ended 30 June 2013.

## CORPORATE GOVERNANCE REPORT

### BOARD OF DIRECTORS

The overall management of the Company's business is vested in the Board which assumes the responsibility for leadership and control of the Company and is collectively responsible for promoting the success of the Company by directing and supervising its affairs. All the Directors should make decision objectively in the interests of the Company. The Board has the full support from the chief executive director of the Company and the senior management of the Company to discharge its responsibilities.

The day-to-day management, administration and operation of the Company are delegated to the chief executive director and the senior management. The delegated functions and work tasks are periodically reviewed. Approval has to be obtained from the Board prior to any significant transactions entered into by the abovementioned officers.

The Board also assumes the responsibilities of maintaining high standard of corporate governance, including, among others, developing and reviewing the Company's policies and practices on corporate governance, reviewing and monitoring the Company's policies and practices on compliance with legal and regulatory requirements, and reviewing the Company's compliance with the CG Code.

As at the date of this report, the Board comprises two executive Directors, one non-executive Director and three independent non-executive Directors. The composition of the Board and the committees of the Company are given below and their respective responsibilities are discussed in the CG Report.

## CORPORATE GOVERNANCE REPORT

All Directors, including independent non-executive Directors, have brought a wide spectrum of valuable business experience, knowledge and professionalism to the Board for its efficient and effective delivery of the Board functions. Independent non-executive Directors and Non-executive Directors are invited to serve on the Audit Committee, the Remuneration Committee and the Nomination Committee.

Details of backgrounds and qualification of the Directors are set out in the "DIRECTORS, SENIOR MANAGEMENT AND STAFF" of this report.

The Board members have no financial, business, family or other material or relevant relationships with each other.

The Board meets regularly to discuss the Company's affairs and operations. During the Financial Year, the Board held 4 regular Board meetings (within the meaning of the CG Code) at approximately quarterly interval and 2 Board meetings which were convened when board-level decisions on particular matters were required. The Directors attended those meetings in person, by phone or through other electronic means of communication. The attendance record of each member of the Board during the Financial Year is set out below:

<b>Name of Directors</b>	<b>Attended/ Eligible to attend</b>

### CHAIRMAN AND CHIEF EXECUTIVE OFFICER

The Company has not yet adopted A.2.1. Under the code provision A.2.1 of the CG Code, the roles of Chairman and CEO should be separate and would not be performed by the same individual. The division of responsibilities between the Chairman and CEO should be clearly established and set out in writing.

The Company does not presently have any officer with the title CEO. At present, Mr. Yong Kee Poh, being the Chairman and Chief Executive Director of the Company, is responsible for the strategic planning, formulation of overall corporate development policy and running the business of the Group as well as the duties of Chairman. The Board considers that, due to the nature and extent of the Group's operations, Mr. Yong is the most appropriate chief executive because he is experienced in management as well as mergers and acquisitions and other key corporate matters and will be able to help the sustainable development of the Group. Notwithstanding the above, the Board will review the current structure from time to time. When at the appropriate time and if candidate with suitable leadership, knowledge, skills and experience can be identified within or outside the Group, the Company may make the necessary amendments.

#### Code Provision A.6.7

This code provision stipulated that independent non-executive directors and other non-executive directors should attend general meetings and develop a balanced understanding of the views of shareholders. All independent non-executive directors and other non-executive directors of the Company was present from the last annual general meeting and extraordinary general meeting of the Company held on 13 November 2012.

### INDEPENDENT NON-EXECUTIVE DIRECTORS

The Company had at least three independent non-executive Directors at all times during the Financial Year. Except the following explanation, each of the independent non-executive Director has confirmed his annual confirmation on independence as required by Rule 5.09 of the GEM Listing Rules. The Company considers all such Directors to be independent.

## CORPORATE GOVERNANCE REPORT

Subsequent to the passing away of Mr. Xing Fengbing (“Mr. Xing”) on 26 April 2012, the number of independent non-executive Directors has fallen below the minimum number required under Rules 5.05(1) of the GEM Listing Rules. On 18 July 2012, Mr. Liu Wei Zhong (“Mr. Liu”) has been appointed as an independent non-executive Director in order to fill the causal vacancy caused by the passing away of Mr. Xing as an independent non-executive Director. Mr. Liu has also been nominated as a member of the audit committee, remuneration committee and nomination committee of the Company. Upon the appointment of Mr. Liu, the number of independent non-executive Directors and the number of members of the audit committee of the Company meets the minimum requirement under rule 5.05(1) and rule 5.28 of the GEM Listing Rule.

### APPOINTMENT AND RE-ELECTION OF DIRECTORS

In accordance with the Articles, (i) all Directors will be subject to retirement by rotation once every three years and the new Directors appointed by the Board to fill a causal vacancy during the year shall be subject to re-election by the shareholders of the Company at the next following general meeting after appointment; and (ii) one-third of the Directors for the time being (or, if their number is not three or a multiple of three, then the number nearest to one-third but not less than one-third), shall retire from office by rotation and being eligible, offer themselves for re-election at each annual general meeting and that any new Director appointed by the Board during the year shall hold office until the next following general meeting after appointment, and he or she shall be eligible for re-election at that meeting.

The Board recommended the re-appointment of the retiring Directors standing for re-election at the forthcoming annual general meeting of the Company. Details of the information of the retiring Directors standing for re-election are set out in the circular accompany the notice of the annual general meeting.

### CONTINUOUS PROFESSIONAL DEVELOPMENT

All Directors have been given relevant guideline materials regarding the duties and responsibilities of being a Director, the relevant laws and regulations applicable to the Directors, duty of disclosure of interest and business of the Group and such induction materials will also be provided to newly appointed Directors shortly upon their appointment as Directors of the Company. All Directors have been updated on the latest developments regarding the Listing Rules and other applicable regulatory requirement to ensure compliance and enhance their awareness of good corporate governance practices. Continuing briefings and professional development to Directors will be arranged whenever necessary.

## CORPORATE GOVERNANCE REPORT

The Audit Committee should discuss with the auditor the nature and scope of the audit and reporting obligations before the Audit commences;

## CORPORATE GOVERNANCE REPORT

- (c) to develop and implement policy on engaging an external auditor to supply non-audit services. For this purpose, external auditor includes any entity that is under common control, ownership or management with the audit firm or any entity that a reasonable and informed third party knowing all relevant information would reasonably conclude to be part of the audit firm nationally or internationally. The Audit Committee should report to the Board, identifying and making recommendations on where action or improvement is needed;
- (d) to monitor integrity of the Company's financial statements and the annual report and accounts, half-year report, quarterly reports, and to review significant financial reporting judgments contained in them, focusing particularly on:
  - (i) any changes in accounting policies and practices adopted by the Group;
  - (ii) major judgmental areas;
  - (iii) significant adjustments resulting from the audit;
  - (iv) the going concern assumption and any qualifications;
  - (v) compliance with accounting standards;
  - (vi) compliance with the GEM Listing Rules and legal requirements in relation to financial reporting;
  - (vii) the fairness and reasonableness of any connected transaction and the impact of such transaction on the profitability of the Group;
  - (viii) whether all relevant items have been adequately disclosed in the Group's financial statements and whether the disclosure gives a true and fair view of the Group's financial conditions; and
  - (ix) the cashflow position of the Group;
- (e) to consider any significant or unusual items that are, or may need to be, reflected in the reports and accounts and should give due consideration to any matters that have been raised by the Company's staff responsible for the accounting and financial reporting function, compliance officer or auditors;
- (f) to discuss problems and reservations arising from the interim limited review and final audits, and any matters the auditors may wish to discuss (in the absence of management where necessary);
- (g) to review and supervise the financial reporting process, review the financial information of the Group, oversee the Group's financial controls, internal control procedures and risk management systems;

