FIRST QUARTERLY REPORT
2016

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE” AND “GEM”, RESPECTIVELY)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of Seamless Green China (Holdings) Limited (the “Company” and the “Directors”, respectively) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

CAPITAL STRUCTURE, FINANCIAL RESOURCES AND LIQUIDITY

The primary objective of the Group's capital management is to safeguard the Group's ability to continue as a going concern and to maintain healthy capital ratios in order to support its business and maximize shareholders' value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Directors may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

In managing the liquidity risk, the Group monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Group's operations and mitigate the effects of fluctuations in cash flows. The Group relies on funds generated from operations and fund raising activities.

The Group's shareholders funds were slightly decreased to approximately HK\$54,378,000 as at 31 March 2016 (at 31 December 2015: approximately HK\$56,557,000), which was mainly resulted from the operating loss for the Period. The Group's current assets amounted to approximately HK\$55,599,000 as at 31 March 2016 (at 31 December 2015: approximately HK\$61,098,000), of which approximately HK\$38,181,000 (at 31 December 2015: approximately HK\$39,316,000) was cash and cash equivalents.

Gearing ratio is calculated by dividing the net debt with the aggregate of total capital and net debt. Net debt includes trade payables, other payables and accruals, and promissory notes, less cash and cash equivalents. Total capital represents equity attributable to owners of the Company.

After considering the Group's financial results for the Period and existing financial position, the Board will actively seek new additional funding, including but not limited to the issue of new shares and new bank loans to strengthen the Group's financial position and finance new projects.

LITIGATION

- i) On 6 March 2012, a writ of summons was issued by JMM Business Network Investments (China) Limited (“JMM”) against (a) Mr. Chan Ka Ming, Mr. Nee, Henry Pei Ching, Mr. Ho Chun Kit Gregory, Mr. Tam Chak Chi, Mr. Ng Kai Shing, Mr. Jal Nadirshaw Karbhari and Ms. Chan Sze Man, all former Directors; and (b) the Company. In this action, JMM sought to challenge the validity of a notice of special general meeting of the Company dated 9 February 2012, but did not specify any monetary claim against the Company. The Directors have not been aware of any material progress of this action since as early as the third quarter of 2012. As such, the Directors are of the view that the action is unlikely to result in any significant financial impact on the Company.
- ii) On 14 March 2012, a writ of summons was issued by Good Capital Resources Limited (“Good Capital”) against (a) Mr. Chan Ka Ming, Mr. Nee, Henry Pei Ching, Mr. Ho Chun Kit Gregory, Mr. Tam Chak Chi, Mr. Ng Kai Shing, Mr. Jal Nadirshaw Karbhari and Ms. Chan Sze Man, all former Directors; and (b) the Company. In this action, Good Capital sought to challenge the validity of the issue of certain warrants and the grant of certain share options of the Company in March 2012, but did not specify any monetary claim against the Company. The Directors have not been aware of any material progress of this action since as early as the third quarter of 2012. As such, the Directors are of the view that the action is unlikely to result in any financial impact on the financial statements of the Company.
- iii) On 27 March 2014, Good Return (BVI) Limited (“Good Return”), a wholly-owned subsidiary of the Company, issued writs of summons against Wickham Ventures Limited (“Wickham”) and Ms. Lee Hei Wun (“Ms. Lee”) claiming for among others, the shortfall of a profit guarantee in a sum of HK\$3,000,000 as a result of the inability of Arnda Semiconductor Limited (“Arnda”) to make any profit during the year ended 31 December 2012 (the “Year 2012”). Please refer to the Company’s announcements dated 6 April 2011, 19 March 2012 and 24 March 2014 for details. Pursuant to the sale and purchase agreement under which Good Return acquired Arnda from Wickham in 2011, Wickham and Ms. Lee guaranteed to pay Good Return the difference between the actual amount of net profit after tax of Arnda and the guaranteed profit in a sum of HK\$3,000,000 for the Year 2012. According to the audited financial statements of Arnda for the Year 2012, Arnda made a loss of HK\$1,252,101. Wickham and Ms. Lee have failed to pay to Good Return the shortfall of the profit guarantee for the Year 2012 despite the demand of Good Return. On 25 June 2014, the High Court of the Hong Kong Special Administrative Region Court of First Instance issued a final judgement against Ms. Lee for the payment to Good Return the sum of HK\$3,000,000 together with interests, and a fixed cost of HK\$10,500. The Company had instructed its legal advisers to take legal action against Ms. Lee for the enforcement of the said judgment for payment of the above sum of HK\$3,010,500 and the relevant interest of HK\$71,014 but no payment has been received. Accordingly, the Group has filed an application of a bankruptcy petition against Ms. Lee.

