**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”)
OF THE STOCK EXCHANGE OF HONG KONG LIMITED
(THE “STOCK EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the board of directors of China Vanguard Group Limited collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM for the purpose of giving information with regard to the Company. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

For the three months ended 30 September 2014

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The unaudited consolidated results have been prepared in accordance with accounting principles generally accepted in Hong Kong which include Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”). They have been prepared on the historical costs basis, except for certain financial instruments, which are measured at fair values.

Except as described below, the accounting policies and methods of computation used in the unaudited consolidated financial results for the three months ended 30 September 2014 are the same as those followed in the preparation of the Group’s annual financial statements for the year ended 30 June 2014.

In the current year, the Group has applied, for the first time, the following new and revised standards, amendments and interpretations (“**new and revised HKFRSs**”) issued by the HKICPA:

HKAS 19 (Amendments)	Defined benefit plans: Employee contributions
HKAS 32 (Amendments)	Offsetting financial assets and financial liabilities
HKAS 39 (Amendments)	Financial instruments: Recognition and measurement — Novation of derivatives and continuation of hedge accounting
HKFRS 10, HKFRS 12 and HKAS 27 (Revised) (Amendments)	Investment entities
HK(IFRIC) — INT21	Levies
Annual improvements 2010-2012 cycle and 2011-2013 cycle	Number of HKFRSs issued in December 2013

The application of the other new or revised HKFRSs in the current year has no material effect on the amounts reported and/or disclosures set out in these unaudited consolidated financial results.

The Group has not early applied the following new and revised HKFRSs that have been issued but are not yet effective.

HKFRS 9	Financial instruments ³
HKFRS 9, HKFRS 7 and HKAS 39 (Amendments)	Hedge accounting and amendments ³
HKFRS 11 (Amendments)	Accounting for acquisitions of interests in joint operations ¹
HKFRS 14	Regulatory deferral accounts ¹
HKFRS 15	Revenue from contracts with customers ²
HKAS 16 and HKAS 38 (Amendments)	Property, plant and equipment and Intangible assets ¹

¹ Effective for annual periods beginning on or after 1 January 2016

² Effective for annual periods beginning on or after 1 January 2017

³ No mandatory effective date yet determined but is available for adoption

2. REVENUE

The principal activities of the Group are (i) provision of lottery-related services; (ii) land and property development, trading and consulting; and (iii) others.

Revenue represents invoiced value of sales, net of returns, discounts allowed or sales taxes where applicable.

3. INCOME TAX

No provision for Hong Kong profits tax has been made as the Group did not have any assessable profits arising in Hong Kong during Period 2014 (Period 2013: Nil).

Taxation arising in other jurisdictions is calculated at the rates prevailing in the respective jurisdictions.

4. DIVIDEND

The Board does not recommend the payment of any dividend for the three months ended 30 September 2014 (Period 2013: Nil).

5. EARNINGS (LOSS) PER SHARE

The calculation of the basic and diluted earnings (loss) per share attributable to the ordinary equity holders of the Company is based on the following data:

Earnings (loss)

	Three months ended 30 September	
	2014	2013
	HK\$'000	HK\$'000
Profit (loss) for the period attributable to the equity holder of the Company	3,488	(6,843)

Number of shares

	Three months ended 30 September	
	2014	2013
	'000	'000
Weighted average number of ordinary shares for the purposes of basic earnings (loss) per share	803,918	754,379
Weighted average number of ordinary shares for the purposes of diluted earnings (loss) per share	826,957	754,379

For the three months ended 30 September 2014, outstanding convertible bonds of the Company are anti-dilutive since their exercise or concession would result in an increase in earnings per share.

As the Company did not have outstanding share options and convertible bonds as at 30 September 2013, weighted average number of ordinary shares for the purpose of diluted loss per share is the same as basic loss per share. Therefore, calculation of diluted loss per share is not applicable.

Corporate governance practices

During the reporting period, the Company has complied with the Code (the “**CG Code**”) of Corporate Governance Practices as set out in Appendix 15 of the Listing Rules save and except that all independent non-executive Directors (“**INEDs**”) are not appointed for a specific term under code provision A.4.1 of the CG Code.

The INEDs of the Company were not appointed for a specific term but are subject to retirement by rotation in annual general meeting of the Company at least once every three years in accordance with the articles of association of the Company. The reason for the deviation is that the Company does not believe that arbitrary

term limits on Directors' service are appropriate given that Directors ought to be committed to representing the long term interests of the Company's shareholders, and the retirement and re-election requirements of INEDs have given the Company's shareholders the right to approve continuation of INEDs' offices.

Code of conduct regarding securities transactions by directors

The Company has adopted the code of conduct for securities transactions by directors on terms no less exacting than the required standard of dealings set out in Rules 5.48 to 5.67 of the Listing Rules (the "**Code of Conduct**"). Having made enquiry of all Directors, the Company was not aware of any non-compliance with the required standard set out in the Code of Conduct.

The audit committee is also responsible for reviewing and supervising the Company's financial reporting and internal control procedures.

The Group's unaudited results for the three months ended 30 September 2014 have been reviewed by the audit committee which was of the opinion that the preparation of such results complied with applicable accounting standards and requirements and that adequate disclosures had been made.