## CORPORATE GOVERNANCE REPORT

- (h) to discuss the internal control system with management to ensure that management has performed its duty to have an effective internal control system. This discussion should include the adequacy of resources, staff qualifications and experience, training programmes and budget of the Company's accounting and financial reporting function;
- (i) to review the external auditor's management letter, any material queries raised by the auditor to management about accounting records, financial accounts or systems of control and management's response;
- (j) to review the Company's statement on internal control systems (where one is included in the annual report) prior to endorsement by the Board;
- (k) to (where an internal audit function exists) review the internal audit programme, ensure co-ordination between the internal and external auditors, and ensure that the internal audit function is adequately resourced and has appropriate standing within the Company, and to review and monitor its effectiveness;
- (l) to conduct exit interviews with any Director, manager, financial controller or internal credit control manager upon their resignation in order to ascertain the reasons for his departure;
- (m) to prepare work reports for presentation to the Board and to prepare summary of work reports for inclusion in the Group's interim and annual reports;
- (n) to consider the Board's recommendation of the appointment of any person to be an Audit Committee member, a company secretary, auditors and accounting staff either to fill a casual vacancy or as an additional Audit Committee member, company secretary, auditors and accounting staff or the Board's recommendation for the dismissal of any of them;
- (o) to consider major investigations findings on internal control matters as delegated by the Board or on its own initiative and management's response to these findings;
- (p) to review the Group's financial and accounting policies and practices;
- (q) to ensure that the Board will provide a timely response to the issues raised in the external auditor's management letter;
- (r) to report to the Board on the matters in these terms of reference;
- (s) to review arrangements employees of the Company can use, in confidence, to raise concerns about possible improprieties in financial reporting, internal control or other matters. The Audit Committee should ensure that proper arrangements are in place for fair and independent investigation of these matters and for appropriate follow-up actions;

## CORPORATE GOVERNANCE REPORT

- (t) to act as the key representative body for overseeing the Company's relations with the external auditor; and
- (u) to consider other matters, as defined or assigned by the Board from time to time.

During the Financial Year under review, the Audit Committee held four meetings to consider and approve the following:

- (i) to review of the quarterly, half-year and annual financial statements before submission to the Board, with a focus on compliance with accounting standards, the GEM Listing Rules and other requirements in relation to financial reporting of the Audit Committee;
- (ii) to discuss the effectiveness of the internal controls system throughout the Group, including financial, operational and compliance controls, and risk management;
- (iii) to review the accounting principles and practices adopted by the Group and other financial reporting matters; and
- (iv) to discuss the whistleblowing policy throughout the Group.

## CORPORATE GOVERNANCE REPORT

- (i) any one or more Shareholders holding at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company (the "Eligible Shareholder(s)") carrying the right of voting at general meetings of the Company shall at all times have the right, by written requisition to the Board or the company secretary of the Company (the "Company Secretary"), to require an extraordinary general meeting (the "EGM") to be called by the Board for the transaction of any business specified in such requisition;
- (ii) Eligible Shareholders who wish to convene an EGM must deposit a written requisition (the "Requisition") signed by the Eligible Shareholder(s) concerned to the head office and principal place of business of the Company in Hong Kong at Flat M-N, 24/F, Houston Industrial Building, 32-40 Wang Lung Street, Tsuen Wan, N.T., Hong Kong, or Hong Kong branch share registrar and transfer office of the Company, Computershare Hong Kong Investor Services Limited, 46/F, Hopewell Centre, 183 Queen's Road East, Hong Kong for the attention of the Board and/or the Company Secretary;
- (iii) the Requisition must state clearly the name of the Eligible Shareholder(s) concerned, his/her/their shareholding, the reason(s) to convene an EGM and the details of the business(es) proposed to be transacted in the EGM, and must be signed by the Eligible Shareholder(s) concerned together with a deposit of a sum of money reasonable sufficient to meet the Company's expenses in serving the notice of the resolution and circulating the statement submitted by the shareholders concerned in accordance with the statutory requirements to all the registered Shareholders;
- (iv) the Requisition will be verified with Hong Kong branch share registrar and transfer office of the Company and upon their confirmation that the Requisition is proper and in order, the Board will convene an EGM by serving sufficient notice in accordance with the requirements under the Articles to all the registered Shareholders. On the contrary, if the Requisition has been verified as not in order or the Shareholders concerned have failed to deposit sufficient money to meet the Company's expenses for the said purposes, the Eligible Shareholder(s) concerned will be advised of this outcome and accordingly, the Board will not call for an EGM; and
- (v) If within 21 days of the deposit of the Requisition, the Board fails to proceed to convene such EGM, the Eligible Shareholder(s) himself/herself/themselves may do so, and all reasonable expenses incurred by the Eligible Shareholder(s) concerned as a result of the failure of the Board shall be reimbursed to the Eligible Shareholder(s) concerned by the Company.

### Procedures for Shareholders to put forward proposals at Shareholders' meetings

There are no provisions allowing Shareholders to move new resolutions at the general meetings under the Companies Law (Revised) of Cayman Islands. However, pursuant to the Articles, Shareholders who wish to move a resolution may by means of Requisition convene an EGM following the procedures set out above.

### Procedures for sending enquiries to the Board

Shareholders may send their enquiries and concerns to the Board by addressing them to the head office and principal place of business of the Company in Hong Kong at Flat M-N, 24/F, Houston Industrial Building, 32-40 Wang Lung Street, Tsuen Wan, N.T., Hong Kong, or Hong Kong branch share registrar by post or by fax to (852) 8202 0633 for the attention of the Board and/or the Company Secretary.

## CORPORATE GOVERNANCE REPORT

### DIRECTORS' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

The Directors acknowledge their responsibility for the preparation of the financial statements of the Group. In preparing the financial statements, the generally accepted accounting standards in Hong Kong have been adopted, appropriate accounting policies have been used and applied consistently, and reasonable and prudent judgments and estimates have been made.

The Board is not aware of any material uncertainties relating to events or conditions which may cast significant doubt over the Group's ability to continue as a going concern. Accordingly, the Board has continued to adopt the going concern basis in preparing the financial statements. The auditors' responsibilities are set out in the "INDEPENDENT AUDITOR'S REPORT" of this annual report.

### COMPANY SECRETARY

The company secretary is an employee of the Company and is appointed by the Board. He supports the chairman, Board and board committees by ensuring good information flow and reports to the Board and assists the Board in functioning effectively and efficiently. The company secretary also advises the Board on governance matters and facilitates the induction and professional development of directors. All directors of the Company may call upon him for advice and assistance at any time in respect to their duties and the effective operation of the Board and board committee.

