## **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

## **FINANCIAL REVIEW**

For the quarter ended 30 September 2014, the Group's revenue was approximately RMB30,799,000 which represented an increase of approximately 7.8% compared to the previous corresponding period. The Group's profit margin decreased to approximately 37% for the three months ended 30 September 2014 as compared to approximately 48.2% for the previous corresponding period. The decrease is due to, amongst other things, the increase in cost of raw materials. At the same time, the Group increase a number of promotional and discounts strategies during the period.

### **Profit attributable to owners of the Company**

The unaudited profit attributable to owners of the Company for the three months ended 30 September 2014 amounting to RMB2,972,000, as compared to the profit of RMB5,245,000 for the previous corresponding period.

## **BUSINESS REVIEW**

We are currently principally engaged in two business segments, namely (i) manufacturing and sales of functional healthcare products, and (ii) manufacturing and trading of OEM consumer electronic products and components. As at the date of this report, as the Board considers that the maintenance of the Customer Service Centres ("CSCs") will not be financially effective and after considering the concerns and worries raised by some franchisees, the Group restructures the CSCs programme. We have shutdown approximately 10 self-managed CSCs in various cities in China that could not effectively benefit the Group in the last financial year. After the restructuring, there are no self-managed CSCs now.

## BUSINESS OUTLOOK

Despite the difficult business environment encountered in the last financial year due to the continuing slowdown of the domestic economy, the Board still has reasonable confidence in the medium to long term booming consumer healthcare market in China. Reason being aging population, continues awareness of healthy lifestyle and never ending high medical cost in future.

To strengthening our presence in the PRC market, we will continue to expand our franchise stores in order to increase our overall market share in this unique magnetic healthcare products market. It has always been one of the focuses of the Company to enhance the Combest brand image.

For further expansion, given the uniqueness of our magnetic healthcare products, the Board considers to expand into overseas markets, especially into other ASEAN countries, by way of franchising and agency model. In the long run, the Board hopes to achieve a well balance of business volume between China and overseas segment.

Apart from expanding markets, we will also continue to commit our resources and efforts in product innovation and magnetic healthcare treatment technology. This is to ensure us to stay at market leader and there will always be a steady stream of supply of competitive and attractive products to be launched every year to the markets.

The Board believes that with the right products, right sales channels, committed franchisees and diversified markets both domestic and overseas, the Group is well positioned to regain its momentum to achieve new height in the near term.

On 14 October 2014, the Company has withdrawn an application to the Stock Exchange for the transfer of listing of all shares of the Company (the “Shares”) from the GEM to the Main Board of the Stock Exchange (the “Transfer of Listing”) under Chapter 9A of the Listing Rules as the profit test under Rule 8.05(1) of the Listing Rules is no longer satisfied.