However, on 21 January 2016, Ms. Lee applied to set aside the said judgment for the reason that the service of the Writ of Summons was defective as she was not in Hong Kong at the time of service. As a result, by consent of the parties, the said judgment was set aside and the court gave directions for Good Return to file Statement of Claim to proceed with the action.

After the judgment against Ms. Lee had been set aside, the bankruptcy petition against Ms. Lee was withdrawn as a result.

Since Good Return is also entitled to claim the shortfall of the profit guarantee for the years ended 31 December 2013 and 2014 under the said sale and purchase agreement, the Company had instructed its legal advisers to issue a demand letter to Wickham and Ms. Lee to claim for the same. However, Wickham and Ms. Lee have failed to pay to Good Return the shortfall of the profit guarantee within the prescribed time. As a result, Good Return issued writs of summons against Wickham and Ms. Lee for claiming, among others, the sum of HK\$13,196,570.00 being the outstanding aggregate profit guarantee shortfall for the years ending 31 December 2012, 2013 and 2014 less the amount of profit guarantee shortfall (HK\$3,000,000) claimed by Good Return in the above action.

As the two actions share the common questions of law and facts, and the rights and reliefs claimed thereunder arise under the same contract, Good Return applied to consolidate the two actions. After negotiations between the parties as to the directions for proceeding with the two actions, the parties have applied to the court to withdraw the first action and proceed with Good Return's claim in one go in the second action.

- iv) On 11 February 2015, the Company and Silver Bonus Limited, a wholly-owned subsidiary of the Company and the purchaser to the acquisition of equity interests in Neo Partner Investments Ltd. (the "Target Company") issued a writ of summons in the Court of First Instance of the High Court of the Hong Kong Special Administrative Region against (i) Shinning Team Investment Limited (the second vendor) as the 1st defendant; (ii) Mr. Lau Hin Chung (the first vendor) as the 2nd defendant; (iii) the Target Company as the 3rd defendant; (iv) Harvest View (China) Limited as the 4th defendant; (v) Mr. Chen Zai as the 5th defendant; (vi) two former executive Directors, namely Mr. Ho Chun Kit, Gregory and Mr. Lee Tat Wing as the 6th and 7th defendants, claiming for, among other things, the following reliefs:
- (1) damages for breach of the sale and purchase agreement and its supplemental agreement (collectively, the "Agreements") against the 1st and 2nd defendants;
 - (2) damages and/or rescission of the Agreements for misrepresentation against the 1st to 5th defendants;
 - (3) damages for negligence and breach of fiduciary duties as Directors against the 6th and 7th defendants;
 - (4) a declaration that the promissory notes issued under the Agreements are null and void and unenforceable;
 - (5) costs; and
 - (6) further and/or other relief.

- v) On 20 April 2016, a writ of summons was issued and filed on the same day in the High Court of Hong Kong by an individual, namely Zhu Jun Min (the “Claimant”) against the Company for claiming a sum of approximately HK\$3,500,000 (the “Possible Claims”), being the face value of a promissory note allegedly issued by the Company to the Claimant in 2013. The Company is currently seeking legal advice in respect of the Possible Claims.

Save as disclosed above, neither the Company nor any of its subsidiaries was involved in any litigation at 31 March 2016, the end of the reporting period.