Mr. Lee Man To has been the company secretary of the Company since June 2008. He is also the executive director, the authorised representative and the financial controller of the Company. The biographical detail of Mr. Lee is set out in the section of Directors, Senior Management and Staff on page 10 of this report. During the year, Mr. Lee undertook not less than 20 hours of relevant professional training.

### INTERNAL CONTROL

The Board has overall responsibility for the establishment, maintenance and review of the Group's system of internal control. The Board has conducted a review of, and is satisfied with the effectiveness of the system of internal control of the Group.

### DIRECTORS' AND OFFICERS' LIABILITIES INSURANCE AND INDEMNITY

To indemnify Directors and officers of the Company against all costs, charges, losses, expenses and liabilities incurred by them in the executive of and discharge of their duties or in relation thereto, the Company has arranged insurance cover for this purpose.

### REMUNERATION OF THE AUDITOR

For the year ended 30 June 2013, the Audit Committee of the Company had reviewed the performance of BDO Limited as the external auditor of the Company and proposed to re-appoint BDO Limited as the external auditor. For the year ended 30 June 2013, the Company agreed auditing fees of HK\$680,000 (equivalent to RMB558,000) payable to BDO Limited.

### INVESTOR RELATIONS

The Company has disclosed all necessary information to the shareholders in compliance with GEM Listing Rules. Updated and key information of the Group is also available on the Company's website. The Company also replied the enquires from shareholders timely. The Directors host the annual general meeting each year to meet the shareholders and answer their enquiries.

During the Financial Year, the terms of reference of the Audit Committee, the Remuneration Committee and the Nomination Committee were revised in accordance to the amendments of the GEM Listing Rules with effect from 1 January 2012 and 1 April 2012, respectively. The revised terms of reference of the Audit Committee, the Remuneration Committee and the Nomination Committee are available on the websites of the Stock Exchange and the Company.

To the shareholders of Combest Holdings Limited  
*(incorporated in the Cayman Islands with limited liability)*

We have audited the consolidated financial statements of Combest Holdings Limited (the "Company") and its subsidiaries (together "the Group") set out on pages 37 to 89, which comprise the consolidated and company statements of financial position as at 30 June 2013, and the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **DIRECTORS' RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

The directors of the Company are responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. This report is made solely to you, as a body, in accordance with the terms of our engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## INDEPENDENT AUDITOR'S REPORT (Continued)

### OPINION

In our opinion, the consolidated financial statements give a true and fair view of the state of affairs of the Company and of the Group as at 30 June 2013 and of the Group's profit and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

# NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

## 1. GENERAL INFORMATION

Combest Holdings Limited (the "Company") is incorporated in the Cayman Islands as an exempted company with limited liability under the Companies Law, Cap 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands on 28 August 2001 and its shares are listed on the Growth Enterprise Market (the "GEM") of The Stock Exchange of Hong Kong Limited (the "Stock Exchange"). The registered office of the Company is located at Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman KY1-1111, Cayman Islands and its principal place of business is Flat M-N, 24/F, Houston Industrial Building, 32-40 Wang Lung Street, Tsuen Wan, New Territories, Hong Kong.

The principal activity of the Company is investment holding. The principal activities of the Company's subsidiaries are set out in note 16 to the financial statements. The Company and its subsidiaries are collectively referred to as the "Group" hereafter.

## 2. ADOPTION OF NEW AND REVISED HKFRSs

### 2.1 Adoption of revised/amended HKFRSs – effective 1 July 2012

In the current year, the Group has applied for the first time the following revision and amendment to standards and interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), which are relevant to and effective for the Group's financial statements for the annual period beginning on 1 July 2012:

#### ***HKFRS 7 (Amendments) – Disclosure – Transfers of Financial Assets***

The amendments to HKFRS 7 expand the disclosure requirements for transfer transactions of financial assets, in particular where the reporting entity has continuing involvement in financial assets that it has derecognised. The newly required disclosures allow users of financial statements to better understand the risks to which the reporting entity remains exposed. And such information is relevant in assessing the amount, timing and uncertainty of the entity's future cash flows. The adoption of the amendment has had no significant impact on the Group's financial statements.

#### ***Amendments to HKAS 1 (Revised) – Presentation of Items of Other Comprehensive Income***

The amendments to HKAS 1 (Revised) require the Group to separate items presented in other comprehensive income into those that may be reclassified to profit or loss in the future and those that may not. Tax on items of other comprehensive income is allocated and disclosed on the same basis. The Group's presentation of other comprehensive income in these financial statements has been modified accordingly.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 2. ADOPTION OF NEW AND REVISED HKFRSs (Continued)

#### 2.2 New/revised HKFRSs that have been issued but are not yet effective

The following new/revised HKFRSs, potentially relevant to the Group's financial statements, have been issued, but are not yet effective and have not been early adopted by the Group.

HKFRSs (Amendments)	Annual Improvements 2009-2011 Cycle <sup>1</sup>
Amendments to HKAS 32	Offsetting Financial Assets and Financial Liabilities <sup>2</sup>
Amendments to HKAS 36	Recoverable Amount Disclosure for Non-financial Assets <sup>2</sup>

HKFRS 9	Financial Instruments <sup>3</sup>
HKFRS 10	Consolidated Financial Statements <sup>1</sup>
HKFRS 11	Joint Arrangements <sup>1</sup>
HKFRS 12	Disclosure of Interests in Other Entities <sup>1</sup>
HKFRS 13	Fair Value Measurement <sup>1</sup>
HKAS 19 (2011)	Employee Benefits <sup>1</sup>
HKA 27 (2011)	Separate Financial Statements <sup>1</sup>
HKA 28 (2011)	Investments in Associates and Joint Ventures <sup>1</sup>
Amendments to HKFRS 10, HKFRS 12 and HKAS 27 (2011)	Investment entities <sup>2</sup>

<sup>1</sup> Effective for annual periods beginning on or after 1 January 2013

<sup>2</sup> Effective for annual periods beginning on or after 1 January 2014

<sup>3</sup> Effective for annual periods beginning on or after 1 January 2015

#### **HKFRSs (Amendments) – Annual Improvements 2009-2011 Cycle**

The improvements made amendments relevant to the Group's financial statements as follows:

(i) *HKAS 1 Presentation of Financial Statements*

The amendments clarify that the requirement to present a third statement of financial position when an entity applies an accounting policy retrospectively or makes a retrospective restatement or reclassification of items in its financial statements is limited to circumstances where there is a material effect on the information in that statement of financial position. The date of the opening statement of financial position is the beginning of the preceding period and not, as at present, the beginning of the earliest comparative period. The amendments also clarify that, except for disclosures required by HKAS 1.41-44 and HKAS 8, the related notes to the third statement of financial position are not required to be presented. An entity may present additional voluntary comparative information as long as that information is prepared in accordance with HKFRS. This may include one or more statements and not a complete set of financial statements. Related notes are required for each additional statement presented.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 2. ADOPTION OF NEW AND REVISED HKFRSs (Continued)

#### 2.2 New/revised HKFRSs that have been issued but are not yet effective (Continued)

##### ***HKFRSs (Amendments) – Annual Improvements 2009-2011 Cycle (Continued)***

*(ii) HKAS 16 Property, Plant and Equipment*

The amendments clarify that items such as spare parts, stand-by equipment and servicing equipment are recognised as property, plant and equipment when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventory.

