First Quarterly Report
第一季度報告
2016/17

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the “Directors”) of A.Plus Group Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

FOR THE THREE MONTHS ENDED 30 JUNE 2016

1. CORPORATE INFORMATION

The Company was incorporated in the Cayman Islands under the Companies Law, Chapter 22 (Law 3 of 1961, as combined and revised) of the Cayman Islands as an exempted company with limited liability on 20 April 2015. Its parent and ultimate holding company is Brilliant Ray Global Limited ("Brilliant Ray") (incorporated in the British Virgin Islands). The shares of the Company have been listed on the GEM of the Stock Exchange with effect from 19 April 2016.

The Company is an investment holding company. Its major operating subsidiaries are engaged in the provision of financial printing services.

The unaudited condensed consolidated financial statements are presented in Hong Kong dollars ("HK\$"), which is the same as the functional currency of the Group.

2. BASIS OF PREPARATION

Pursuant to a group reorganisation (the "Reorganisation"), the Company became the holding company of the Group on 23 March 2016. The Company, Power Future Holdings Limited ("Power Future"), Maplehill Investments Limited ("Maplehill") and APF, resulting from the Reorganisation, was directly and/or beneficially owned by the same beneficial owners in substantially the same proportionate ownership interests both before and after the Reorganisation. As such, this Reorganisation is effectively interspersing a shell company over Power Future, Maplehill and APF and there was a continuation of risks and benefits to the ultimate beneficial owners. Accordingly, the Reorganisation has been accounted for as a combination of entities and businesses and the unaudited condensed consolidated financial statements of the Group have been prepared and presented on the basis as if the Company has always been the holding company of Power Future, Maplehill and APF throughout the three months ended 30 June 2015. Amongst the ultimate beneficial owners, Mr. Lam Kim Wan and Mr. Fong Wing Kong are regarded as the controlling shareholders of the Group.

Upon the completion of the Reorganisation, A.Plus International Financial Press Limited ("API") became a wholly-owned subsidiary of the Group and its financial results have been consolidated into those of the Group in accordance with Hong Kong Financial Reporting Standards with effect from 1 April 2016.

	THREE MONTHS ENDED 30 JUNE

Management Discussion and Analysis

BUSINESS REVIEW

During the three months ended 30 June 2016, notwithstanding the challenges brought by the emergence of new market players, the Group achieved a revenue growth of approximately 48.4% as compared to the corresponding period in 2015, which was mainly attributable to (i) a growth of approximately 32.7% in revenue of APF for the three months ended 30 June 2016 as compared to the corresponding period in 2015 due to the successful marketing effort in expanding its customer base; and (ii) consolidation of financial results of API into the Group with effect from 1 April 2016.

FUTURE PROSPECTS

The Group is expected to experience a tougher operational environment in the future as the global economy continues to fluctuate and the global financial market is dampened by the results of the Brexit referendum. Competition in the industry has further intensified as new players enter the market, while uncertainties about the news release on IPO vetting and suitability for listing issued by the Stock Exchange and the joint consultation paper on proposed enhancement to decision making and governance structure for listing regulation issued by the Securities and Futures Commission and the Stock Exchange remain. Despite the challenging environment, the Group will adhere to its business strategy to focus on providing financial printing services to companies listed on the Stock Exchange and further penetrate the market of debt offering circulars and IPO prospectuses through developing business relationships with intermediaries.

FINANCIAL REVIEW

Revenue

The Group's revenue increased from approximately HK\$26.5 million for the three months ended 30 June 2015 to approximately HK\$39.3 million for the three months ended 30 June 2016, representing an increase of approximately 48.4%. Segmentally, revenue generated from the results announcements and financial reports segment and the debt offering circulars and IPO prospectuses segment increased by approximately HK\$5.3 million and approximately HK\$4.4 million respectively.

Cost of services

The Group's cost of services mainly include translation cost, printing cost and staff cost, which represented approximately 36.5%, 33.2% and 26.7% of the Group's total cost of services for the three months ended 30 June 2016 respectively. The Group's cost of services increased from approximately HK\$13.0 million for the three months ended 30 June 2015 to approximately HK\$17.6 million for the three months ended 30 June 2016, representing an increase of approximately 35.7%. The increase in cost of services was generally in line with the Group's revenue growth during the period.

Gross profit

The Group's gross profit increased from approximately HK\$13.5 million for the three months ended 30 June 2015 to approximately HK\$21.7 million for the three months ended 30 June 2016, representing an increase of approximately 60.7%. The increase was mainly attributable to the increase in revenue generated from the results announcement and financial reports segment and the debt offering circulars and IPO prospectuses segment.

Other income

The Group's other income was approximately HK\$0.2 million and approximately HK\$0.1 million for the three months ended 30 June 2015 and 2016 respectively, which remained relatively stable.

Selling and distribution expenses

The Group's selling and distribution expenses increased from approximately HK\$1.7 million for the three months ended 30 June 2015 to approximately HK\$3.0 million for the three months ended 30 June 2016. The increase was mainly attributable to (i) the increase in staff cost in relation to sales and marketing staff; and (ii) entertainment expenses.

Administrative expenses

The Group's administrative expenses increased from approximately HK\$5.5 million for the three months ended 30 June 2015 to approximately HK\$7.7 million for the three months ended 30 June 2016, which was mainly attributable to the increases in (i) professional and other costs in relation to the compliance with the GEM Listing Rules and other regulations applicable to the Group for maintaining the listing status; and (ii) staff cost including Directors' emoluments. Such increase was partly offset by the absence of the one-off listing expenses during the three months ended 30 June 2016 (corresponding period in 2015: approximately HK\$2.1 million).

Income tax expenses

The Group's income tax expenses increased from approximately HK\$1.4 million for the three months ended 30 June 2015 to approximately HK\$1.8 million for the three months ended 30 June 2016. The increase was mainly attributable to the increase in profit before taxation.

Profit for the period

Profit after tax of the Group increased by approximately 80.0% or approximately HK\$4.1 million from approximately HK\$5.1 million for the three months ended 30 June 2015 to approximately HK\$9.2 million for the three months ended 30 June 2016. The increase was mainly attributable to (i) the increase in revenue and profit after tax of APF during the three months ended 30 June 2016; (ii) the absence of the one-off listing expenses during the three months ended 30 June 2016 as compared with the three months ended 30 June 2015; and (iii) the consolidation of the financial results of API into the accounts of the Group with effect from 1 April 2016.

DIVIDENDS

The Directors do not recommend the payment of any dividend for the three months ended 30 June 2016 (2015: nil).

FOREIGN CURRENCY EXPOSURE

Since the Group's business activities are solely operated in Hong Kong and mainly denominated in Hong Kong dollars, the Directors consider that the Group's risk in foreign exchange is insignificant.

EVENTS AFTER THE BALANCE SHEET DATE

There is no significant event subsequent to 30 June 2016 which would materially affect the Group's operating and financial performance.