*(iii) HKAS 32 Financial Instruments: Presentation*

The amendments clarify that income tax relating to distributions to holders of an equity instrument and to transaction costs of an equity transaction should be accounted for in accordance with HKAS 12 Income Taxes. Depending on the circumstances these items of income tax might be recognised in equity, other comprehensive income or in profit or loss.

*(iv) HKAS 34 Interim Financial Reporting*

The amendments clarifies that in interim financial statements, a measure of total assets and liabilities for a particular reportable segment need to be disclosed when the amounts are regularly provided to the chief operating decision maker and there has been a material change in the total assets and liabilities for that segment from the amount disclosed in the last annual financial statements.

##### ***Amendments to HKAS 32 – Offsetting Financial Assets and Financial Liabilities***

The amendments clarify the offsetting requirements by adding appliance guidance to HKAS 32 which clarifies when an entity “currently has a legally enforceable right to set off” and when a gross settlement mechanism is considered equivalent to net settlement.

##### ***Amendments to HKFRS 7 – Offsetting Financial Assets and Financial Liabilities***

HKFRS 7 is amended to introduce disclosures for all recognised financial instruments that are set off under HKAS 32 and those that are subject to an enforceable master netting agreement or similar arrangement, irrespective of whether they are set off under HKAS 32.

##### ***HKFRS 9 – Financial Instruments***

Under HKFRS 9, financial assets are classified into financial assets measured at fair value or at amortised cost depending on the entity’s business model for managing the financial assets and the contractual cash flow characteristics of the financial assets. Fair value gains or losses will be recognised in profit or loss except for those non-trade equity investments, which the entity will have a choice to recognise the gains and losses in other comprehensive income. HKFRS 9 carries forward the recognition, classification and measurement requirements for financial liabilities from HKAS 39, except for financial liabilities that are designated at fair value through profit or loss, where the amount of change in fair value attributable to change in credit risk of that liability is recognised in other comprehensive income unless that would create or enlarge an accounting mismatch. In addition, HKFRS 9 retains the requirements in HKAS 39 for derecognition of financial assets and financial liabilities.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 2. ADOPTION OF NEW AND REVISED HKFRSs (Continued)

#### 2.2 New/revised HKFRSs that have been issued but are not yet effective (Continued)

##### ***HKFRS 10 – Consolidated Financial Statements***

HKFRS 10 introduces a single control model for consolidation of all investee entities. An investor has control when it has power over the investee (whether or not that power is used in practice), exposure or rights to variable returns from the investee and the ability to use the power over the investee to affect those returns. HKFRS 10 contains extensive guidance on the assessment of control. For example, the standard introduces the concept of “de facto” control where an investor can control an investee while holding less than 50% of the investee’s voting rights in circumstances where its voting interest is of sufficiently dominant size relative to the size and dispersion of those of other individual shareholders to give it power over the investee. Potential voting rights are considered in the analysis of control only when these are substantive, i.e. the holder has the practical ability to exercise them. The standard explicitly requires an assessment of whether an investor with decision making rights is acting as principal or agent and also whether other parties with decision making rights are acting as agents of the investor. An agent is engaged to act on behalf of and for the benefit of another party and therefore does not control the investee when it exercises its decision making authority. The implementation of HKFRS 10 may result in changes in those entities which are regarded as being controlled by the Group and are therefore consolidated in the financial statements. The accounting requirements in the existing HKAS 27 on other consolidation related matters are carried forward unchanged. HKFRS 10 is applied retrospectively subject to certain transitional provisions.

##### ***HKFRS 12 – Disclosure of Interests in Other Entities***

HKFRS 12 integrates and makes consistent the disclosure requirements about interests in subsidiaries, associates and joint arrangements. It also introduces new disclosure requirements, including those related to unconsolidated structured entities. The general objective of the standard is to enable users of financial statements to evaluate the nature and risks of a reporting entity’s interests in other entities and the effects of those interests on the reporting entity’s financial statements.

##### ***Amendments to HKFRS 10, HKFRS 12 and HKAS 27 (2011) – Investment Entities***

The amendments apply to a particular class of businesses that qualify as investment entities. An investment entity’s business purpose is to invest funds solely for returns from capital appreciation, investment income or both. It evaluates the performance of its investments on a fair value basis. Investment entities could include private equity organisations, venture capital organisations, pension funds and investment funds.

The amendments provide an exception to the consolidation requirements in HKFRS 10 Consolidated Financial Statements and require investment entities to measure particular subsidiaries at fair value through profit or loss rather than to consolidate them. The amendments also set out the disclosure requirements for investment entities. The amendments are applied retrospectively subject to certain transitional provisions.

### 2. ADOPTION OF NEW AND REVISED HKFRSs (Continued)

#### 2.2 New/revised HKFRSs that have been issued but are not yet effective (Continued)

##### *HKFRS 13 – Fair Value Measurement*

HKFRS 13 provides a single source of guidance on how to measure fair value when it is required or permitted by other standards. The standard applies to both financial and non-financial items measured at fair value and introduces a fair value measurement hierarchy. The definitions of the three levels in this measurement hierarchy are generally consistent with HKFRS 7 “Financial Instruments: Disclosures”. HKFRS 13 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price). The standard removes the requirement to use bid and ask prices for financial assets and liabilities quoted in an active market. Rather the price within the bid-ask spread that is most representative of fair value in the circumstances should be used. It also contains extensive disclosure requirements to allow users of the financial statements to assess the methods and inputs used in measuring fair values and the effects of fair value measurements on the financial statements. HKFRS 13 can be adopted early and is applied prospectively.

Save as the main changes described above, the Group is in the process of making an assessment of the potential impact of these new/revised HKFRSs and the directors are not yet in a position to quantify the effects on the Group’s financial statements.

### 3. BASIS OF PREPARATION

#### 3.1 Statement of compliance

The financial statements on pages 37 to 89 have been prepared in accordance with HKFRSs, which collective term includes all applicable individual HKFRSs, Hong Kong Accounting Standards and Interpretation issued by the HKICPA. The financial statements also include the applicable disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities on the GEM of the Stock Exchange.

#### 3.2 Basis of measurement

The financial statements have been prepared under the historical cost basis. The measurement bases are fully described in the accounting policies below.

The significant accounting policies that have been used in the preparation of these financial statements are summarised below. These policies have been consistently applied to all the years presented unless otherwise stated. The adoption of new or amended HKFRSs and the impacts on the Group’s financial statements are disclosed in note 2.

It should be noted that accounting estimates and assumptions are used in preparation of the financial statements. Although these estimates are based on management’s best knowledge and judgement of current events and actions, actual results may ultimately differ from those estimates. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 5.

## NOTES TO THE FINANCIAL STATEMENTS

### 3. BASIS OF PREPARATION (Continued)

#### 3.3 Functional and presentation currency

Since the Company conducts its primary business operations through its subsidiaries established in the People's Republic of China (the "PRC"), the Company adopts Renminbi ("RMB") as the presentation currency of the Group. The functional currency of the Company is Hong Kong dollars ("HK\$") as most of the underlying transactions of the Company are denominated in HK\$.

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 4.1 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries made up to 30 June each year.

Subsidiaries are consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date that control ceases. The results of the subsidiaries acquired or disposed of during the year are consolidated from the effective date of acquisition or up to the effective date of the disposal, as appropriate.

Intra-group transactions, balances and unrealised gains and losses on transactions between group companies are eliminated in preparing the consolidated financial statements. Where unrealised losses on intra-group asset sales are reversed on consolidation, the underlying asset is also tested for impairment from the Group's perspective. Amounts reported in the financial statements of subsidiaries have been adjusted where necessary to ensure consistency with the accounting policies adopted by the Group.

Acquisition of subsidiaries or businesses is accounted for using the acquisition method. The cost of an acquisition is measured at the aggregate of the acquisition-date fair value of assets transferred, liabilities incurred and equity interests issued by the Group, as the acquirer. The identifiable assets acquired and liabilities assumed are principally measured at acquisition-date fair value. The Group's previously held equity interest in the acquiree is re-measured at acquisition-date fair value and the resulting gains or losses are recognised in profit or loss. The Group may elect, on a transaction-by-transaction basis, to measure the non-controlling interest that represent present ownership interests in the subsidiary either at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs incurred are expensed.

Any contingent consideration to be transferred by the acquirer is recognised at acquisition-date fair value. Subsequent adjustments to consideration are recognised against goodwill only to the extent that they arise from new information obtained within the measurement period (a maximum of 12 months from the acquisition date) about the fair value at the acquisition date. All other subsequent adjustments to contingent consideration classified as an asset or a liability are recognised in profit or loss.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.1 Basis of consolidation (Continued)

Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amounts of the Group's interest and the non-controlling interest are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interest. Where certain assets of the subsidiary are measured at revalued amounts or fair values and the related cumulative gain or loss has been recognised in other comprehensive income and accumulated in equity, the amounts previously recognised in other comprehensive income and accumulated in equity are accounted for as if the Company had directly disposed of the related assets (i.e. reclassified to profit or loss or transferred directly to retained earnings). The fair value of any investment retained in the former subsidiary at the date the control is lost is regarded as the fair value on initial recognition for subsequent accounting under HKAS 39 Financial Instruments: Recognition and Measurement or, when applicable, the cost on initial recognition of an investment in an associate or a jointly controlled entity.

Subsequent to acquisition, the carrying amount of non-controlling interest that represent present ownership interests in the subsidiary is the amount of those interests at initial recognition plus the non-controlling interest's share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if this results in the non-controlling interest having a deficit balance.

#### 4.2 Subsidiaries

Subsidiaries are entities (including special purpose entities) over which the Company has the power to control, directly or indirectly, the financial and operating policies so as to obtain benefits from their activities. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Company controls another entity.

In the Company's statement of financial position, subsidiaries are carried at cost less any impairment loss. The results of the subsidiaries are accounted for by the Company on the basis of dividends received and receivable at the reporting date. All dividends, whether received out of the investee's pre or post-acquisition profits are recognised in the Company's profit or loss.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.3 Foreign currency translation

In the individual financial statements of the consolidated entities, foreign currency transactions are translated into the functional currency of the individual entity using the exchange rates prevailing at the dates of the transactions. At the reporting date, monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at that date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the reporting date retranslation of monetary assets and liabilities are recognised in the profit or loss.

Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined and are reported as part of the fair value gain or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

In the consolidated financial statements, all individual financial statements of foreign operations, originally presented in a currency different from the Group's presentation currency, have been converted into RMB. Assets and liabilities have been translated into RMB at the closing rate at the reporting date. Income and expenses have been converted into RMB at the exchange rates ruling at the transaction dates, or at the average rates over the reporting period provided that the exchange rates do not fluctuate significantly. Any differences arising from this procedure have been recognised in other comprehensive income and accumulated separately in the exchange fluctuation reserve in equity.

Goodwill and fair value adjustments arising on the acquisition of a foreign subsidiary have been treated as assets and liabilities of the foreign operation and translated into RMB at closing rates. When a foreign operation is sold, such exchange differences are reclassified from equity to profit or loss as part of the gain or loss on sale.

#### 4.4 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to the working condition and location for its intended use.

Construction in progress ("CIP") represents assets in the course of construction for production or for its own use purpose. CIP is stated at cost less any impairment loss and is not depreciated. Cost includes direct costs incurred during the periods of construction, installation and testing plus interest charges arising from borrowings used to finance these assets during the construction period. CIP is reclassified to the appropriate category of property, plant and equipment and depreciation commences when the construction work is completed and the asset is ready for use.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.4 Property, plant and equipment (Continued)

Depreciation is calculated on the straight-line method to write off the cost of property, plant and equipment, less any estimated residual values, over the following estimated useful lives:

Leasehold improvements	Over the lease terms or estimated useful life of 5 years whichever is shorter
Computer equipment	20%
Plant and machinery	10% – 33%
Furniture, fixtures and office equipment	10% – 33%
Motor vehicles	10% – 25%

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if appropriate, at each reporting date.

The gain or loss arising on retirement or disposal of an item of property, plant and equipment recognised in the profit or loss is the difference between the net sales proceeds and the carrying amount of the relevant asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other costs, such as repairs and maintenance are charged to the profit or loss during the financial period in which they are incurred.

#### 4.5 Goodwill

Goodwill is initially recognised at cost being the excess of the aggregate of consideration transferred and the amount recognised for non-controlling interests over the fair value of identifiable assets, liabilities and contingent liabilities acquired.

Where the fair value of identifiable assets, liabilities and contingent liabilities exceed the fair value of consideration paid, the excess is recognised in profit or loss on the acquisition date, after re-assessment.

Goodwill is measured at cost less impairment losses. For the purpose of impairment testing, goodwill arising from an acquisition is allocated to each of the relevant cash-generating units that are expected to benefit from the synergies of the acquisition. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, and whenever there is an indication that the unit may be impaired (*see note 4.7*).

On subsequent disposal of a subsidiary, the attributable amount of goodwill capitalised is included in the determination of the amount of gain or loss on disposal.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.6 Intangible assets (other than goodwill)

##### *Brand names*

Brand names for functional healthcare bedroom products with indefinite useful lives were acquired and initially recognised at cost. After initial recognition, brand names with indefinite useful lives are carried at cost less any subsequent accumulated impairment losses.

##### *Franchise networks*

Franchise networks for functional healthcare bedroom products, with useful lives ranged from 2 to 10 years, were acquired and initially recognised at cost. After initial recognition, franchise networks are carried at cost less any subsequent accumulated amortisation and accumulated impairment losses.

Intangible assets are tested for impairment as described below in note 4.7.

#### 4.7 Impairment of non-financial assets

The Group's goodwill, intangible assets, property, plant and equipment, interests in an associate and the Company's investments in subsidiaries are subject for impairment testing.

Goodwill and intangible assets with indefinite useful life or those not yet available for use are tested for impairment at least annually, irrespective of whether there is any indication that they are impaired. All other assets are tested for impairment whenever there are indications that the assets' carrying amount may not be recoverable.

For the purposes of assessing impairment, where an asset does not generate cash inflows largely independent from those of other assets, the recoverable amount is determined for the smallest group of assets that generate cash inflow independently (i.e. a cash-generating unit). As a result, some assets are tested individually for impairment and some are tested at cash-generating unit level. Goodwill in particular is allocated to those cash-generating units that are expected to benefit from synergies of the related business combination and represent the lowest level within the Group at which the goodwill is monitored for internal management purpose.

Impairment loss recognised for cash-generating units, to which goodwill has been allocated, are credited initially to the carrying amount of goodwill. Any remaining impairment loss is charged pro rata to the other assets in the cash-generating unit, except that the carrying value of an asset will not be reduced below its individual fair value less cost to sell, or value-in-use, if determinable.

An impairment loss is recognised as an expense immediately for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of fair value, reflecting market conditions less costs to sell, and value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to its present value using a pre-tax discount rate that reflects current market assessment of time value of money and the risk specific to the asset.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.7 Impairment of non-financial assets (Continued)

An impairment loss on goodwill is not reversed in subsequent periods whilst an impairment loss on other assets is reversed if there has been a favourable change in the estimates used to determine the asset's recoverable amount and only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Impairment loss recognised in an interim period in respect of goodwill is not reversed in a subsequent period.

#### 4.8 Financial assets

Management determines the classification of its financial assets at initial recognition depending on the purpose for which the financial assets were acquired and where allowed and appropriate, re-evaluates this designation at every reporting date.

All financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the instrument. All regular way purchases and sales of financial assets are recognised on trade date. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace. When financial assets are recognised initially, they are measured at fair value, plus, in the case of investments not at fair value through profit or loss, directly attributable transaction cost. Derecognition of financial assets occurs when the rights to receive cash flows from the investments expire or are transferred and substantially all of the risks and rewards of ownership have been transferred. The Group's financial assets mainly comprise loans and receivables.

##### ***Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are subsequently measured at amortised cost using the effective interest method, less any allowance for impairment. Amortised cost is calculated taking into account any discount or premium on acquisition and includes fees that are an integral part of the effective interest rate and transaction cost. Gain and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired as well as through the amortisation process.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.8 Financial assets (Continued)

##### *Impairment of financial assets*

At each reporting date, loans and receivables are reviewed to determine whether there is any objective evidence of impairment. Objective evidence of impairment includes observable data that come to the attention of the Group about one or more of the followings loss events:

- significant financial difficulty of the debtors;
- a breach of contract, such as default or delinquency in interest or principal payments;
- granting concession to a debtor because of debtor's financial difficulty;
- it becoming probable that the debtors will enter bankruptcy or other financial reorganisation;
- significant changes in the technological, market, economic or legal environment that have an adverse effect on the debtor; and
- a significant or prolonged decline in the fair value of an investment in an equity instrument below cost.

Loss events in respect of a group of financial assets include observable data indicating that there is a measurable decrease in the estimated future cash flows from the group of financial assets. Such observable data includes but not limited to adverse changes in the payment status of debtors in the group and, national or local economic conditions that correlate with defaults on the assets in the group.

If there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial asset's original effective interest rate (i.e. the effective interest rate computed at initial recognition). The carrying amount of the asset is reduced through the use of an allowance account. The amount of impairment loss is recognised in profit or loss of the period in which the impairment occurs. Loans and receivables together with any associated allowance are written off when there is no realistic prospect of future recovery and all collateral has been realised or has been transferred to the Group.

If, in subsequent period, the amount of the impairment loss decrease and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is revised by adjusting the allowance account. Any subsequent reversal of an impairment loss is recognised in profit or loss to the extent that the carrying value of the asset does not exceed its amortised cost had the impairment not been recognised at the reversal date.

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.9 Inventories

Inventories are carried at the lower of cost and net realisable value. Cost is determined using the weighted average method, and in the case of work in progress and finished goods, comprise direct materials, direct labour and an appropriate proportion of overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and any applicable selling expenses.

#### 4.10 Cash and cash equivalents

Cash and cash equivalents include cash at banks and in hand. For the cash flows presentation, cash and cash equivalents form an integral part of the Group's cash management.

#### 4.11 Financial liabilities

The Group's financial liabilities include trade payables, other payables, accruals and amount due to a related company.

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. Financial liabilities are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amount is recognised in profit or loss.

#### ***Trade payables, other payables, deposits and accruals and amount due to a related company***

These balances are recognised initially at their fair value and subsequently measured at amortised cost, using the effective interest method.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.12 Leases

An arrangement, comprising a transaction or a series of transactions, is or contains a lease if the Group determines that the arrangement conveys a right to use a specific asset or assets for an agreed period of time in return for a payment or a series of payments. Such a determination is made based on an evaluation of the substance of the arrangement and is regardless of whether the arrangement takes the legal form of a lease.

Assets that are held by the Group under leases which transfer to the Group substantially all the risks and rewards of ownership to the Group are classified as being held under finance leases. Leases which do not transfer substantially all the risks and rewards of ownership to the Group are classified as operating leases.

#### *Operating leases – as lessee*

Where the Group has the right to use of assets held under operating leases, payments made under the leases are charged to profit or loss on a straight-line basis over the lease terms except where an alternative basis is more representative of the time pattern of benefits to be derived from the leased assets. Lease incentives received are recognised in profit or loss as an integral part of the aggregate net lease payments made. Contingent rentals are charged to profit or loss in the accounting period in which they are incurred.

#### 4.13 Provisions and contingent liabilities

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the Group, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

Contingent liabilities are recognised in the course of the allocation of purchase price to the assets and liabilities acquired in a business combination. They are initially measured at fair value at the date of acquisition and subsequently measured at the higher of the amount that would be recognised in a comparable provision as described above and the amount initially recognised less any accumulated amortisation, if appropriate.

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.14 Share capital

Ordinary shares are classified as equity. Share capital is determined using the nominal value of shares that have been issued.

Any transaction costs associated with the issuing of shares are deducted from share premium, net of any related income tax benefit, to the extent that they are incremental costs directly attributable to the equity transaction.

#### 4.15 Revenue recognition

Revenue comprises the fair value for the sale of goods, net of rebates and discounts. Provided it is probable that the economic benefit will flow to the Group and the revenue and costs, if applicable, can be measured reliably, revenue is recognised as follows:

##### *From the sale of goods*

Revenue, from the sale of consumer electronic products, and components, and satellite communications products, and system solutions, and functional healthcare bedroom products, is recognised upon the significant risks and rewards of ownership have passed to the customer, provided that the Group maintains neither managerial involvement to the degree usually associated with ownership, nor effective control over the goods sold. This is usually taken as the time when the goods are delivered and the customer has accepted the goods.

##### *Interest income*

Revenue is recognised on a time-proportion basis, taking into account the principal outstanding, using the effective interest rate applicable.

#### 4.16 Employee benefits

##### *(i) Retirement benefits scheme*

Pursuant to the relevant regulations of the government in the People's Republic of China (the "PRC"), the subsidiaries operating in the PRC have participated in local municipal government retirement benefits schemes (the "Schemes"), whereby the PRC subsidiaries are required to contribute a certain percentage of the basic salaries of their employees to the Schemes to fund their retirement benefits. The local municipal government undertakes to assume the retirement benefits obligations of all existing and future retired employees of the PRC subsidiaries. The only obligation of the Group with respect to the Schemes is to pay the ongoing required contributions under the Schemes mentioned above. Contributions under the Schemes are charged to the profit or loss as incurred. There are no provisions under the Schemes whereby forfeited contributions may be used to reduce future contributions.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.16 Employee benefits (Continued)

*(i) Retirement benefits scheme (Continued)*

The Group has participated in a defined contribution Mandatory Provident Fund retirement benefits scheme (the "MPF Scheme") for its employees in Hong Kong who are eligible to participate in the MPF Scheme, in accordance with the Mandatory Provident Fund Schemes Ordinance. Contributions are made based on a percentage of the employee's basic salaries and are charged to the profit or loss as they become payable in accordance with the rules of the MPF scheme. The assets of the MPF Scheme are held separately from those of the Group in an independently administered fund. The Group's employer contributions vest fully with the employees when contributed into the MPF Scheme, except for the Group's employer voluntary contributions, which are refunded to the Group when the employee leaves employment prior to the contributions vesting fully, in accordance with the rules of the MPF Scheme.

*(ii) Short-term employee benefits*

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the reporting date.

Non-accumulating compensated absences are not recognised until the time of leave.

#### 4.17 Accounting for income taxes

Income tax comprises current tax and deferred tax.

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting period, that are unpaid at the reporting date. They are calculated according to the tax rates and tax laws applicable to the fiscal periods to which they relate, based on the taxable profit for the year. All changes to current tax assets or liabilities are recognised as a component of income tax expense in profit or loss.

Deferred tax is calculated using the liability method on temporary differences at the reporting date between the carrying amounts of assets and liabilities in the financial statements and their respective tax bases. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, tax losses available to be carried forward as well as other unused tax credits, to the extent that it is probable that taxable profit, including existing taxable temporary differences, will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

Deferred tax assets and liabilities are not recognised if the temporary difference arises from goodwill or from initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither taxable nor accounting profit or loss.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 4.17 Accounting for income taxes (Continued)

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries and an associate, except where the Group is able to control the reversal of the temporary differences and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax is calculated, without discounting, at tax rates that are expected to apply in the period the liability is settled or the asset realised, provided they are enacted or substantively enacted at the reporting date.

Changes in deferred tax assets or liabilities are recognised in profit or loss, or in other comprehensive income or directly in equity if they relate to items that are charged or credited to other comprehensive income or directly in equity.

Current tax assets and current tax liabilities are presented in net if, and only if, (a) the Group has the legally enforceable right to set off the recognised amounts; and (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

The Group presents deferred tax assets and deferred tax liabilities in net if, and only if, (a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and (b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on either; (i) the same taxable entity; or (ii) different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

#### 4.18 Segment reporting

The Group identifies operating segments and prepares segment information based on the regular internal financial information reported to the executive directors for their decisions about resources allocation to the Group's business components and for their review of the performance of those components. The business components in the internal financial information reported to the executive directors are determined following the Group's major product and services lines.

Gain on disposal of a subsidiary, income tax and corporate income and expenses which are not directly attributable to the business activities of any operating segment, are not included in arriving at the operating results of the operating segment.

Segment assets include all assets but corporate assets. Corporate assets are not directly attributable to the business activities of any operating segment.

Segment liabilities include all liabilities but tax payables, deferred tax liabilities and corporate liabilities. Corporate liabilities are not directly attributable to the business activities of any operating segment.

### 5. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Group makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

**(i) Impairment of property, plant and equipment**

Property, plant and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. The recoverable amounts of the property, plant and equipment have been determined based on value-in-use calculations. These calculations and valuations require the use of judgement and estimates.

**(ii) Impairment of receivables**

The Group's management determines impairment of receivables on a regular basis. This estimate is based on the credit history of its customers/borrowers and current market conditions. Management reassesses the impairment of receivables at the reporting date.

**(iii) Net realisable value of inventories**

Net realisable value of inventories is the estimated selling price in the ordinary course of business, less estimated costs of completion and selling expenses. These estimates are based on the current market condition and the historical experience of selling products of similar nature. It could change significantly as a result of competitor actions in response to severe industry cycles. Management reassesses the estimations at the reporting date.

**(iv) Estimated impairment of goodwill and intangible assets with an indefinite useful life**

The Group test annually whether goodwill and intangible assets with an indefinite useful life have suffered any impairment in accordance with the accounting policy stated in note 4.7. It requires an estimation of the value in use of the cash-generating units to which the goodwill and intangible assets with an indefinite useful life is allocated. Estimating the value in use requires the Group to make an estimate of the expected future cash flows from the cash-generating unit and also to choose a suitable discount rate in order to calculate the present value of those cash flows.

### 5. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (Continued)

#### (v) Income taxes

The Group is subject to income taxes in the PRC. Significant judgement is required in determining the amount of the provision for income taxes and timing of payment of related taxes. There are many transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities for anticipated tax based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provision in the period in which such determination is made.

#### (vi) Provision for product warranty

Being an industry practice, the Group provides two to three years product warranty to its customers depending on product type, under which faulty products are repaired or replaced. During the year ended 30 June 2013, provision for warranty of approximately of RMB0.3 million (2012: RMB1 million) is recognised for the products sold. The amount of the provision for the warranty requires judgement because it requires management to estimate defective rate of products sold. As the Group continues to develop new technologies and upgrade its product quality, it is possible that the past defective rate of products is not a good indicator of future claims by customers in respect of past sales. Any increase or decrease in the actual claims will affect profit or loss in future years.

### 6. REVENUE, OTHER INCOME AND GAINS

Revenue, which is also the Group's turnover, represents the net invoiced value of goods sold, after allowances for return and trade discounts during the year.

An analysis of the Group's revenue and other income are as follows:

	2013 RMB'000	2012 RMB'000
<b>Revenue</b>		
Sale of goods	110,469	113,575
<b>Other income</b>

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 13. PROPERTY, PLANT AND EQUIPMENT – GROUP (Continued)

Property, plant and equipment amounting to RMB4,089,000 (2012: RMB12,014,000) are related to the Group's healthcare bedroom products business and they were assessed individually for impairment and certain of these assets amounting to RMB198,000 (2012: RMB6,605,000) were impaired and written off as a result of the change of marketing strategy and therefore a customer services centre being shut down during the year. The net carrying amount of property, plant and equipment of healthcare bedroom products business (after the write-off, if applicable) amounting to RMB3,891,000 (2012: RMB5,409,000) are combined with other assets under the cash generating unit ("CGU") of healthcare bedroom products business and are assessed for goodwill impairment testing at that CGU level (*note 15*).

### 14. INTANGIBLE ASSETS – GROUP

<b>At 30 June 2013</b>	<b>121,140</b>	<b>39,426</b>	<b>160,566</b>

In the opinion of the directors, brand names are considered to have an indefinite life as they have been in the market for many years and the nature of the industry in which the Group operates is that the brand obsolescence is not common if supported by appropriate level of marketing.

The intangible assets of brandnames and franchise networks are combined with other assets under the CGU of healthcare bedroom products business and are assessed for impairment at that CGU level (*note 15*).

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 15. GOODWILL – GROUP

	2013 RMB'000	2012 RMB'000
At beginning of the year	52,162	61,788
Impairment loss	–	(9,626)
At end of the year	<u>52,162</u>	<u>52,162</u>

As at 30 June 2013, goodwill amounting to RMB52,162,000 (2012: RMB61,788,000) together with property, plant and equipment amounting to RMB3,891,000 (2012: RMB5,409,000) (*note 13*) and the intangible assets amounting to RMB160,566,000 (2012: RMB168,429,000) (*note 14*) have been allocated to the CGU of healthcare bedroom products business for impairment testing.

The recoverable amount of the CGU of healthcare bedroom products business has been determined based on a value in use calculation using cash flow projection based on the financial budgets covering a five-year period approved by the senior management. The valuation of the CGU is made by reference to the valuation report issued by Savills Valuation and Professional Services Limited, independent qualified professional valuers. Key estimates and assumptions used for determining the recoverable amount of the CGU are as follows:

Growth rate during the five-year period	average of 12% (2012: average of 18%)
Gross margin	average of 42% (2012: average of 39%)
Pre-tax discount rate	23% (2012: 24%)
Growth rate to extrapolate cash flow projections	3% (2012: 3%)

Estimates and assumptions are determined by the management based on the past performance of the segment and management's expectation for the market development.

As at 30 June 2013, the recoverable amount is greater than the carrying amount of CGU by RMB9,381,000, therefore no impairment loss was incurred.

As at 30 June 2012, the carrying amount of the CGU exceeded its recoverable amount by RMB9,626,000, resulting in impairment loss of RMB9,626,000. The impairment loss was firstly allocated to write down the carrying amount of goodwill, resulting in the amount of goodwill as at 30 June 2012 being written down by RMB9,626,000. The impairment loss was mainly attributable to the significant decrease in sales derived from wholesales customers as a result of slow-down in the PRC economy.

### 18. TRADE RECEIVABLES – GROUP

Ageing analysis of trade receivables as at the respective reporting dates, based on invoice date and net of provision, are as follows:

	2013 RMB'000	2012 RMB'000
0 – 30 days	1,904	135
31 – 90 days	1,173	1,160
91 – 360 days	447	384
Over 360 days	71	42
Balance at 30 June	<u>3,595</u>	<u>1,721</u>

The Group allows a credit period from 30 to 90 days to its customers for the years ended 30 June 2013 and 2012.

Impairment of trade receivables is established when there is objective evidence that the Group is not able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtors and default or delinquency in payments are considered indicators that the trade receivables are impaired.

The ageing analysis of trade receivables that are neither individually nor collectively considered to be impaired is as follows:

	2013 RMB'000	2012 RMB'000
Neither past due nor impaired	1,323	517
1 – 90 days past due	1,766	806
91 – 360 days past due	434	356
Over 360 days past due	72	42
Total	<u>3,595</u>	<u>1,721</u>

Trade receivables that were neither past due nor impaired related to a wide range of customers for whom there was no recent history of default.

The Group's management considers that trade receivables that were past due but not impaired for each of the reporting dates under review are of good credit quality. The Group did not hold any collateral in respect of trade receivables past due but not impaired.

### 30. DEFERRED TAX LIABILITIES – GROUP

Movement on the deferred tax liabilities are as follows:

	Revaluation of intangible assets	
	2013 RMB'000	2012 RMB'000
At the beginning of the year	42,107	44,073
Credited to profit or loss during the year ( <i>note 9</i> )	(1,966)	(1,966)
At the end of the year	40,141	42,107

The Group has tax losses of approximately RMB19,006,000 as at 30 June 2013 (2012: RMB18,928,000) that are available for offsetting against future taxable profits of the companies in which the losses arose. Deferred tax assets have not been recognised in respect of these losses as it is considered not probable that future taxable profits will be available from these group companies against which the tax losses can be utilised.

The Group has deferred tax liabilities of approximately RMB23,786,000 as at 30 June 2013 (2012: RMB8,313,000) in respect of the aggregate amount of temporary differences associated with undistributed earnings of subsidiaries have not been recognised. No deferred tax liabilities have been recognised in respect of these differences because the Group is in a position to control the dividend policies of its subsidiaries and it is probable that such differences will not be reversed in the foreseeable future.

### 31. RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group does not have written risk management policies and guidelines. However, the board of directors meets periodically to analyse and formulate measures to manage and monitor the Group's exposure to market risk, including principally changes in interest rates and currency exchange rates, credit risk and liquidity risk. Generally, the Group employs a conservative strategy regarding its risk management. As the Group's exposure to market risks is kept at a minimum level, the Group has not used any derivatives for hedging purposes. The Group does not hold or issue derivative financial instruments for trading purposes.

The Group's principal financial instruments comprise trade receivables, other receivables, amount due from a related company, cash and cash equivalents, trade payables, other payables, accruals and amount due to a related company. The most significant financial risks to which the Group is exposed are described below.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2013

### 31. RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

#### (i) Interest rate risk

The Group does not have material exposure to interest rate risk. A reasonably possible change in interest rate in the next twelve months is assessed; which could have immaterial change in the Group's profit/(loss) after tax and accumulated losses. Changes in interest rates have no material impact on the Group's other components of equity. The Group adopts centralised treasury policies in cash and financial management and focuses on reducing the Group's overall interest expenses.

The directors are of the opinion that the Group's sensitivity to the change in interest rate is low.

#### (ii) Foreign currency risk

Currency risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group primarily operates and invests in the PRC with most of the transactions denominated and settled in RMB. No foreign currency risk has been identified for the monetary assets and liabilities in the functional healthcare bedroom business as they were largely denominated in a currency same as the functional currency of the PRC entities to which these transactions relate.

#### (iii) Credit risk

The management has a credit policy and the exposures to credit risks are monitored on an ongoing basis.

In respect of trade and other receivables, individual credit evaluations are performed on all customers requiring credit over a certain amount. These evaluations focus on the customers' past history of making payments when due and current ability to pay, and take into account information specific to the customer as well as pertaining to the economic environment in which the customer operates.

Since the Group trades only with recognised and creditworthy third parties, there is no requirement for collateral. The Group closely monitors the concentration of credit risk on individual customers based on their credit worthiness.

As at the reporting dates, all cash and cash equivalents were deposited in major banks in Hong Kong and the PRC without significant credit risk.

None of the Group's financial assets are secured by collateral or other credit enhancements.

#### (iv) Fair value

The fair values of the Group's financial assets and liabilities are not materially different from their carrying amounts because of the immediate or short term maturity of these financial instruments.

### 32. CAPITAL MANAGEMENT

The Group's objectives when managing capital are:

- (a) to safeguard the Group's ability to continue as a going concern, so that it continues to provide returns for shareholders and benefits for other stakeholders;
- (b) to support the Group's stability and growth; and
- (c) to provide capital for the purpose of strengthening the Group's risk management capability.

The Group actively and regularly reviews and manages its capital structure to ensure optimal capital structure and shareholder returns, taking into consideration the future capital requirements of the Group and capital efficiency, prevailing and projected profitability, projected operating cash flows, projected capital expenditures and projected strategic investment opportunities.

The management regards total equity as capital. The amounts of capital as at 30 June 2013 and 2012 amounted to approximately RMB272,246,000 and RMB251,204,000 respectively which the management considers as optimal having considered the projected capital expenditures and the projected strategic investment opportunities.

### 33. APPROVAL OF FINANCIAL STATEMENTS
